

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Avet Pharmaceuticals Inc. ("Avet") located in East Brunswick, New Jersey, is initiating a recall of (1) lot of **Clindamycin Palmitate Hydrochloride for Oral Solution, USP 75mg/ 5ml**. This recall is being conducted in coordination with the FDA to the Retail level. The drug product is manufactured by Appco Pharma, LLC and is distributed by Avet. This recall is being initiated due to the presence of undissolved lumps and white flakes in the reconstituted bottles.

Please note that there are no adverse events that were reported to Avet for the identified lot of Clindamycin Palmitate Hydrochloride for Oral Solution, USP.
