

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

This is to notify you that Zydus Pharmaceuticals (USA) Inc. (“Zydus”), is recalling Esomeprazole Magnesium for Delayed Release Oral Suspension.

This recall has been initiated out of an abundance of caution due to an observed Out of Specification (OOS) result for Related Compounds observed during long-term stability testing at the product’s expiry time point. Consumption of the affected product may lead to varying degrees of gastrointestinal irritation and a potential reduction in therapeutic effectiveness.

The product was shipped to our customers from Dec 2023 to May 2025.
