Case No. 4463

PETITION TO REVOKE PROBATION

18
19 Complainant alleges:

20 PARTIES

21 1. Virginia Herold (Complainant) brings this Petition to Revoke Probation solely in her
22 official capacity as the Executive Officer of the Board of Pharmacy, Department of Consumer
23 Affairs.

24 2. On or about March 29, 2001, the Board of Pharmacy issued Pharmacist License
25 Number 52444 to Lynda J. Budman (Respondent). The Pharmacist License expired on
26 September 30, 2012, and has not been renewed.

1 **FIRST CAUSE TO REVOKE PROBATION**

2 (Status of License)

3 7. At all times after the effective date of Respondent's probation, Condition 11 stated:

4 **STATUS OF LICENSE**

5 Respondent shall, at all times while on probation, maintain an active, current
6 license with the Board, including any period during which suspension or probation
7 is tolled. Failure to maintain an active, current license shall be considered a
violation of probation.

8 If Respondent's license expires or is cancelled by operation of law or
9 otherwise at any time during the period of probation, including any extensions
10 thereof due to tolling or otherwise, upon renewal or re-application Respondent's
11 license shall be subject to all terms and conditions of this probation not previously
satisfied.

12 8. Respondent's probation is subject to revocation because she failed to comply with
13 Probation Condition 11, referenced above, in that on September 30, 2102, Respondent's
14 Pharmacist License No. RPH 52444 expired and has not been renewed.

15 **SECOND CAUSE TO REVOKE PROBATION**

16 (Pharmacists Recovery Program)

17 9. At all times after the effective date of Respondent's probation, Condition 17 stated:

18 **PHARMACISTS RECOVERY PROGRAM**

19 Within thirty (30) days of the effective date of this Decision, Respondent
20 shall contact the Pharmacists Recovery Program ("PRP") for evaluation, and shall
21 immediately thereafter enroll, successfully participate in, and complete the
22 treatment contract and any subsequent addendums as recommended and provided
by the PRP and as approved by the Board or its designee. The costs for PRP
participation shall be borne by the Respondent.

23 If Respondent is currently enrolled in the PRP, said participation is now
24 mandatory and as of the effective date of this Decision is no longer considered a
25 self-referral under Business and Professions Code section 4362(c)(2). Respondent
26 shall successfully participate in and complete her current contract and any
subsequent addendums with the PRP.

27 Failure to timely contact or enroll in the PRP, or successfully participate in
28 and complete the treatment contract and/or any addendums, shall be considered a
violation of probation.

1 Probation shall be automatically extended until Respondent successfully
2 completes the PRP. Any person terminated from the PRP program shall be
3 automatically suspended by the Board. Respondent may not resume the practice
4 of pharmacy until notified by the Board in writing.

5 Any confirmed positive test for alcohol or for any drug not lawfully
6 prescribed by a licensed practitioner as part of a documented medical treatment
7 shall result in the automatic suspension of practice by Respondent and shall be
8 considered a violation of probation. Respondent may not resume the practice of
9 pharmacy until notified by the Board in writing.

10 During suspension, Respondent shall not enter any pharmacy area or any
11 portion of the licensed premises of a wholesaler, veterinary food-animal drug
12 retailer or any other distributor of drugs which is licensed by the Board, or any
13 manufacturer, or where dangerous drugs and devices or controlled substances are
14 maintained. Respondent shall not practice pharmacy nor do any act involving drug
15 selection, selection of stock, manufacturing, compounding, dispensing or patient
16 consultation; nor shall Respondent manage, administer, or be a consultant to any
17 licensee of the board, or have access to or control the ordering, manufacturing or
18 dispensing of dangerous drugs and controlled substances. Respondent shall not
19 resume practice until notified by the Board.

20 During suspension, Respondent shall not engage in any activity that requires
21 the professional judgment of a pharmacist. Respondent shall not direct or control
22 any aspect of the practice of pharmacy. Respondent shall not perform the duties of
23 a pharmacy technician or a designated representative for any entity licensed by the
24 Board.

25 Subject to the above restrictions, Respondent may continue to own or hold
26 an interest in any licensed premises in which she holds an interest at the time this
27 Decision becomes effective unless otherwise specified in this order.

28 Failure to comply with this suspension shall be considered a violation of
probation.

Respondent shall pay administrative fees as invoiced by the PRP or its
designee. Fees not timely paid to the PRP shall constitute a violation for
probation. The Board will collect unpaid administrative fees as part of the annual
probation monitoring costs if not submitted to the PRP.

Respondent shall work in a pharmacy setting with access to controlled
substances for six (6) consecutive months before successfully completing
probation. If Respondent fails to do so, probation shall be automatically extended
until this condition has been met. Failure to satisfy this condition within six (6)
months beyond the original date of expiration of the term of probation shall be
considered a violation of probation.

10. Respondent's probation is subject to revocation because she failed to comply with
Probation Condition 17, referenced above, in that Respondent failed to successfully participate in

1 and complete the treatment contract and/or addendums of the PRP program and was terminated
2 from the PRP as a public safety risk on May 3, 2012.

