

The Board of Pharmacy has received notice of the following product recall:

Description	Lot # / Exp Date	NDC	UPC
LEVONO+ES TB0.05/.03MG LUP3X28	L800951 07/31/2020	68180085713	36818085713

Lupin is recalling the above items due to deficiency noted investigation during FDA audit. This recall is to the Retail level. Affected product started shipping October 29, 2018.

Please note that this amendment elevates the level of recall to retail **only** for the Levonorgestrel product. The Desogestrel product will remain as a wholesale level recall.

The Board of Pharmacy strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.
