

*The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.*

<b>Product Name</b>	<b>Description</b>	<b>NDC</b>	<b>Batch/Lot</b>	<b>Expiry Date</b>
Pantoprazole Sodium Delayed Release Tablets USP	20 mg, 90's count	13668-096-90	BA34G021	09/2022
			BA34G022	09/2022

Torrent Pharmaceuticals Limited is initiating a recall of Pantoprazole Sodium Delayed Release Tablets USP, 20 mg to the Retail level. The recall lots were distributed by Torrent between 03/16/2021 and 04/13/ 2021. No other strengths or batches of this product are subject to this recall.

This recall is based upon the complaint related to cracking observed on tablets for an unknown batch number. Based on the investigation the probable batch number was identified as BA34G021. Out of an abundance of caution Batch# BA34G022 is also being recalled as it was manufactured in campaign with batch BA34G021 that utilized the same batches of API & excipient. Based on the health hazard assessment it is determined that the defect would not have a significant impact on the safety and efficacy of this drug product. There were no adverse events or product complaint cases received for these batches.