3 **THIRD CAUSE TO REVOKE PROBATION**

4 (Random Drug Screening)

5 11. At all times after the effective date of Respondent's probation, Condition 18 stated:

6 **RANDOM DRUG SCREENING**

7 Respondent, at her own expense, shall participate in random testing,
8 including but not limited to biological fluid testing (urine, blood), breathalyzer,
9 hair follicle testing, or other drug screening program as directed by the Board or its
10 designee. Respondent may be required to participate in testing for the entire
11 probation period and the frequency of testing will be determined by the Board or
12 its designee. At all times, Respondent shall fully cooperate with the Board or its
13 designee, and shall, when directed, submit to such tests and samples for the
14 detection of alcohol, narcotics, hypnotics, dangerous drugs or other controlled
15 substances as the Board or its designee may direct. Failure to timely submit to
16 testing as directed shall be considered a violation of probation. Upon request of
17 the Board or its designee, Respondent shall provide documentation from a licensed
18 practitioner that the prescription for a detected drug was legitimately issued and is
19 a necessary part of the treatment of the Respondent. Failure to timely provide such
20 documentation shall be considered a violation of probation. Any confirmed
21 positive test for alcohol or for any drug not lawfully prescribed by a licensed
22 practitioner as part of a documented medical treatment shall be considered a
23 violation of probation and shall result in the automatic suspension of practice of
24 pharmacy by Respondent. Respondent may not resume the practice of pharmacy
25 until notified by the Board in writing.

19 During suspension, Respondent shall not enter any pharmacy area or any
20 portion of the licensed premises of a wholesaler, veterinary food-animal drug
21 retailer or any other distributor of drugs which is licensed by the Board, or any
22 manufacturer, or where dangerous drugs and devices or controlled substances are
23 maintained. Respondent shall not practice pharmacy, nor do any act involving
24 drug selection, selection of stock, manufacturing, compounding, dispensing or
25 patient consultation. Nor shall Respondent manage, administer, or be a consultant
26 to any licensee of the Board, or have access to or control the ordering,
27 manufacturing or dispensing of dangerous drugs and controlled substances.
28 Respondent shall not resume practice until notified by the Board.

25 During suspension Respondent shall not engage in any activity that requires
26 the professional judgment of a pharmacist. Respondent shall not direct or control
27 any aspect of the practice of pharmacy. Respondent shall not perform the duties of
28 a pharmacy technician or a designated representative for any entity licensed by the
Board.

1 Subject to the above restrictions, Respondent may continue to own or hold
2 an interest in any licensed premises in which she holds an interest at the time this
Decision becomes effective unless otherwise specified in this order.

3 Failure to comply with this suspension shall be considered a violation of
4 probation.

5 12. Respondent's probation is subject to revocation because she failed to comply with
6 Probation Condition 18, referenced above, in that Respondent failed to participate in random drug
7 testing as directed by the Board.

8 **FOURTH CAUSE TO REVOKE PROBATION**

9 (Prescription Coordination and Monitoring of Prescription Use)

10 13. At all times after the effective date of Respondent's probation, Condition 20 stated:

11 **PRESCRIPTION COORDINATION AND MONITORING OF**
12 **PRESCRIPTION USE**

13 Within thirty (30) days of the effective date of this Decision, Respondent
14 shall submit to the Board, for its prior approval, the name and qualifications of a
15 single physician, nurse practitioner, physician assistant, or psychiatrist of
16 Respondent's choice, who shall be aware of the Respondent's history with the use
17 of controlled substances and who will coordinate and monitor any prescriptions for
18 Respondent for dangerous drugs, controlled substances or mood-altering drugs.
19 The approved practitioner shall be provided with a copy of the Board's Accusation
20 and Decision. A record of this notification must be provided to the Board upon
21 request. Respondent shall sign a release authorizing the practitioner to
22 communicate with the Board about Respondent's treatment(s). The coordinating
23 physician, nurse practitioner, physician assistant, or psychiatrist shall report to the
24 Board on a quarterly basis for the duration of probation regarding Respondent's
25 compliance with this condition. If any substances considered addictive have been
26 prescribed, the report shall identify a program for the time limited use of any such
substances. The Board may require that the single coordinating physician, nurse
practitioner, physician assistant or psychiatrist be a specialist in addictive
medicine, or consult a specialist in addictive medicine. Should Respondent, for
any reason, cease supervision by the approved practitioner, Respondent shall
notify the Board immediately and, within thirty (30) days of ceasing treatment,
submit the name of a replacement physician, nurse practitioner, physician
assistant, or psychiatrist of Respondent's choice to the Board or its designee for its
prior approval. Failure to timely submit the selected practitioner or replacement
practitioner to the Board for approval, or to ensure the required reporting thereby
on the quarterly reports, shall be considered a violation of probation.

27 If at any time an approved practitioner determines that Respondent is unable
28 to practice safely or independently as a pharmacist, the practitioner shall notify the
Board immediately by telephone and follow up by written letter within three (3)

1 working days. Upon notification from the Board or its designee of this
2 determination, Respondent shall be automatically suspended and shall not resume
practice until notified by the Board that practice may be resumed.

3 During suspension, Respondent shall not enter any pharmacy area or any
4 portion of the licensed premises of a wholesaler, veterinary food-animal drug
5 retailer or any other distributor of drugs which is licensed by the Board, or any
6 manufacturer, or where dangerous drugs and devices or controlled substances are
7 maintained. Respondent shall not practice pharmacy nor do any act involving drug
8 selection, selection of stock, manufacturing, compounding, dispensing or patient
consultation. Nor shall Respondent manage, administer, or be a consultant to any
licensee of the board, or have access to or control the ordering, manufacturing or
dispensing of dangerous drugs and controlled substances. Respondent shall not
resume practice until notified by the Board.

9 During suspension, Respondent shall not engage in any activity that requires
10 the professional judgment of a pharmacist. Respondent shall not direct or control
11 any aspect of the practice of pharmacy. Respondent shall not perform the duties of
a pharmacy technician or a designated representative for any entity licensed by the
Board.

12 Subject to the above restrictions, Respondent may continue to own or hold
13 an interest in any licensed premises in which she holds an interest at the time this
14 Decision becomes effective unless otherwise specified in this order.

