

*The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.*

This is to inform you that Glenmark is initiating a recall at the Retail level involving Azelaic Acid Gel 15%.

The recall to the retail level of Azelaic Acid Gel 15% batch is being initiated due to Market complaints received for gritty texture (grainy) for Batch # 19252524.

Health hazard assessment concluded that the quality complaint is unlikely to have any significant impact on patient health and safety.
