7 own or hold an interest in any pharmacy in which he holds an interest at the time this decision
8 becomes effective unless otherwise specified in this order.

9 2. **Obey All Laws.** Respondent shall obey all state and federal laws and
10 regulations substantially related to or governing the practice of pharmacy.

11 Respondent shall report any of the following occurrences to the Board, in writing,
12 within 72 hours of such occurrence:

23 3. **Reporting to the Board.** Respondent shall report to the Board
24 quarterly. The report shall be made either in person or in writing, as directed. Respondent
25 shall state under penalty of perjury whether there has been compliance with all the terms and
26 conditions of probation. If the final probation report is **not** made as directed, probation shall
27 be extended automatically until such time as the final report is made and accepted by the
28 Board.

1 4. **Interview with the Board.** Upon receipt of reasonable notice,
2 Respondent shall appear in person for interviews with the Board upon request at various
3 intervals at a location to be determined by the Board. Failure to appear for a scheduled
4 interview without prior notification to Board staff shall be considered a violation of probation.

5 5. **Cooperation with Board Staff.** Respondent shall cooperate with the
6 Board's inspectional program and in the Board's monitoring and investigation of Respondent's
7 compliance with the terms and conditions of their probation. Failure to comply shall be
8 considered a violation of probation.

9 6. **Continuing Education.** Respondent shall provide evidence of efforts
10 to maintain skill and knowledge as a pharmacist as directed by the Board.

11 7. **Notice to Employers.** Respondent shall notify all present and
12 prospective employers of the decision in case number 3165 and the terms, conditions and
13 restrictions imposed on Respondent by the decision. Within 30 days of the effective date of
14 this decision, and within 15 days of Respondent undertaking new employment, Respondent
15 shall cause his direct supervisor, pharmacist-in-charge and/or owner to report to the Board in
16 writing acknowledging the employer has read the decision in case number 3165.

17 If Respondent works for or is employed by or through a pharmacy employment
18 service, Respondent must notify the direct supervisor, pharmacist-in-charge, and/or owner at
19 every pharmacy of the and terms conditions of the decision in case number 3165 in advance of
20 the Respondent commencing work at each pharmacy.

21 "Employment" within the meaning of this provision shall include any full-time, part-
22 time, temporary, relief or pharmacy management service as a pharmacist, whether the
23 Respondent is considered an employee or independent contractor.

24 8. **Consultant for Pharmacist-in-Charge.** Respondent shall not
25 supervise any intern pharmacist, perform the duties of a preceptor or serve as a consultant to
26 any entity licensed by the Board. In the event that the Respondent is currently the pharmacist-
27 in-charge of a pharmacy, the pharmacy shall retain an independent consultant at its own
28 expense who shall be responsible for reviewing pharmacy operations on a quarterly basis for

1 compliance by Respondent with state and federal laws and regulations governing the practice
2 of pharmacy and for compliance by Respondent with the obligations of a pharmacist-in-
3 charge. The consultant shall be a pharmacist licensed by and not on probation with the Board
4 and whose name shall be submitted to the Board for its prior approval within 30 days of the
5 effective date of this decision. Respondent shall not be a pharmacist-in-charge at more than
6 one pharmacy or at any pharmacy of which he is not the current PIC unless otherwise
7 approved by the board. The Board may for other reasons as deemed appropriate by the Board,
8 preclude the Respondent from acting as a pharmacist-in-charge.

9 **9. Reimbursement of Board Costs.** Respondent shall pay to the Board
10 its costs of investigation and prosecution in the amount of \$13,337.50. Said costs are assessed
11 jointly and severally with Raley's Central Pharmacy No. 949.

12 The filing of bankruptcy by Respondent shall not relieve Respondent of his
13 responsibility to reimburse the Board its costs of investigation and prosecution.

14 **10. Probation Monitoring Costs.** Respondent shall pay the costs
15 associated with probation monitoring as determined by the Board each and every year of
16 probation. Such costs shall be payable to the Board at the end of each year of probation.
17 Failure to pay such costs shall be considered a violation of probation.

18 **11. Status of License.** Respondent shall, at all times while on probation,
19 maintain an active current license with the Board, including any period during which
20 suspension or probation is tolled.

21 If Respondent's license expires or is canceled by operation of law or otherwise,
22 upon renewal or reapplication, Respondent's license shall be subject to all terms and
23 conditions of this probation not previously satisfied.

24 **12. License Surrender while on Probation/Suspension.** Following the
25 effective date of this decision, should Respondent cease practice due to retirement or health,
26 or be otherwise unable to satisfy the terms and conditions of probation, Respondent may
27 tender their license to the Board for surrender. The Board shall have the discretion whether to
28 grant the request for surrender or take any other action it deems appropriate and reasonable.

1 Upon formal acceptance of the surrender of the license, Respondent will no longer be subject
2 to the terms and conditions of probation.

3 Upon acceptance of the surrender, Respondent shall relinquish his pocket
4 license to the Board within 10 days of notification by the Board that the surrender is accepted.
5 Respondent may not reapply for any license from the Board for three years from the effective
6 date of the surrender. Respondent shall meet all requirements applicable to the license sought
7 as of the date the application for that license is submitted to the Board.

