

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Product: Oxycodone Hydrochloride Tablets, USP, 10mg, 100 count

NDC #	Strength	Package Size	Lot Number	Expiration Date	Last Ship Date
42858-002-01	10mg	100 count	WP5K0Y	2/28/2023	7/28/21

Rhodes Pharmaceuticals initiated this **wholesale and retail level recall** due to the identification of a single foreign tablet, Hydrochlorothiazide/Lisinopril 25/20, found in one bottle due to a packaging line issue. A preliminary health hazard assessment was performed and indicates that the identified product found presents a low safety risk to patients.
