

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

King Pharmaceuticals LLC., a subsidiary of Pfizer, is recalling the above referenced lots of **Bicillin® L-A (Penicillin G Benzathine Injectable Suspension)**. Pfizer is initiating this recall due to particulates identified during visual inspection. Pfizer has completed a Health Hazard Assessment which indicated that the potential risk to patients from use of the impacted product is medium.

To date, Pfizer has not received reports of any adverse events associated with this issue. The recall of the above referenced lots of Bicillin® L-A (Penicillin G Benzathine Injectable Suspension) is being conducted to the **Hospital/Institution** level.
