IT IS FURTHER ORDERED that effective on the date of this Order, the pharmacist license of Lance J. Lundstad is SUSPENDED for a period of not less than five (5) years. In conjunction with the initial application for a stay of suspension Respondent must submit a current evaluation of his condition by a licensed physician which must contain specific treatment recommendations, and proof of satisfactory participation in a chemical dependence treatment program acceptable to the Board. The application shall contain proof satisfactory to the Board that Respondent is able to safely and reliably practice as a pharmacist.

Respondent may apply for consecutive three (3) month extensions of the stay of suspension, which shall be granted upon acceptable demonstration of compliance with the conditions and limitations imposed on the respondent for rehabilitation and practice during the prior three (3) month period. "Three months" means until the third regular Board meeting after the meeting at which any stay of suspension is granted.

b. The Board may without hearing deny an application for extension of the stay, or commence other appropriate action, upon receipt of information that respondent has violated any of the terms or conditions of this Order. If the Board denies the petition by the respondent for an extension, the Board shall afford an opportunity for hearing in accordance with the procedures set forth in ch. RL 1, Wis. Adm. Respondent shall not consume beverage alcohol for any purpose. Respondent shall have his physician report in writing to the supervising physician or therapist under paragraph 2.b.(1) all medications prescribed to the respondent within 3 days of such prescribing. Respondent shall in addition refrain from the consumption of over-the-counter medications or other substances which may mask consumption of controlled substances or of alcohol, or which may create false positive screening results, or which may interfere with respondent's treatment and rehabilitation.

b. Rehabilitation, Monitoring and Treatment Program. Respondent shall continue to participate in a rehabilitation, monitoring and treatment program acceptable to the Board for the treatment of chemical abuse and dependency. Such program shall consist of the following elements and requirements:

The supervising physician or therapist shall be responsible for the Respondent's total rehabilitation program. Such therapy shall be conducted by the supervising physician or therapist, or another qualified physician or therapist as designated by the supervising physician or therapist and acceptable to the Board. After the first year of stayed suspension, this requirement for therapy sessions may be modified only upon written petition, and a written recommendation by the supervising physician or therapist expressly supporting the modifications sought. A denial of such petition for modification shall not be deemed a denial of the license under §§ 227.01(3) or 227.42, Wis. Stats., or ch. RL 1, Wis. Adm. Code, and shall not be subject to any right to further hearing or appeal.

(3) AA/NA Meetings. f. All expenses of enrollment and participation in the Approved Program shall be borne by the Respondent. The Respondent shall keep any account for such payments current in all respects.

g. For purposes of further Board action under this Order it is rebuttably presumed that all confirmed positive test results are valid. Respondent has the burden of proof to establish by a preponderance of the evidence an error in collection, testing or other fault in the chain of custody which causes an invalid confirmed positive test result.

Any such petition shall be accompanied by written request of the supervising

pharmacist, which shall include a complete work schedule of all pharmacists employed in the pharmacy indicating the proposed work schedule and supervision pattern for respondent.
