PETITION TO REVOKE PROBATION

12 **Pharmacy Technician License No. TCH 43751**

13 Respondent.

14
15 Complainant alleges:

16 PARTIES

17 1. Virginia Herold (Complainant) brings this Petition to Revoke Probation solely in her
18 official capacity as Executive Officer, Board of Pharmacy, Department of Consumer Affairs..

19 2. On or about October 16, 2002, the Board of Pharmacy issued Pharmacy Technician
20 License Number TCH 43751 to Steven Joseph Gutierrez (Respondent). The Pharmacy
21 Technician License was in effect at all times relevant to the allegations herein and will expire on
22 August 30, 2014, unless renewed. Since on or about October 18, 2013, the License has been the
23 subject of a disciplinary suspension from practice due to a positive drug test result (see below).

24 3. In a disciplinary action titled "In the Matter of the Accusation against Steven Joseph
25 Gutierrez," Case No. 4475, the Board of Pharmacy issued a decision, effective October 7, 2013, in
26 which Respondent's Pharmacy Technician License was revoked, with revocation stayed in favor
27 of probation for a period of five (5) years with certain terms and conditions of probation. A copy
28 of that decision is attached as exhibit A and is incorporated herein by reference.

1 designee, at Respondent's expense, for the entire probation period with the frequency of testing
2 determined by the Board or its designee, required Respondent to fully cooperate with the Board or
3 its designee and submit to testing as directed, and stated that any confirmed positive test for
4 alcohol or any drug not lawfully prescribed as part of a documented medical treatment would be
5 considered a violation of probation and would also result in Respondent's automatic suspension.

6 14. On or about October 14, 2013, a biological sample submitted by Respondent tested
7 positive for Marijuana. Respondent failed to provide a written explanation as directed.
8 Respondent's License was automatically suspended on or about October 18, 2013. This
9 confirmed positive test subjects Respondent's License to revocation.

10
11 OTHER MATTERS – EXTENSION OF PROBATION

12 15. At all times after the effective date (October 7, 2013) of the Decision and Order
13 imposing probation on Respondent's License, Term and Condition 20 of that Order provided:

14 **20. Violation of Probation.**

15 If respondent has not complied with any term or condition of probation, the board
16 shall have continuing jurisdiction over respondent, and probation shall automatically be
17 extended, until all terms and conditions have been satisfied or the board has taken other
18 action as deemed appropriate to treat the failure to comply as a violation of probation, to
19 terminate probation, and to impose the penalty that was stayed. If respondent violates
20 probation in any respect, the board, after giving respondent notice and an opportunity to be
21 heard, may revoke probation and carry out the disciplinary order that was stayed.

22 If a petition to revoke probation or an accusation is filed against respondent during
23 probation, the Board shall have continuing jurisdiction, and the period of probation shall be
24 extended until the petition to revoke probation or accusation is heard and decided.

25 16. Pursuant to the operation of Term and Condition 20 of the probation order applicable
26 to Respondent's License, probation is automatically extended by the filing hereof, and/or by
27 Respondent's failure to comply with the terms and conditions of probation, until such time as this
28 Petition to Revoke Probation is heard and decided, or until the Board has taken other action as
deemed appropriate to treat the failure to comply as a violation of probation.

DISCIPLINARY ORDER

IT IS HEREBY ORDERED that Pharmacy Technician License No. TCH 43751, issued to Steven Joseph Gutierrez (Respondent), is revoked. However, the revocation is stayed and Respondent is placed on probation for five (5) years on the following terms and conditions.

1. Certification Prior to Resuming Work

Respondent shall be automatically suspended from working as a pharmacy technician until he is certified as defined by Business and Professions Code section 4202(a)(4) and provides satisfactory proof of certification to the board. Respondent shall not resume working as a pharmacy technician until notified by the board. Failure to achieve certification within one (1) year shall be considered a violation of probation.

During suspension, respondent shall not enter any pharmacy area or any portion of any other board licensed premises (wholesaler, veterinary food-animal drug retailer or any other distributor of drugs), any drug manufacturer, or any other location where dangerous drugs and devices or controlled substances are maintained. Respondent shall not do any act involving drug selection, selection of stock, manufacturing, compounding or dispensing; nor shall respondent manage, administer, or assist any licensee of the board. Respondent shall not have access to or control the ordering, manufacturing or dispensing of dangerous drugs and devices or controlled substances. Respondent shall not resume work until notified by the board.