8 **13. Notification of Employment/Mailing Address Change.** Respondent
9 shall notify the Board in writing within 10 days of any change of employment. Said
10 notification shall include the reasons for leaving and/or the address of the new employer,
11 supervisor or owner and work schedule if known. Respondent shall notify the Board in
12 writing within 10 days of a change in name, mailing address or phone number.

13 **14. Tolling of Probation.** Should Respondent, regardless of residency, for
14 any reason cease practicing pharmacy for a minimum of 40 hours per calendar month in
15 California, Respondent must notify the Board in writing within 10 days of cessation of the
16 practice of pharmacy or the resumption of the practice of pharmacy. Such periods of time
17 (excepting the suspension period) shall not apply to the reduction of the probation period. It is
18 a violation of probation for Respondent's probation to remain tolled pursuant to the provisions.
19 of this condition for a period exceeding three years.

20 "Cessation of practice" means any period of time exceeding 30 days in which
21 Respondent is not engaged in the practice of pharmacy as defined in Section 4052 of the
22 Business and Professions Code.

23 **15. Violation of Probation.** If Respondent violates probation in any
24 respect, the Board, after giving Respondent notice and an opportunity to be heard, may revoke
25 probation and carry out the disciplinary order which was stayed. If a petition to revoke
26 probation or an accusation is filed against Respondent during probation, the Board shall have
27 continuing jurisdiction and the period of probation shall be extended, until the petition to
28 revoke probation or accusation is heard and decided.

1 If Respondent has not complied with any term or condition of probation, the
2 Board shall have continuing jurisdiction over Respondent, and probation shall automatically
3 be extended until all terms and conditions have been satisfied or the Board has taken other
4 action as deemed appropriate to treat the failure to comply as a violation of probation, to
5 terminate probation, and to impose the penalty which was stayed.

6 16. **Completion of Probation.** Upon successful completion of probation,
7 Respondent's license will be fully restored.

8 17. **Community Services Program.** Within 60 days of the effective date
9 of this decision, Respondent shall submit to the Board, for its prior approval, a community
10 service program in which Respondent shall provide free services to benefit the community on
11 a regular basis to a community or charitable facility or agency for at least 100 hours within the
12 first three (3) years of probation.

13 18. **Remedial Education.** Within 30 days of the effective date of this
14 decision, Respondent shall submit to the Board, for its prior approval, an appropriate program
15 of remedial education related to Identifying/preventing drug losses. The program of remedial
16 education shall consist of at least six (6) hours, which shall be completed within the first year
17 of probation at Respondent's own expense. The period of probation shall be extended until
18 such remedial education is successfully completed and written proof, in a form acceptable to
19 the Board, is provided to the Board. All remedial education shall be in addition to continuing
20 education courses used for license renewal purposes. Failure to complete the remedial
21 education as set forth herein above is grounds for the filing of a petition to revoke probation.

22 Following the completion of each course, the Board may administer an
23 examination to test the Respondent's knowledge of the course.

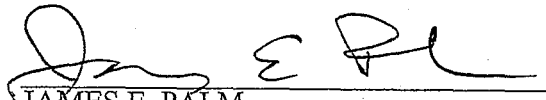

24 19. **No Ownership of Premises.** Except as the board may otherwise allow,
25 in its sole discretion, respondent shall not own, have any legal or beneficial interest in, or
26 serve as a manager, administrator, member, officer, director, associate, or partner of any
27 business, firm, partnership, or corporation currently or hereinafter licensed by the Board.
28 Respondent shall sell or transfer any legal or beneficial interest in any entity licensed by the

1 Board within 90 days following the effective date of this decision and shall immediately
2 thereafter provide written proof thereof to the Board. This provision shall be read in
3 conjunction with, and harmonized with, paragraph 8 above.

1 STATEMENT OF FACTS

2 11. On and between the dates of March of 2006 and 8/13/2007, pharmacy
3 clerk, Capernaum Chapman, who was employed at respondent Raley's stole an undetermined
4 number of various controlled substances and dangerous drugs. The theft was carried out by Mr.
5 Chapman placing bottles of newly received controlled substances and dangerous drugs in a
6 garbage can after the pharmacist had finished the check-in process. Chapman would later take
7 out the garbage and dump it into the dumpsters behind the facility. The trash containers were
8 normally secured by locks, but were left open by Chapman. After his shift was over, Chapman
9 would return to the dumpsters and remove the bags.

10 12. In order to cover up his theft, Chapman would then access the computer
11 system and adjust the inventory levels on the items he had diverted earlier into the garbage cans.
12 Chapman had complete access and ability to manipulate Raley's inventory levels without
13 tracking and supervision. Raley's computer system did not track user access and changes to their
14 inventory levels. There were no warnings in Raley's inventory system or financial auditing to
15 indicate a diversion concern.

16 13. On 8/13/07 Chapman did not report for work. Chapman had been arrested
17 and was in jail charged with the sale or transport of controlled substances. Chapman was
18 subsequently terminated for job abandonment.

19 14. An internal audit covering a period of 23 months (9/16/2005 to 8/15/2007)
20 revealed a preliminary shortage of approximately 225,816 tablets of generic Norco and Vicodin.
21 There were also shortages and overages in a number of other controlled substances and
22 dangerous drugs.
