

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

The Harvard Drug Group, LLC d/b/a Major® Pharmaceuticals and Rugby® Laboratories would like to inform you of a recall involving Hydralazine HCl Tablets, USP, 25 mg. This recall has been initiated due to an out of specification result obtained during routine stability testing for Impurities. Shipping of this product began on August 7, 2023. This recall should be carried out to the retail level.
