

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

American Health Packaging, Inc. is initiating a drug recall to the **RETAIL LEVEL for AHP Sucralfate Tablets, USP, 1 gram, 100 UD; Carton NOC#: 60687-695-01, (Individual Dose NDC: 60687-695-11)**, for the lot listed below. Two additional lots have been added to the original letter sent on July 29, 2025.

Nostrum Laboratories, Inc. filed Chapter 11 bankruptcy on September 30, 2024. In connection with that filing, the company has ceased and shutdown operations and terminated its operational employees at all domestic U.S. sites. Nostrum Labs is initiating a voluntary recall of Sucralfate Tablets USP 1 gram, all lots within expiry, as a result of the closures and discontinuation of its Quality activities.

It cannot be guaranteed that any lots of this product that are still within expiry will meet all intended specifications through the labeled shelf life of the product.

The product indication is for short-term treatment (up to 8 weeks) of active duodenal ulcer. While healing with sucralfate may occur during the first week or two, treatment should be continued for 4 to 8 weeks unless healing has been demonstrated by x-ray or endoscopic examination; Maintenance therapy for duodenal ulcer patients at reduced dosage after healing of acute ulcers.

The discontinuation of Nostrum Labs' quality program means that the Company is unable to assure that this product meets the identity, strength, quality, and purity characteristics that it is purported or represented to possess. While specific risks to patients from use of an adulterated product cannot always be identified or assessed, it is also not possible to rule out patient risks resulting from the use of such a product. Nostrum Labs has not received any reports of adverse events related to this recall.
