

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Major Pharmaceuticals is recalling the product below to the RETAIL LEVEL. Major has been informed by West-Ward Inc. that they are voluntarily recalling to the Retail Level the products/lots indicated in the table. This recall was initiated due to "a potential out-of-specification results for the dissolution test. A medical assessment has been completed and indicated that no drug safety issues would be expected."

This product was shipped from our Indianapolis warehouse between 07/25/2018 and 07/19/2019.
