9. Government Code section 11506 states, in pertinent part:

(c) The respondent shall be entitled to a hearing on the merits if the respondent files a notice of defense, and the notice shall be deemed a specific denial of all parts of the accusation not expressly admitted. Failure to file a notice of defense shall constitute a waiver of respondent's right to a hearing, but the agency in its discretion may nevertheless grant a hearing.

10. Respondent failed to file a Notice of Defense within 15 days after service upon him of the Accusation and Petition to Revoke Probation, and therefore waived his right to a hearing on the merits of Accusation and Petition to Revoke Probation No. CI 2006 32444.

11. California Government Code section 11520 states, in pertinent part:

(a) If the respondent either fails to file a notice of defense or to appear at the hearing, the agency may take action based upon the respondent's express admissions or upon other evidence and affidavits may be used as evidence without any notice to respondent.

12. Pursuant to its authority under Government Code section 11520, the Board of Pharmacy finds Respondent is in default. The Board of Pharmacy will take action without further hearing and, based on the evidence on file herein, finds that the allegations in the Accusation and Petition to Revoke Probation No. CI 2006 32444 are true.

13. The total cost for investigation and enforcement in connection with the Accusation and Petition to Revoke Probation are \$3,594.00 (three thousand five hundred ninety four dollars) as of March 24, 2009.

DETERMINATION OF ISSUES

1. Based on the foregoing findings of fact, Respondent Adam David Pittman, has subjected his Pharmacist License No. RPH 51848 to discipline.

2. A copy of the Accusation and Petition to Revoke Probation is attached.

11 that was previously ordered in the underlying matter of the Accusation Against Adam David
12 Pittman, No. 2741, effective May 31, 2006, based upon Respondent's violation of the
13 following conditions of his probation, as alleged in Accusation and Petition to Revoke Probation

19
20 Complainant alleges:

21 PARTIES

22 1. Virginia K. Herold (Complainant) brings this Accusation and Petition to
23 Revoke Probation solely in her official capacity as the Executive Officer of the Board of
24 Pharmacy.

25 2. On or about September 7, 2000, the Board of Pharmacy issued Pharmacist
26 License No. RPH 51848 to Adam David Pittman (Respondent). Said license was suspended on
27 April 4, 2007, as described below at paragraph 34. The license expired on August 31, 2008, and
28 has not been renewed.

1 or to any other person or to the public, or to the extent that the use impairs the
2 ability of the person to conduct with safety to the public the practice authorized by
3 the license.

4 (k) The conviction of more than one misdemeanor or any felony involving
5 the use, consumption, or self-administration of any dangerous drug or alcoholic
6 beverage, or any combination of those substances.

7 (l) The conviction of a crime substantially related to the qualifications,
8 functions, and duties of a licensee under this chapter. The record of conviction of
9 a violation of Chapter 13 (commencing with Section 801) of Title 21 of the
10 United States Code regulating controlled substances or of a violation of the
11 statutes of this state regulating controlled substances or dangerous drugs shall be
12 conclusive evidence of unprofessional conduct. In all other cases, the record of
13 conviction shall be conclusive evidence only of the fact that the conviction
14 occurred. The board may inquire into the circumstances surrounding the
15 commission of the crime, in order to fix the degree of discipline or, in the case of
16 a conviction not involving controlled substances or dangerous drugs, to determine
17 if the conviction is of an offense substantially related to the qualifications,
18 functions, and duties of a licensee under this chapter. A plea or verdict of guilty
19 or a conviction following a plea of nolo contendere is deemed to be a conviction
20 within the meaning of this provision. The board may take action when the time
21 for appeal has elapsed, or the judgment of conviction has been affirmed on appeal
22 or when an order granting probation is made suspending the imposition of
23 sentence, irrespective of a subsequent order under Section 1203.4 of the Penal
24 Code allowing the person to withdraw his or her plea of guilty and to enter a plea
25 of not guilty, or setting aside the verdict of guilty, or dismissing the accusation,
26 information, or indictment.

27

28 7. Section 482 of the Code states:

Each board under the provisions of this code shall develop criteria to
evaluate the rehabilitation of a person when:

(a) Considering the denial of a license by the board under Section 480; or

(b) Considering suspension or revocation of a license under Section 490.

Each board shall take into account all competent evidence of rehabilitation
furnished by the applicant or licensee.

8. Section 490 of the Code states:

(a) In addition to any other action that a board is permitted to take against
a licensee, a board may suspend or revoke a license on the ground that the licensee
has been convicted of a crime, if the crime is substantially related to the
qualifications, functions, or duties of the business or profession for which the
license was issued.