15 Failure to comply with this suspension shall be considered a violation of
16 probation.

17 14. Respondent's probation is subject to revocation because she failed to comply with
18 Probation Condition 20, referenced above, in that Respondent failed to submit to the Board, for
19 its prior approval, the name and qualifications of a single physician, nurse practitioner, physician
20 assistant, or psychiatrist of Respondent's choice, to coordinate and monitor any prescriptions,
within thirty days of the effective date of the Decision.

21 **FIFTH CAUSE TO REVOKE PROBATION**

22 (Ethics Course)

23 15. At all times after the effective date of Respondent's probation, Condition 24 stated:

24 **ETHICS COURSE**

25 Within sixty (60) calendar days of the effective date of this Decision,
26 Respondent shall enroll in a course in ethics, at Respondent's expense, approved in
27 advance by the Board or its designee. Failure to initiate the course during the first
28 year of probation, and complete it within the second year of probation, is a
violation of probation.

Respondent shall submit a certificate of completion to the Board or its designee within five (5) days after completing the course.

16. Respondent's probation is subject to revocation because she failed to comply with Probation Condition 24, referenced above, in that Respondent failed to enroll in a course in ethics within sixty calendar days of the effective date of the Decision.

5 **1. Suspension**

6 As part of probation, Respondent is suspended from working as a pharmacist for sixty (60)

11 employment) and owner to report to the Board in writing acknowledging that the listed
12 individual(s) has/have read the Decision in Case No. 3849, and terms and conditions imposed
13 thereby. It shall be Respondent's responsibility to ensure that her employer(s) and/or
14 supervisor(s) submit timely acknowledgment(s) to the Board.

15 If Respondent works for or is employed by or through a pharmacy employment service,
16 Respondent must notify her direct supervisor, PIC, and owner at every entity licensed by the
17 Board of the terms and conditions of the Decision in Case No. 3849 in advance of the Respondent
18 commencing work at each licensed entity. A record of this notification must be provided to the
19 Board upon request.

20 Furthermore, within thirty (30) days of the effective date of this Decision, and within fifteen
21 (15) days of Respondent undertaking any new employment by or through a pharmacy
22 employment service, Respondent shall cause her direct supervisor with the pharmacy
23 employment service to report to the Board in writing acknowledging that she has read the
24 Decision in Case No. 3849 and the terms and conditions imposed thereby. It shall be
25 Respondent's responsibility to ensure that her employer(s) and/or supervisor(s) submit timely
26 acknowledgment(s) to the Board.

27 ///

28 ///

3 probation.

4 "Employment" within the meaning of this provision shall include any full-time, part-
5 time, temporary, relief or pharmacy management service as a pharmacist or any position for
6 which a pharmacist license is a requirement or criterion for employment, whether the

8 **8. No Supervision of Interns, Serving as PIC, Serving as Designated**
9 **Representative-in-Charge, or Serving as a Consultant**

10 During the period of probation, Respondent shall not supervise any intern pharmacist, be
11 the PIC or designated representative-in-charge of any entity licensed by the Board, nor serve as a

13 supervision responsibilities shall be considered a violation of probation.

14 **9. Reimbursement of Board Costs**

15 As a condition precedent to successful completion of probation, Respondent shall pay to the
16 Board its costs of investigation and prosecution in the amount of \$2,677.50. Respondent shall
17 make said payments as approved by the Board.

18 There shall be no deviation from this schedule absent prior written approval by the Board or
19 its designee. Failure to pay costs by the deadline(s) as directed shall be considered a violation of

21 The filing of bankruptcy by Respondent shall not relieve Respondent of her responsibility
22 to reimburse the Board its costs of investigation and prosecution.

23 **10. Probation Monitoring Costs**

24 Respondent shall pay any costs associated with probation monitoring as determined by the
25 Board each and every year of probation. Such costs shall be payable to the Board on a schedule
26 as directed by the Board or its designee. Failure to pay such costs by the deadline(s) as directed
27 shall be considered a violation of probation.

28 ///

1 **11. Status of License**

2 Respondent shall, at all times while on probation, maintain an active, current license with
3 the Board, including any period during which suspension or probation is tolled. Failure to
4 maintain an active, current license shall be considered a violation of probation.

5 If Respondent's license expires or is cancelled by operation of law or otherwise at any time
6 during the period of probation, including any extensions thereof due to tolling or otherwise, upon
7 renewal or re-application Respondent's license shall be subject to all terms and conditions of this
8 probation not previously satisfied.

9 **12. License Surrender While on Probation/Suspension**

10 Following the effective date of this Decision, should Respondent cease practice due to
11 retirement or health, or be otherwise unable to satisfy the terms and conditions of probation,
12 Respondent may tender her license to the Board for surrender. The Board or its designee shall
13 have the discretion whether to grant the request for surrender or take any other action it deems
14 appropriate and reasonable. Upon formal acceptance of the surrender of the license, Respondent
15 will no longer be subject to the terms and conditions of probation. This surrender constitutes a
16 record of discipline and shall become a part of the Respondent's license history with the Board.

17 Upon acceptance of the surrender, Respondent shall relinquish her pocket and wall license
18 to the Board within ten (10) days of notification by the Board that the surrender is accepted.
19 Respondent may not re-apply for any license from the Board for three (3) years from the effective
20 date of the surrender. Respondent shall meet all requirements applicable to the license sought as
21 of the date the application for that license is submitted to the Board, including any outstanding
22 costs.

23 **13. Notification of a Change in Name, Residence Address, Mailing Address or**
24 **Employment**

25 Respondent shall notify the Board in writing within ten (10) days of any change of
26 employment. Said notification shall include the reasons for leaving, the address of the new
27 employer, the name of the supervisor and owner, and the work schedule if known. Respondent
28

1 shall further notify the Board in writing within ten (10) days of a change in name, residence
2 address, mailing address, or phone number.

