

*The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.*

Novartis Pharmaceuticals Corporation is recalling one lot (AV5913C) of Diovan® 160mg Tablets. The lot is being recalled due to an out of specification result for dissolution obtained during stability testing. The Medical Risk Assessment has concluded that there is remote potential for temporary or medically reversible adverse health consequences.
