

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

This is to inform you of a recall for two lots of Wegovy® 0.5mg and two lots of Wegovy® 1mg by Novo Nordisk.

The recall is due to a minimal risk related to the presence of biological particulate matter in two Wegovy® pen injectors from the above-referenced lots. Both impacted pen injectors were rejected upon inspection and never released to the market. There are no confirmed cases of particulate matter in any Wegovy® pen injectors from these lots currently on the market.

This notice pertains only to the four affected lot numbers of Wegovy® 0.5mg and Wegovy® 1mg. All other lot numbers of Wegovy® can be distributed.

This recall is being made with the knowledge of the Food and Drug Administration.