3 Failure to timely notify the Board of any change in employer(s), name(s), address(es), or
4 phone number(s) shall be considered a violation of probation.

5 **14. Tolling of Probation**

6 Except during periods of suspension, Respondent shall, at all times while on probation, be
7 employed as a pharmacist in California for a minimum of forty (40) hours per calendar month.
8 Any month during which this minimum is not met shall toll the period of probation, i.e., the
9 period of probation shall be extended by one month for each month during which this minimum is
10 not met. During any such period of tolling of probation, Respondent must nonetheless comply
11 with all terms and conditions of probation.

12 Should Respondent, regardless of residency, for any reason (including vacation) cease
13 practicing as a pharmacist for a minimum of forty (40) hours per calendar month in California,
14 Respondent must notify the Board in writing within ten (10) days of the cessation of practice, and
15 must further notify the Board in writing within ten (10) days of the resumption of practice. Any
16 failure to provide such notification(s) shall be considered a violation of probation.

17 It is a violation of probation for Respondent's probation to remain tolled pursuant to the
18 provisions of this condition for a total period, counting consecutive and non-consecutive months,
19 exceeding thirty-six (36) months.

20 "Cessation of practice" means any calendar month during which Respondent is not
21 practicing as a pharmacist for at least forty (40) hours, as defined by Business and Professions
22 Code section 4000 et seq. "Resumption of practice" means any calendar month during which
23 Respondent is practicing as a pharmacist for at least forty (40) hours as a pharmacist as defined
24 by Business and Professions Code section 4000 et seq.

25 **15. Violation of Probation**

26 If a Respondent has not complied with any term or condition of probation, the Board shall
27 have continuing jurisdiction over Respondent, and probation shall automatically be extended,
28 until all terms and conditions have been satisfied or the Board has taken other action as deemed

1 appropriate to treat the failure to comply as a violation of probation, to terminate probation, and
2 to impose the penalty that was stayed.

3 If Respondent violates probation in any respect, the Board, after giving Respondent notice
4 and an opportunity to be heard, may revoke probation and carry out the disciplinary order that
5 was stayed. Notice and opportunity to be heard are not required for those provisions stating that a
6 violation thereof may lead to automatic termination of the stay and/or revocation of the license. If
7 a petition to revoke probation or an accusation is filed against Respondent during probation, the
8 Board shall have continuing jurisdiction and the period of probation shall be automatically
9 extended until the petition to revoke probation or accusation is heard and decided.

10 **16. Completion of Probation**

11 Upon written notice by the Board or its designee indicating successful completion of
12 probation, Respondent's license will be fully restored.

13 **17. Pharmacists Recovery Program**

14 Within thirty (30) days of the effective date of this Decision, Respondent shall contact the
15 Pharmacists Recovery Program ("PRP") for evaluation, and shall immediately thereafter enroll,
16 successfully participate in, and complete the treatment contract and any subsequent addendums as
17 recommended and provided by the PRP and as approved by the Board or its designee. The costs
18 for PRP participation shall be borne by the Respondent.

19 If Respondent is currently enrolled in the PRP, said participation is now mandatory and as
20 of the effective date of this Decision is no longer considered a self-referral under Business and
21 Professions Code section 4362(c)(2). Respondent shall successfully participate in and complete
22 her current contract and any subsequent addendums with the PRP.

23 Failure to timely contact or enroll in the PRP, or successfully participate in and complete
24 the treatment contract and/or any addendums, shall be considered a violation of probation.

25 Probation shall be automatically extended until Respondent successfully completes the
26 PRP. Any person terminated from the PRP program shall be automatically suspended by the
27 Board. Respondent may not resume the practice of pharmacy until notified by the Board in
28 writing.

1 Any confirmed positive test for alcohol or for any drug not lawfully prescribed by a
2 licensed practitioner as part of a documented medical treatment shall result in the automatic
3 suspension of practice by Respondent and shall be considered a violation of probation.

4 Respondent may not resume the practice of pharmacy until notified by the Board in writing.

5 During suspension, Respondent shall not enter any pharmacy area or any portion of the
6 licensed premises of a wholesaler, veterinary food-animal drug retailer or any other distributor of
7 drugs which is licensed by the Board, or any manufacturer, or where dangerous drugs and devices
8 or controlled substances are maintained. Respondent shall not practice pharmacy nor do any act
9 involving drug selection, selection of stock, manufacturing, compounding, dispensing or patient
10 consultation; nor shall Respondent manage, administer, or be a consultant to any licensee of the
11 board, or have access to or control the ordering, manufacturing or dispensing of dangerous drugs
12 and controlled substances. Respondent shall not resume practice until notified by the Board.

13 During suspension, Respondent shall not engage in any activity that requires the
14 professional judgment of a pharmacist. Respondent shall not direct or control any aspect of the
15 practice of pharmacy. Respondent shall not perform the duties of a pharmacy technician or a
16 designated representative for any entity licensed by the Board.

17 Subject to the above restrictions, Respondent may continue to own or hold an interest in
18 any licensed premises in which she holds an interest at the time this Decision becomes effective
19 unless otherwise specified in this order.

20 Failure to comply with this suspension shall be considered a violation of probation.

21 Respondent shall pay administrative fees as invoiced by the PRP or its designee. Fees not
22 timely paid to the PRP shall constitute a violation for probation. The Board will collect unpaid
23 administrative fees as part of the annual probation monitoring costs if not submitted to the PRP.

24 Respondent shall work in a pharmacy setting with access to controlled substances for six
25 (6) consecutive months before successfully completing probation. If Respondent fails to do so,
26 probation shall be automatically extended until this condition has been met. Failure to satisfy this
27 condition within six (6) months beyond the original date of expiration of the term of probation
28 shall be considered a violation of probation.