Failure to comply with this suspension shall be considered a violation of probation.

2. Obey All Laws

Respondent shall obey all state and federal laws and regulations.

Respondent shall report any of the following occurrences to the board, in writing, within seventy-two (72) hours of such occurrence:

- an arrest or issuance of a criminal complaint for violation of any provision of the Pharmacy Law, state and federal food and drug laws, or state and federal controlled substances laws
- a plea of guilty or nolo contendere in any state or federal criminal proceeding to any criminal complaint, information or indictment

- 1 a conviction of any crime
- 2 discipline, citation, or other administrative action filed by any state or federal agency
- 3 which involves respondent's pharmacy technician license or which is related to the
- 4 practice of pharmacy or the manufacturing, obtaining, handling, distributing, billing,
- 5 or charging for any drug, device or controlled substance.

6 Failure to timely report any such occurrence shall be considered a violation of probation.

7 **3. Report to the Board**

8 Respondent shall report to the board quarterly, on a schedule as directed by the board or its

9 designee. The report shall be made either in person or in writing, as directed. Among other

10 requirements, respondent shall state in each report under penalty of perjury whether there has

11 been compliance with all the terms and conditions of probation. Failure to submit timely reports

12 in a form as directed shall be considered a violation of probation. Any period(s) of delinquency

13 in submission of reports as directed may be added to the total period of probation. Moreover, if

14 the final probation report is not made as directed, probation shall be automatically extended until

15 such time as the final report is made and accepted by the board.

16 **4. Interview with the Board**

17 Upon receipt of reasonable prior notice, respondent shall appear in person for interviews

18 with the board or its designee, at such intervals and locations as are determined by the board or its

19 designee. Failure to appear for any scheduled interview without prior notification to board staff,

20 or failure to appear at two (2) or more scheduled interviews with the board or its designee during

21 the period of probation, shall be considered a violation of probation.

22 **5. Cooperate with Board Staff**

23 Respondent shall cooperate with the board's inspection program and with the board's

24 monitoring and investigation of respondent's compliance with the terms and conditions of his

25 probation. Failure to cooperate shall be considered a violation of probation.

26 **6. Notice to Employers**

27 During probation, respondent shall notify all present and prospective employers of the

28 decision in case number 4475 and the terms, conditions and restrictions imposed, as follows:

1 Within thirty (30) days of the effective date of this decision, and within fifteen (15) days of
2 respondent undertaking any new employment, respondent shall cause his direct supervisor,
3 pharmacist-in-charge (including each new pharmacist-in-charge employed during respondent's
4 tenure of employment) and owner to report to the board in writing acknowledging that the listed
5 individual(s) has/have read the decision in case number 4475 and the terms and conditions
6 imposed thereby. It shall be respondent's responsibility to ensure that his employer(s) and/or
7 supervisor(s) submit timely acknowledgement(s) to the board.

8 If respondent works for or is employed by or through a pharmacy employment service,
9 respondent must notify his direct supervisor, pharmacist-in-charge and owner at every pharmacy
10 of the terms and conditions of the decision in case number 4475 in advance of commencing work
11 at each pharmacy. A record of this notification must be provided to the board upon request.

12 Furthermore, within thirty (30) days of the effective date of this decision, and within fifteen
13 (15) days of respondent undertaking any new employment by or through a pharmacy employment
14 service, respondent shall cause his direct supervisor with the pharmacy employment service to
15 report to the board in writing acknowledging that he or she has read the decision in case number
16 4475 and the terms and conditions imposed thereby. It shall be respondent's responsibility to
17 ensure that his employer(s) and/or supervisor(s) submit timely acknowledgment(s) to the board.

18 Failure to timely notify present or prospective employer(s) or to cause employer(s) to
19 submit timely acknowledgements to the board shall be considered a violation of probation.

20 "Employment" within the meaning of this provision shall include any full-time,
21 part-time, temporary or relief service or pharmacy management service as a pharmacy
22 technician or in any position for which a pharmacy technician license is a requirement
23 or criterion for employment, whether the respondent is considered an employee,
24 independent contractor or volunteer.

25 7. **Status of License**

26 Respondent shall, at all times while on probation, maintain an active, current pharmacy
27 technician license with the board, including any period during which suspension or probation is
28 tolled. Failure to maintain an active, current license shall be considered a violation of probation.

1 If respondent's pharmacy technician license expires or is cancelled by operation of law or
2 otherwise at any time during the period of probation, including any extensions thereof due to
3 tolling or otherwise, upon renewal or reapplication respondent's license shall be subject to all
4 terms and conditions of this probation not previously satisfied.