(b) Notwithstanding any other provision of law, a board may exercise any
authority to discipline a licensee for conviction of a crime that is independent of
the authority granted under subdivision (a) only if the crime is substantially

1 related to the qualifications, functions, or duties of the business or profession for
2 which the licensee's license was issued.

3 (c) A conviction within the meaning of this section means a plea or verdict
4 of guilty or a conviction following a plea of nolo contendere. Any action that a
5 board is permitted to take following the establishment of a conviction may be
6 taken when the time for appeal has elapsed, or the judgment of conviction has
7 been affirmed on appeal, or when an order granting probation is made suspending
8 the imposition of sentence, irrespective of a subsequent order under the provisions
9 of Section 1203.4 of the Penal Code.

10 (d) The Legislature hereby finds and declares that the application of this
11 section has been made unclear by the holding in *Petropoulos v. Department of
12 Real Estate* (2006) 142 Cal.App.4th 554, and that the holding in that case has
13 placed a significant number of statutes and regulations in question, resulting in
14 potential harm to the consumers of California from licensees who have been
15 convicted of crimes. Therefore, the Legislature finds and declares that this section
16 establishes an independent basis for a board to impose discipline upon a licensee,
17 and that the amendments to this section made by Senate Bill 797 of the 2007-08
18 Regular Session do not constitute a change to, but rather are declaratory of,
19 existing law.

20 9. Section 492 of the Code states:

21 Notwithstanding any other provision of law, successful completion of any
22 diversion program under the Penal Code, or successful completion of an alcohol
23 and drug problem assessment program under Article 5 (commencing with section
24 23249.50) of Chapter 12 of Division 11 of the Vehicle Code, shall not prohibit
25 any agency established under Division 2 ([Healing Arts] commencing with
26 Section 500) of this code, or any initiative act referred to in that division, from
27 taking disciplinary action against a licensee or from denying a license for
28 professional misconduct, notwithstanding that evidence of that misconduct may
be recorded in a record pertaining to an arrest.

This section shall not be construed to apply to any drug diversion program
operated by any agency established under Division 2 (commencing with Section
500) of this code, or any initiative act referred to in that division.

10. Section 493 of the Code states:

Notwithstanding any other provision of law, in a proceeding conducted by
a board within the department pursuant to law to deny an application for a license
or to suspend or revoke a license or otherwise take disciplinary action against a
person who holds a license, upon the ground that the applicant or the licensee has
been convicted of a crime substantially related to the qualifications, functions, and
duties of the licensee in question, the record of conviction of the crime shall be
conclusive evidence of the fact that the conviction occurred, but only of that fact,
and the board may inquire into the circumstances surrounding the commission of
the crime in order to fix the degree of discipline or to determine if the conviction
is substantially related to the qualifications, functions, and duties of the licensee in
question.

As used in this section, 'license' includes 'certificate,' 'permit,'
'authority,' and 'registration.'"

1 11. Section 118, subdivision (b), of the Code provides that the suspension,
2 expiration, surrender, or cancellation of a license shall not deprive the Board of jurisdiction to
3 proceed with a disciplinary action during the period within which the license may be renewed,
4 restored, reissued or reinstated.

5 **REGULATIONS**

6 12. California Code of Regulations, title 16, section 1704, states:

7 Each person holding a certificate, license, permit, registration or
8 exemption to practice or engage in any activity in the State of California under
9 any and all laws administered by the Board shall file a proper and current
10 residence address with the Board at its office in Sacramento and shall within 30
11 days notify the Board at its said office of any and all changes of residence address,
12 giving both the old and new address.

13 13. California Code of Regulations, title 16, section 1770, states:

14 For the purpose of denial, suspension, or revocation of a
15 personal or facility license pursuant to Division 1.5 (commencing with
16 Section 475) of the Business and Professions Code, a crime or act shall
17 be considered substantially related to the qualifications, functions or
18 duties of a licensee or registrant if to a substantial degree it evidences
19 present or potential unfitness of a licensee or registrant to perform the
20 functions authorized by his license or registration in a manner
21 consistent with the public health, safety, or welfare.