1 **18. Random Drug Screening**

2 Respondent, at her own expense, shall participate in random testing, including but not
3 limited to biological fluid testing (urine, blood), breathalyzer, hair follicle testing, or other drug
4 screening program as directed by the Board or its designee. Respondent may be required to
5 participate in testing for the entire probation period and the frequency of testing will be
6 determined by the Board or its designee. At all times, Respondent shall fully cooperate with the
7 Board or its designee, and shall, when directed, submit to such tests and samples for the detection
8 of alcohol, narcotics, hypnotics, dangerous drugs or other controlled substances as the Board or
9 its designee may direct. Failure to timely submit to testing as directed shall be considered a
10 violation of probation. Upon request of the Board or its designee, Respondent shall provide
11 documentation from a licensed practitioner that the prescription for a detected drug was
12 legitimately issued and is a necessary part of the treatment of the Respondent. Failure to timely
13 provide such documentation shall be considered a violation of probation. Any confirmed positive
14 test for alcohol or for any drug not lawfully prescribed by a licensed practitioner as part of a
15 documented medical treatment shall be considered a violation of probation and shall result in the
16 automatic suspension of practice of pharmacy by Respondent. Respondent may not resume the
17 practice of pharmacy until notified by the Board in writing.

18 During suspension, Respondent shall not enter any pharmacy area or any portion of the
19 licensed premises of a wholesaler, veterinary food-animal drug retailer or any other distributor of
20 drugs which is licensed by the Board, or any manufacturer, or where dangerous drugs and devices
21 or controlled substances are maintained. Respondent shall not practice pharmacy, nor do any act
22 involving drug selection, selection of stock, manufacturing, compounding, dispensing or patient
23 consultation. Nor shall Respondent manage, administer, or be a consultant to any licensee of the
24 Board, or have access to or control the ordering, manufacturing or dispensing of dangerous drugs
25 and controlled substances. Respondent shall not resume practice until notified by the Board.

26 During suspension. Respondent shall not engage in any activity that requires the
27 professional judgment of a pharmacist. Respondent shall not direct or control any aspect of the
28

1 practice of pharmacy. Respondent shall not perform the duties of a pharmacy technician or a
2 designated representative for any entity licensed by the Board.

3 Subject to the above restrictions, Respondent may continue to own or hold an interest in
4 any licensed premises in which she holds an interest at the time this Decision becomes effective
5 unless otherwise specified in this order.

6 Failure to comply with this suspension shall be considered a violation of probation.

7 **19. Abstain from Drugs and Alcohol Use**

8 Respondent shall completely abstain from the possession or use of alcohol, controlled
9 substances, dangerous drugs and their associated paraphernalia except when the drugs are
10 lawfully prescribed by a licensed practitioner as part of a documented medical treatment. Upon
11 request of the Board or its designee, Respondent shall provide documentation from the licensed
12 practitioner that the prescription for the drug was legitimately issued and is a necessary part of the
13 treatment of the Respondent. Failure to timely provide such documentation shall be considered a
14 violation of probation. Respondent shall ensure that she is not in the same physical location as
15 individuals who are using illicit substances even if Respondent is not personally ingesting the
16 drugs. Any possession or use of alcohol, controlled substances, or their associated paraphernalia
17 not supported by the documentation timely provided, and/or any physical proximity to persons
18 using illicit substances, shall be considered a violation of probation.

19 **20. Prescription Coordination and Monitoring of Prescription Use**

20 Within thirty (30) days of the effective date of this Decision, Respondent shall submit to the
21 Board, for its prior approval, the name and qualifications of a single physician, nurse practitioner,
22 physician assistant, or psychiatrist of Respondent's choice, who shall be aware of the
23 Respondent's history with the use of controlled substances and who will coordinate and monitor
24 any prescriptions for Respondent for dangerous drugs, controlled substances or mood-altering
25 drugs. The approved practitioner shall be provided with a copy of the Board's Accusation and
26 Decision. A record of this notification must be provided to the Board upon request. Respondent
27 shall sign a release authorizing the practitioner to communicate with the Board about
28 Respondent's treatment(s). The coordinating physician, nurse practitioner, physician assistant, or

1 psychiatrist shall report to the Board on a quarterly basis for the duration of probation regarding
2 Respondent's compliance with this condition. If any substances considered addictive have been
3 prescribed, the report shall identify a program for the time limited use of any such substances.
4 The Board may require that the single coordinating physician, nurse practitioner, physician
5 assistant or psychiatrist be a specialist in addictive medicine, or consult a specialist in addictive
6 medicine. Should Respondent, for any reason, cease supervision by the approved practitioner,
7 Respondent shall notify the Board immediately and, within thirty (30) days of ceasing treatment,
8 submit the name of a replacement physician, nurse practitioner, physician assistant, or psychiatrist
9 of Respondent's choice to the Board or its designee for its prior approval. Failure to timely
10 submit the selected practitioner or replacement practitioner to the Board for approval, or to ensure
11 the required reporting thereby on the quarterly reports, shall be considered a violation of
12 probation.

13 If at any time an approved practitioner determines that Respondent is unable to practice
14 safely or independently as a pharmacist, the practitioner shall notify the Board immediately by
15 telephone and follow up by written letter within three (3) working days. Upon notification from
16 the Board or its designee of this determination, Respondent shall be automatically suspended and
17 shall not resume practice until notified by the Board that practice may be resumed.