5 **8. Notification of a Change in Employment, Name, Address, or Phone**

6 Respondent shall notify the board in writing within ten (10) days of any change of
7 employment. Said notification shall include the reasons for leaving, the address of the new
8 employer, the name of the supervisor and owner, and the work schedule if known. Respondent
9 shall further notify the board in writing within ten (10) days of a change in name, residence
10 address, mailing address, or phone number. Failure to timely notify the board of any change in
11 employer, name, address, or phone number shall be considered a violation of probation.

12 **9. No Ownership of Licensed Premises**

13 Respondent shall not own, have any legal or beneficial interest in, or serve as a manager,
14 administrator, member, officer, director, trustee, associate, or partner of any business, firm,
15 partnership, or corporation currently or hereinafter licensed by the board. Respondent shall sell
16 or transfer any legal or beneficial interest in any entity licensed by the board within ninety (90)
17 days following the effective date of this decision and shall immediately thereafter provide written
18 proof thereof to the board. Failure to timely divest any legal or beneficial interest(s) or provide
19 documentation thereof shall be considered a violation of probation.

20 **10. Reimbursement of Board Costs**

21 As a condition precedent to successful completion of probation, Respondent shall pay to the
22 board its costs of investigation and prosecution in the amount of \$2,305.00. Respondent shall be
23 permitted to pay these costs in a payment plan approved by the Board or its designee, so long as
24 full payment is made within fifty-four (54) months of the effective date of this decision. There is
25 to be no deviation from this schedule absent prior written approval by the Board or its designee.
26 Failure to pay costs by the deadline(s) as directed shall be considered a violation of probation.

27 The filing of bankruptcy by Respondent shall not relieve Respondent of his responsibility to
28 reimburse the board its costs of investigation and prosecution.

1 **11. Probation Monitoring Costs**

2 Respondent shall pay any costs associated with probation monitoring as determined by the
3 board each and every year of probation. Such costs shall be payable to the board on a schedule as
4 directed by the board or its designee. Failure to pay such costs by the deadline(s) as directed shall
5 be considered a violation of probation.

6 **12. Work Site Monitor**

7 Within ten (10) days of the effective date of this decision, respondent shall identify a work
8 site monitor, for prior approval by the board, who shall be responsible for supervising respondent
9 during working hours. Respondent shall be responsible for ensuring that the work site monitor
10 reports in writing to the board quarterly. Should the designated work site monitor determine at
11 any time during the probationary period that respondent has not maintained sobriety, he shall
12 notify the board immediately, either orally or in writing as directed. Should respondent change
13 employment, a new work site monitor must be designated, for prior approval by the board, within
14 ten (10) days of commencing new employment. Failure to identify an acceptable initial or
15 replacement work site monitor, or to ensure quarterly reports are submitted to the board, shall be
16 considered a violation of probation.

17 **13. Notification of Departure**

18 Prior to leaving the probationary geographic area designated by the board or its designee for
19 a period greater than twenty-four (24) hours, respondent shall notify the board verbally and in
20 writing of the dates of departure and return. Failure to comply with this provision shall be
21 considered a violation of probation.

22 **14. Employment Requirement: Tolling of Probation**

23 Except during periods of suspension, respondent shall, at all times while on probation, be
24 employed as a pharmacy technician in California for a minimum of ten (10) hours per calendar
25 month. Any month during which this minimum is not met shall toll the period of probation, i.e.,
26 the period of probation shall be extended by one month for each month during which this
27 minimum is not met. During any such period of tolling of probation, respondent must
28 nonetheless comply with all terms and conditions of probation.

1 Should respondent, regardless of residency, for any reason (including vacation) cease
2 working as a pharmacy technician for a minimum of ten (10) hours per calendar month in
3 California, respondent must notify the board in writing within ten (10) days of cessation of work
4 and must further notify the board in writing within ten (10) days of the resumption of the work.
5 Any failure to provide such notification(s) shall be considered a violation of probation.

6 It is a violation of probation for respondent's probation to remain tolled pursuant to the
7 provisions of this condition for a total period, counting consecutive and non-consecutive months,
8 exceeding thirty-six (36) months.

9 "Cessation of work" means a calendar month during which respondent is not
10 working for at least ten (10) hours as a pharmacy technician, as defined in Business
11 and Professions Code section 4115. "Resumption of work" means any calendar
12 month during which respondent is working for at least ten (10) hours as a pharmacy
13 technician as defined by Business and Professions Code section 4115.

