

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Lupin Pharmaceuticals Inc. is initiating a recall of lots **M100070, M100239 Expiry June 2022; M100312, Expiry September 2022; and M100366, Expiry October 2022** of Zileuton Extended-Release Tablets, 600 mg to **retail** level. These four lots are being recalled due to out of specification results observed in dissolution testing during long term stability study.

The recalled lots were distributed between February 11, 2021, and September 24, 2021, to wholesalers, distributors, and mail order pharmacies nationwide.
