**FIRST CAUSE FOR DISCIPLINE**

**(Unprofessional Conduct – Illegal Possession of a Controlled Substance – Cocaine – on February 8, 2012)**

12. Respondent is subject to disciplinary action under section 4301, subdivisions (j) and (o) of the Code on the grounds of unprofessional conduct, in that she was in possession of the controlled substance and dangerous drug, cocaine, without a prescription in violation of section 4060 of the Code and Health and Safety Code section 11350. The circumstances are as follows:

13. On February 8, 2012, at approximately 12:30 a.m., La Habra Police Department Officers, while on routine patrol, observed a vehicle with tinted windows, in violation of the Vehicle Code, and performed a traffic stop in La Habra, California. When officers contacted the driver (Respondent), officers smelled a strong odor of marijuana emitting from inside the vehicle. Officers asked Respondent if she had any illegal items on her person or in her vehicle, and Respondent told officers she had a small amount of marijuana in the center console area. Respondent consented to a search of her vehicle and officers performed a search for illegal contraband. Officers located a clear tube container with a lid and inside the container was a green leafy substance consistent with marijuana. Officers located a black purse in the rear passenger seat and inside the purse officers located a clear plastic baggie which contained a substance the officers recognized to be consistent with cocaine. Officers asked Respondent who the purse belonged to and Respondent told officers the purse belonged to her and that she believed the white substance was cocaine. Respondent told officers that she had been at a bar in the city of Bellflower a couple of days before and while in the restroom of the bar, a female approached her and gave her the baggie of cocaine. The white power (0.33 grams) was subsequently analyzed and tested positive for cocaine.