18 During suspension, Respondent shall not enter any pharmacy area or any portion of the
19 licensed premises of a wholesaler, veterinary food-animal drug retailer or any other distributor of
20 drugs which is licensed by the Board, or any manufacturer, or where dangerous drugs and devices
21 or controlled substances are maintained. Respondent shall not practice pharmacy nor do any act
22 involving drug selection, selection of stock, manufacturing, compounding, dispensing or patient
23 consultation. Nor shall Respondent manage, administer, or be a consultant to any licensee of the
24 board, or have access to or control the ordering, manufacturing or dispensing of dangerous drugs
25 and controlled substances. Respondent shall not resume practice until notified by the Board.

26 During suspension, Respondent shall not engage in any activity that requires the
27 professional judgment of a pharmacist. Respondent shall not direct or control any aspect of the
28

1 practice of pharmacy. Respondent shall not perform the duties of a pharmacy technician or a
2 designated representative for any entity licensed by the Board.

3 Subject to the above restrictions, Respondent may continue to own or hold an interest in
4 any licensed premises in which she holds an interest at the time this Decision becomes effective.
5 unless otherwise specified in this order.

6 Failure to comply with this suspension shall be considered a violation of probation.

7 **21. Supervised Practice**

8 During the period of probation, Respondent shall practice only under the supervision of a
9 licensed pharmacist not on probation with the Board. Upon and after the effective date of this
10 Decision, Respondent shall not practice pharmacy and her license shall be automatically
11 suspended until a supervisor is approved by the Board or its designee. The supervision shall be,
12 as required by the Board or its designee, either:

- 13 a. Continuous – At least 75% of a work week;
- 14 b. Substantial - At least 50% of a work week;
- 15 c. Partial - At least 25% of a work week; or
- 16 d. Daily Review - Supervisor's review of probationer's daily activities within 24

17 hours.

18 Within thirty (30) days of the effective date of this Decision, Respondent shall have her
19 supervisor submit notification to the Board in writing stating that the supervisor has read the
20 Decision in Case No. 3849, and is familiar with the required level of supervision as determined
21 by the Board or its designee. It shall be the Respondent's responsibility to ensure that her
22 employer(s), PIC and/or supervisor(s) submit timely acknowledgement(s) to the Board. Failure
23 to cause the direct supervisor and the PIC to submit timely acknowledgements to the Board shall
24 be considered a violation of probation.

25 If Respondent changes employment, it shall be the Respondent's responsibility to ensure
26 that her employer(s), PIC and/or supervisor(s) submit timely acknowledgement(s) to the Board.
27 Respondent shall have her new supervisor, within fifteen (15) days after employment
28 commences, submit notification to the Board in writing stating the direct supervisor and PIC have

1 read the Decision in Case No. 3849, and is familiar with the level of supervision as determined by
2 the Board. Respondent shall not practice pharmacy and her license shall be automatically
3 suspended until the Board or its designee approves a new supervisor. Failure to cause the direct
4 supervisor and the PIC to submit timely acknowledgements to the Board shall be considered a
5 violation of probation.

6 Within ten (10) days of leaving employment, Respondent shall notify the Board in writing.

7 During suspension, Respondent shall not enter any pharmacy area or any portion of the
8 licensed premises of a wholesaler, veterinary food-animal drug retailer or any other distributor of
9 drugs which is licensed by the Board, or any manufacturer, or where dangerous drugs and devices
10 or controlled substances are maintained. Respondent shall not practice pharmacy nor do any act
11 involving drug selection, selection of stock, manufacturing, compounding, dispensing or patient
12 consultation. Nor shall Respondent manage, administer, or be a consultant to any licensee of the
13 board, or have access to or control the ordering, manufacturing or dispensing of dangerous drugs
14 and controlled substances. Respondent shall not resume practice until notified by the Board.

15 During suspension, Respondent shall not engage in any activity that requires the
16 professional judgment of a pharmacist. Respondent shall not direct or control any aspect of the
17 practice of pharmacy. Respondent shall not perform the duties of a pharmacy technician or a
18 designated representative for any entity licensed by the Board.

19 Subject to the above restrictions, Respondent may continue to own or hold an interest in
20 any licensed premises in which she holds an interest at the time this Decision becomes effective
21 unless otherwise specified in this order.

22 Failure to comply with this suspension shall be considered a violation of probation.

23 **22. No Ownership of Licensed Premises**

24 Respondent shall not own, have any legal or beneficial interest in, or serve as a manager,
25 administrator, member, officer, director, trustee, associate, or partner of any business, firm,
26 partnership, or corporation currently or hereinafter licensed by the Board. Respondent shall sell
27 or transfer any legal or beneficial interest in any entity licensed by the Board within ninety (90)
28 days following the effective date of this Decision and shall immediately thereafter provide written

1 proof thereof to the Board. Failure to timely divest any legal or beneficial interest(s) or provide
2 documentation thereof shall be considered a violation of probation.

3 **23. Tolling of Suspension**

4 During the period of suspension, Respondent shall not leave California for any period
5 exceeding ten (10) days, regardless of purpose (including vacation). Any such absence in excess
6 of the (10) days during suspension shall be considered a violation of probation. Moreover, any
7 absence from California during the period of suspension exceeding ten (10) days shall toll the
8 suspension, i.e., the suspension shall be extended by one (1) day for each day over ten (10) days
9 Respondent is absent from California. During any such period of tolling of suspension,
10 Respondent must nonetheless comply with all terms and conditions of probation.

11 Respondent must notify the Board in writing within ten (10) days of departure, and must
12 further notify the Board in writing within ten (10) days of return. The failure to provide such
13 notification(s) shall constitute a violation of probation. Upon such departure and return,
14 Respondent shall not resume the practice of pharmacy until notified by the Board that the period
15 of suspension has been satisfactorily completed.

16 **24. Ethics Course**

17 Within sixty (60) calendar days of the effective date of this Decision, Respondent shall
18 enroll in a course in ethics, at Respondent's expense, approved in advance by the Board or its
19 designee. Failure to initiate the course during the first year of probation, and complete it within
20 the second year of probation, is a violation of probation.

