

The Board of Pharmacy has received notice of the following product recall:

KVK Tech is recalling one (1) batch of Methylphenidate HCl Oral Solution 5mg/5mL, manufactured and distributed by KVK-Tech, Inc. (NDC # 10702-0163-50). This recall is being initiated due to possible presence of fiber particles which were found in the lot during initial filling operation of Methylphenidate HCl Oral Solution 5mg/5mL Lot # 15315A. If you further distributed this product at a **RETAIL LEVEL**, please forward this notification to your customers.

To date, KVK-Tech, Inc. has not received any medical complaints or adverse events reported for this recall product. No health hazard is associated with ingestion of fiber particles in a pharmaceutical liquid for oral administration including Methylphenidate Hydrochloride Oral Solution.

The affected Lot # 15315A in this recall was distributed between the dates of 04/11/2019-04/15/2019.

NDC	Product Name	Batch#	Expiration Date:
10702 -0163-50	Methylphenidate HCl Oral Solution 5mg/5mL, 500 mL	15315A	Feb 2021

The Board of Pharmacy strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.
