"This section shall not be construed to apply to any drug diversion program operated by any agency established under Division 2 (commencing with Section 500) of this code, or any initiative act referred to in that division."

7. Section 4059, subdivision (a), states:

"A person may not furnish any dangerous drug, except upon the prescription of a physician, dentist, podiatrist, optometrist, veterinarian, or naturopathic doctor pursuant to Section 3640.7. devices."

9. Section 4300, subdivision (a), states that “[e]very license issued may be suspended or
revoked.”

10. Section 4301 states, in pertinent part:

"The board shall take action against any holder of a license who is guilty of unprofessional
conduct or whose license has been procured by fraud or misrepresentation or issued by mistake.
Unprofessional conduct shall include, but is not limited to, any of the following:

... . . .

"(f) The commission of any act involving moral turpitude, dishonesty, fraud, deceit, or
corruption, whether the act is committed in the course of relations as a licensee or otherwise, and
whether the act is a felony or misdemeanor or not.

"(g) Knowingly making or signing any certificate or other document that falsely
represents the existence or nonexistence of a state of facts.

"(h) The administering to oneself, of any controlled substance, or the use of any dangerous
drug or of alcoholic beverages to the extent or in a manner as to be dangerous or injurious to
oneself, to a person holding a license under this chapter, or to any other person or to the public, or

practice authorized by the license.

"(j) The violation of any of the statutes of this state, or any other state, or of the United States regulating controlled substances and dangerous drugs.

In all other cases, the record of conviction shall be conclusive evidence only of the fact that the conviction occurred.

The board may inquire into the circumstances surrounding the commission of the crime, in order to fix the degree of discipline or, in the case of a conviction not involving controlled substances or dangerous drugs, to determine if the conviction is of an offense substantially related to the qualifications, functions, and duties of a licensee under this chapter. A plea or verdict of guilty or a conviction following a plea of nolo contendere is deemed to be a conviction within the meaning of this provision. The board may take action when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under Section 1203.4 of the Penal Code allowing the person to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information, or indictment.

"(o) Violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of or conspiring to violate any provision or term of this chapter or of the applicable federal and state laws and regulations governing pharmacy, including regulations established by
the board or by any other state or federal regulatory agency . . . .”