21 Respondent shall submit a certificate of completion to the Board or its designee within five
22 (5) days after completing the course.

1 JURISDICTION

2 3. This Accusation is brought before the Board of Pharmacy (Board), Department of
3 Consumer Affairs, under the authority of the following laws. All section references are to the
4 Business and Professions Code (Code) unless otherwise indicated.

5 4. Section 4300, subdivision (a), of the Code states that every license issued by the
6 Board may be suspended or revoked.

7 5. Section 118, subdivision (b), of the Code provides that the suspension, expiration,
8 surrender, or cancellation of a license shall not deprive the Board of jurisdiction to proceed with a
9 disciplinary action during the period within which the license may be renewed, restored, reissued
10 or reinstated.

11 STATUTORY PROVISIONS

12 6. Section 4301 of the Code states, in pertinent part:

13 The board shall take action against any holder of a license who is guilty of
14 unprofessional conduct or whose license has been procured by fraud or
15 misrepresentation or issued by mistake. Unprofessional conduct shall include, but is
16 not limited to, any of the following:

17 (f) The commission of any act involving moral turpitude, dishonesty, fraud,
18 deceit, or corruption; whether the act is committed in the course of relations as a
19 licensee or otherwise, and whether the act is a felony or misdemeanor or not.

20 (g) Knowingly making or signing any certificate or other document that
21 falsely represents the existence or nonexistence of a state of facts.

22 (h) The administering to oneself, of any controlled substance, or the use of
23 any dangerous drug or of alcoholic beverages to the extent or in a manner as to be
24 dangerous or injurious to oneself, to a person holding a license under this chapter,
25 or to any other person or to the public, or to the extent that the use impairs the
26 ability of the person to conduct with safety to the public the practice authorized by
27 the license.

28 (j) The violation of any of the statutes of this state, or any other state, or of the
United States regulating controlled substances and dangerous drugs.

(l) The conviction of a crime substantially related to the qualifications,
functions, and duties of a licensee under this chapter. The record of conviction of a
violation of Chapter 13 (commencing with Section 801) of Title 21 of the United
States Code regulating controlled substances or of a violation of the statutes of this
state regulating controlled substances or dangerous drugs shall be conclusive
evidence of unprofessional conduct. In all other cases, the record of conviction
shall be conclusive evidence only of the fact that the conviction occurred. The
board may inquire into the circumstances surrounding the commission of the crime,
in order to fix the degree of discipline or, in the case of a conviction not involving

1 controlled substances or dangerous drugs, to determine if the conviction is of an
2 offense substantially related to the qualifications, functions, and duties of a licensee
3 under this chapter. A plea or verdict of guilty or a conviction following a plea of
4 nolo contendere is deemed to be a conviction within the meaning of this provision.
5 The board may take action when the time for appeal has elapsed, or the judgment of
6 conviction has been affirmed on appeal or when an order granting probation is
7 made suspending the imposition of sentence, irrespective of a subsequent order
8 under Section 1203.4 of the Penal Code allowing the person to withdraw his or her
9 plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty,
10 or dismissing the accusation, information, or indictment.

11 (n) The revocation, suspension, or other discipline by another state of a
12 license to practice pharmacy, operate a pharmacy, or do any other act for which a
13 license is required by this chapter.

14 7. Section 4060 of the Code states, in pertinent part:

15 No person shall possess any controlled substance, except that furnished to a
16 person upon the prescription of a physician, dentist, podiatrist, optometrist,
17 veterinarian, or naturopathic doctor pursuant to Section 3640.7, or furnished
18 pursuant to a drug order issued by a certified nurse-midwife pursuant to Section
19 2746.51, a nurse practitioner pursuant to Section 2836.1, or a physician assistant
20 pursuant to Section 3502.1, or naturopathic doctor pursuant to Section 3640.5, or a
21 pharmacist pursuant to either subparagraph (D) of paragraph (4) of, or clause (iv) of
22 subparagraph (A) of paragraph (5) of, subdivision (a) of Section 4052. This section
23 shall not apply to the possession of any controlled substance by a manufacturer,
24 wholesaler, pharmacy, pharmacist, physician, podiatrist, dentist, optometrist,
25 veterinarian, naturopathic doctor, certified nurse-midwife, nurse practitioner, or
26 physician assistant, when in stock in containers correctly labeled with the name and
27 address of the supplier or producer.

28 8. Health and Safety code section 11170 states that no person shall prescribe, administer,
or furnish a controlled substance for herself.

9. Health and Safety Code section 11173 provides, in pertinent part:

(a) No person shall obtain or attempt to obtain controlled substances, or
procure or attempt to procure the administration of or prescription for controlled
substances, (1) by fraud, deceit, misrepresentation, or subterfuge; or (2) by the
concealment of a material fact.

(b) No person shall make a false statement in any prescription, order, report,
or record, required by this division.

2 Code section 11054, subdivision (d)(13).

5 administrative law judge to direct a licentiate found to have committed a violation or violations of
6 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and
7 enforcement of the case.