14 **15. Attend Substance Abuse Recovery Relapse Prevention and Support Groups**

15 Within thirty (30) days of the effective date of this decision, respondent shall begin regular
16 attendance at a recognized and established substance abuse recovery support group in California,
17 (e.g., Alcoholics Anonymous, Narcotics Anonymous, etc.) that has been approved by the board or
18 its designee, attending at least one group meeting per week unless otherwise directed by the board
19 or its designee. Respondent shall continue regular attendance and submit signed and dated
20 documentation confirming attendance with each quarterly report for the duration of probation.
21 Failure to attend or submit documentation thereof shall be considered a violation of probation.

22 **16. Prescription Coordination and Monitoring of Prescription Use**

23 Within thirty (30) days of the effective date of this decision, respondent shall submit to the
24 board, for its prior approval, the name and qualifications of a single physician, nurse practitioner,
25 physician assistant, or psychiatrist of respondent's choice, who shall be aware of the respondent's
26 history with the use of methamphetamine and who will coordinate and monitor any prescriptions
27 for respondent for dangerous drugs, controlled substances or mood-altering drugs. The approved
28 practitioner shall be provided with a copy of the board's Accusation and decision.

1 A record of this notification must be provided to the board upon request. Respondent shall
2 sign a release authorizing the practitioner to communicate with the board about respondent's
3 treatment(s). The coordinating physician, nurse practitioner, physician assistant, or psychiatrist
4 shall report to the board on a quarterly basis for the duration of probation regarding respondent's
5 compliance with this condition. If any substances considered addictive have been prescribed, the
6 report shall identify a program for the time limited use of any such substances.

7 The board may require that the single coordinating physician, nurse practitioner, physician
8 assistant or psychiatrist be a specialist in addictive medicine, or consult a specialist in addictive
9 medicine. Should respondent, for any reason, cease supervision by the approved practitioner,
10 respondent shall notify the board immediately and, within thirty (30) days of ceasing, submit the
11 name of a replacement physician, nurse practitioner, physician assistant, or psychiatrist of
12 respondent's choice to the board or its designee for its prior approval. Failure to timely submit
13 the selected practitioner or replacement practitioner to the board for approval, or to ensure the
14 required reporting thereby on the quarterly reports, shall be considered a violation of probation.

15 If at any time an approved practitioner determines that respondent is unable to practice
16 safely or independently as a pharmacy technician, the practitioner shall notify the board
17 immediately by telephone and follow up by written letter within three (3) working days. Upon
18 notification by the board or its designee of this determination, respondent shall be automatically
19 suspended and shall not resume practice until notified by the board that practice may be resumed.

20 During any such suspension, respondent shall not enter any pharmacy area or any portion of
21 or any other board licensed premises (wholesaler, veterinary food-animal drug retailer or any
22 other distributor of drugs) any drug manufacturer, or any other location where dangerous drugs
23 and devices or controlled substances are maintained. Respondent shall not do any act involving
24 drug selection, selection of stock, manufacturing, compounding or dispensing; nor shall
25 respondent manage, administer, or assist any licensee of the board. Respondent shall not direct,
26 control or perform any aspect of the practice of pharmacy. Respondent shall not have access to or
27 control the ordering, manufacturing or dispensing of dangerous drugs and devices or controlled
28 substances. Respondent shall not resume work until notified by the board.

1 Failure to comply with any such suspension shall be considered a violation of probation.

2 **17. Abstain from Drugs and Alcohol Use**

3 Respondent shall completely abstain from the possession or use of alcohol, controlled
4 substances, dangerous drugs and their associated paraphernalia except when the drugs are
5 lawfully prescribed by a licensed practitioner as part of a documented medical treatment. Upon
6 request of the board or its designee, respondent shall provide documentation from the licensed
7 practitioner that the prescription for the drug was legitimately issued and is a necessary part of the
8 treatment of the respondent. Failure to timely provide such documentation shall be considered a
9 violation of probation. Respondent shall ensure that he is not in the same physical location as
10 individuals who are using illicit substances even if respondent is not personally ingesting the
11 drugs. Any possession or use of alcohol, controlled substances, or their associated paraphernalia
12 not supported by the documentation timely provided, and/or any physical proximity to persons
13 using illicit substances, shall be considered a violation of probation.

