

The Board of Pharmacy has received notice of the following product withdrawal:

Pharbest Pharmaceuticals, Inc. has initiated a market withdrawal of Pharbetol 500 mg Caplet, Lot# P19B053, P19C102, P19C106 and P19G231 due to two different imprints of Pharbetol 500 mg caplet in a bottle of specified lots. In general, at every 45 Pharbetol 500 mg caplets, there are 44 caplets with correct "PHO16" imprint and 1 caplet with incorrect "PHO19" imprint. These caplets with two different imprints will not cause any harm to a consumer's health or safety as well as has similar efficacy as per specification since it is the exact same formulation, strength, color, actual size and weight except imprint. This market withdrawal will be carried out at the wholesalers and retailers/pharmacy level.

**Product:** Pharbetol 500mg Caplet

**Product Description:** White color, compressed film coated caplet debossed "PHO16" on one side.

**NDC:** 16103-350-11 for 1000 count