15 **SECOND CAUSE FOR DISCIPLINE**

16 (Conviction of Crime)

17 15. Respondent is subject to disciplinary action under Code section 4301, subdivision (I),
18 on the grounds of unprofessional conduct in that on or about October 10, 2007, Respondent was
19 convicted in the case titled *People of the State of Colorado v. Lynda Budman*, District Court,
20 Douglas County, Colorado, Case No. 07CR338, on her guilty plea to the added count of
21 possessing eight ounces of Marijuana [Schedule I controlled substance], a misdemeanor. The
22 crime substantially relates to the qualifications, functions, and duties of a licensed pharmacist.
23 The original criminal complaint against Respondent charged her with violation of Colorado
24 Criminal Code sections 18-18-405(1) and (2)(a)(1)(A) [possession of schedule 2 controlled
25 substances] and 18-4-401(1) and (2)(c) [theft in the amount of \$500 - \$15,000.00]. The
26 circumstances are as follows:

27 a. In and between November 1, 2006, and March 19, 2007, on numerous
28 occasions while working as a licensed pharmacist for Walgreens #6987, 355 So. Wilcox, Castle

1 Rock, Colorado, Respondent admittedly diverted the controlled substance Norco and its generic
2 (hydrocodone) from her employer, for her own use. In her handwritten statement, Respondent
3 admitted to printing a duplicate label of any prescription recently filled, pretended to scan and
4 weigh it, pretended to scan and check it, and then bagged it. She admittedly made sure the
5 prescription was something already sold so the patient would not pick it up, rather than pick it up
6 for herself. Respondent admitted that the filled prescription, described above, would be placed in
7 the "MD call back" drawers so it could not be given to a patient. She also admitted that she
8 would return the filled bottle of Norco to the shelf by the pharmacy's back door, and she would
9 grab the bottle and pocket it on her way out. In the store's bathroom, she put the filled bottle of
10 Norco in her own pocket and for her own use. Respondent believed she had diverted
11 approximately 1,800 Norco and hydrocodone tablets. Respondent prepared her handwritten
12 statement, dated and signed on March 19, 2007, admitting to the facts set forth hereinabove.

13 b. Walgreens CCTV captured Respondent removing the controlled substances
14 from the shelf when no prescriptions had been filled. Walgreens conducted an investigation,
15 interviewed Respondent where she made the above admissions and wrote her statement, and
16 turned over the case to the Castle Rock PD for arrest and prosecution.

17 c. Respondent's employer confirmed that her theft of the Norco and hydrocodone
18 totaled approximately 2,112 tablets and estimated the loss to Walgreens of \$1,978.21.
19 Respondent agreed to reimburse Walgreens the amount of \$1,978.21.

20 THIRD CAUSE FOR DISCIPLINE

21 (Committed Act Involving Moral Turpitude, Dishonesty,
22 Fraud, Deceit, or Corruption)

23 16. Respondent is subject to disciplinary action under Code section 4301, subdivision (f),
24 on the grounds of unprofessional conduct in that Respondent committed acts involving moral
25 turpitude, dishonesty, fraud, deceit, or corruption. The circumstances are set forth in paragraph
26 15, subparagraphs a through c, above, incorporated herein by this reference.

27 ///

28 ///

1 **FOURTH CAUSE FOR DISCIPLINE**

2 (False Representation of a State of Facts)

3 17. Respondent is subject to disciplinary action under Code section 4301, subdivision (g),
4 on the grounds of unprofessional conduct in that Respondent knowingly made or signed a
5 certificate or document falsely representing the existence or non-existence of a state of facts in
6 relation to the false prescription labels she created for controlled substances, as set forth in
7 paragraph 16, subparagraph a, above, incorporated herein by this reference.

8 **FIFTH CAUSE FOR DISCIPLINE**

9 (Self-Administration of Controlled Substance)

10 18. Respondent is subject to disciplinary action under Code section 4301, subdivision (h),
11 on the grounds of unprofessional conduct in that Respondent self-administered controlled
12 substances to the extent or in a manner as to be dangerous or injurious to herself, other persons or
13 the public, or to the extent the use impaired her ability to conduct with safety to the public the
14 practice of pharmacy. The circumstances are set forth in paragraph 15, subparagraph a, above,
15 incorporated herein by this reference.

16 **SIXTH CAUSE FOR DISCIPLINE**

17 (Violation of Laws Regulating Controlled Substances)

18 19. Respondent is subject to disciplinary action under Code section 4301, subdivision (j),
19 on the grounds of unprofessional conduct in that Respondent violated laws regulating controlled
20 substances and dangerous drugs. The circumstances are as follows:

21 a. On or about March 19 and 20, 2007, Respondent possessed controlled
22 substances Lortab, Norco, Vicodin, and hydrocodone tablets without a prescription in violation of
23 Code section 4060.

24 b. In and between November 1, 2006, and March 20, 2007, Respondent self-
25 administered and self-furnished controlled substances in violation of Health and Safety Code
26 section 11170.

27 c. In and between November 1, 2006, and March 20, 2007, Respondent obtained,
28 attempted to obtain, procured or attempted to procure the administration of or prescription of

1 controlled substances by fraud, deceit, subterfuge, or misrepresentation, or by the concealment of
2 a material fact, in violation of Health and Safety Code section 11173, subdivision (a).

3 d. In and between November 1, 2006, and March 20, 2007, Respondent made a
4 false statement in a prescription, order, report, or record relating to controlled substances in
5 violation of Health and Safety Code section 11173, subdivision (b).

6 **PRAYER**

7 **WHEREFORE**, Complainant requests that a hearing be held on the matters herein alleged,
8 and that following the hearing, the Board of Pharmacy issue a decision:

9 a. Revoking or suspending Pharmacist License Number RPH 52444, issued to Lynda J.
10 Budman

11 b. Ordering Lynda J. Budman to pay the Board of Pharmacy the reasonable costs of the
12 investigation and enforcement of this case, pursuant to Business and Professions Code section

2. Respondent was licensed to practice as a pharmacist in the State of Colorado on August 7, 1998, and was issued license number 15314, which Respondent has held continuously since that date.
3. Respondent hereby waives any further proof in this proceeding before the Board regarding the following facts.

6. On or around August 31, 2006, Respondent became employed at Walgreen's Store #6987, 355 Wilcox, Castle Rock, Colorado 80104.