14 **18. Random Drug Screening**

15 Respondent, at his own expense, shall participate in random testing, including but not
16 limited to biological fluid testing (urine, blood), breathalyzer, hair follicle testing, or other drug
17 screening program as directed by the board or its designee. Respondent may be required to
18 participate in testing for the entire probation period and the frequency of testing will be
19 determined by the board or its designee. At all times respondent shall fully cooperate with the
20 board or its designee, and shall, when directed, submit to such tests and samples for the detection
21 of alcohol, narcotics, hypnotics, dangerous drugs or other controlled substances as the board or its
22 designee may direct. Failure to timely submit to testing as directed shall be considered a violation
23 of probation. Upon request of the board or its designee, respondent shall provide documentation
24 from a licensed practitioner that the prescription for a detected drug was legitimately issued and is
25 a necessary part of the treatment of the respondent. Failure to timely provide such documentation
26 shall be considered a violation of probation. Any confirmed positive test for alcohol or for any
27 drug not lawfully prescribed by a licensed practitioner as part of a documented medical treatment
28 shall be considered a violation of probation and shall result in respondent's automatic suspension.

1 Respondent may not resume work as a pharmacy technician until notified by the board in writing.

2 During any such suspension, respondent shall not enter any pharmacy area or any portion of
3 or any other board licensed premises (wholesaler, veterinary food-animal drug retailer or any
4 other distributor of drugs) any drug manufacturer, or any other location where dangerous drugs
5 and devices or controlled substances are maintained. Respondent shall not do any act involving
6 drug selection, selection of stock, manufacturing, compounding or dispensing; nor shall
7 respondent manage, administer, or assist any licensee of the board. Respondent shall not direct,
8 control or perform any aspect of the practice of pharmacy. Respondent shall not have access to or
9 control the ordering, manufacturing or dispensing of dangerous drugs and devices or controlled
10 substances. Respondent shall not resume work until notified by the board.

11 Failure to comply with any such suspension shall be considered a violation of probation.

12 19. License Surrender While on Probation/Suspension

13 Following the effective date of this decision, should respondent cease work due to
14 retirement or health, or be otherwise unable to satisfy the terms and conditions of probation,
15 respondent may tender his pharmacy technician license to the board for surrender. The board or
16 its designee shall have the discretion whether to grant the request for surrender or take any other
17 action it deems appropriate. Upon formal acceptance of the surrender of the license, respondent
18 will no longer be subject to the terms and conditions of probation. This surrender constitutes a
19 record of discipline and shall become a part of the respondent's license history with the board.

20 Upon acceptance of the surrender, respondent shall relinquish his pharmacy technician
21 license to the board within ten (10) days of notification by the board the surrender is accepted.
22 Respondent may not reapply for any license, permit, or registration from the board for three (3)
23 years from the effective date of the surrender. Respondent shall meet all requirements applicable
24 to the license sought as of the date the application for that license is submitted to the board.

25 20. Violation of Probation

26 If respondent has not complied with any term or condition of probation, the board shall
27 have continuing jurisdiction over respondent, and probation shall automatically be extended, until
28 all terms and conditions have been satisfied or the board has taken other action as deemed

1 appropriate to treat the failure to comply as a violation of probation, to terminate probation, and
 2 to impose the penalty that was stayed. If respondent violates probation in any respect, the board,
 3 after giving respondent notice and an opportunity to be heard, may revoke probation and carry out
 4 the disciplinary order that was stayed.

5 If a petition to revoke probation or an accusation is filed against respondent during
 6 probation, the board shall have continuing jurisdiction, and the period of probation shall be
 7 automatically extended until the petition to revoke probation or accusation is heard and decided.

8 **21. Completion of Probation**

9 Upon written notice by the board indicating successful completion of probation,
 10 respondent's pharmacy technician license will be fully restored.

12 ACCEPTANCE

13 I have carefully read the above Stipulated Settlement and Disciplinary Order and have fully
 14 discussed it with my attorney, Steven A. Flinn. I understand the stipulation and the effect it will
 15 have on my Pharmacy Technician License. I enter into this Stipulated Settlement and
 16 Disciplinary Order voluntarily, knowingly, and intelligently, and agree to be bound by the
 17 Decision and Order of the Board of Pharmacy.

18
 19 DATED: 6/19/13 Steven J. Gutierrez
 20 STEVEN JOSEPH GUTIERREZ
 21 Respondent

22 I have read and fully discussed with Respondent Steven Joseph Gutierrez the terms and