22 14. California Code of Regulations, title 16, section 1769,
23 subdivision(b), states:

24 When considering the suspension or revocation of a facility
25 or personal license on the ground that the licensee or the registrant
26 has been convicted of a crime, the board in evaluating the
27 rehabilitation of such person and her present eligibility for a license
28 will consider the following:

- 29 (1) The nature and severity of the act(s) or offense(s).
- 30 (2) Total criminal record.
- 31 (3) Time that has elapsed since the commission of the act(s) or
32 offense(s).
- 33 (4) Whether the licensee has complied with all terms of parole,
34 probation, restitution, or any other sanctions lawfully imposed against the
35 licensee.
- 36 (5) Evidence, if any, of rehabilitation submitted by the licensee.

1 **COST RECOVERY**

2 15. Section 125.3 of the Code states, in pertinent part, that the Board may
3 request the administrative law judge to direct a licentiate found to have committed a violation or
4 violations of the licensing act to pay a sum not to exceed the reasonable costs of the investigation
5 and enforcement of the case.

6 **FACTS**

7 **Re: PREVIOUS DISCIPLINE**

8 16. In a disciplinary action entitled *In the Matter of the Accusation Against*
9 *Adam David Pittman*, Accusation Case No. 2741, before the Board of Pharmacy, Respondent
10 entered into a Stipulated Settlement whereby he admitted all allegations contained in Accusation
11 No. 2741. Respondent agreed to comply with the Board's final decision in the matter. The
12 Board's final decision adopted the Stipulated Settlement, effective May 31, 2006. Accordingly,
13 Respondent's Pharmacist License was revoked. However, the revocation was stayed and
14 Respondent was placed on probation for a period of five (5) years with certain terms and
15 conditions. A copy of that decision is attached as Exhibit A and is incorporated by reference.

16 17. On or about July 11, 2006, Respondent met with a Board representative
17 and received a full explanation and opportunity to discuss all of the terms and conditions of his
18 probation. Thereafter, on July 11, 2006, Respondent signed a declaration stating that he
19 thoroughly understood the terms and conditions of his probation and that failure to comply may
20 result in further disciplinary action.

21 18. Since the initiation of his probation, Respondent has failed to comply with
22 several terms and conditions of his probation, as described below in detail.

23 **Re: CRIMINAL CONVICTIONS**

24 19. On or about on or about January 24, 2007, in a criminal proceeding
25 entitled *People v. Adam David Pittman*, in Superior Court of Riverside County, Case No.
26 SWM056598, Respondent was convicted by his plea of guilty of violating Vehicle Code section
27 23152, subdivisions (a) and (b) (driving under the influence of alcohol - second offense) and
28 Vehicle Code section 4106.2, subdivision (a) (driving with suspended license).

1 a. The facts and circumstances underlying Respondent's January 2007
2 conviction are that on or about December 8, 2006, a Hemet Police Department (HPD) officer
3 received a dispatch advisement of a suspected drunk driver. Soon thereafter, the officer saw that
4 a California Highway Patrol (CHP) officer was in the process of making a traffic stop of
5 Respondent's vehicle. The CHP officer initiated the traffic stop when he observed Respondent
6 driving his car down the wrong side of the road i.e., traveling west-bound in the east-bound
7 traffic lanes. The CHP officer had to swerve his patrol car in order to avoid being hit by
8 Respondent's car. The HPD officer smelled a strong odor of alcohol coming from Respondent's
9 person and observed Respondent's glassy, watery eyes. Respondent refused to perform a field
10 sobriety test. The HPD officer then arrested Respondent and transported him to the HPD where
11 Respondent submitted to a blood alcohol test.

12 b. Respondent was sentenced to the following: four (4) years summary
13 probation; fifteen (15) days in the custody of the Riverside County Jail to be served on
14 consecutive weekends beginning February 7, 2007; install an Ignition Interlock Device on all
15 vehicles owned or operated; complete Drinking Driver Program; submit to random fluid tests;
16 and, fines in the amount of approximately \$1,500.00.

17 c. On or about February 20, 2007, Respondent failed to appear for his
18 probation review hearing regarding installation of an Interlock Ignition Device on his vehicle(s).

19 d. On or about March 21, 2007, Respondent failed to appear for his probation
20 review hearing regarding his failure to install an Interlock Ignition Device on his vehicle.
21 Respondent's probation was immediately revoked and a bench warrant was issued for his arrest.

22 e. On or about August 30, 2007, Respondent failed to appear for his
23 probation review hearing regarding the following violation of his probation terms: Respondent
24 violated his probation term No. 1 in that he failed to comply with the court-ordered terms of his
25 probation; Respondent violated his probation term No. 2 in that he failed to report to the
26 Riverside County Jail on February 7, 2007, or on any date thereafter, to begin weekend custody;
27 Respondent violated his probation term No. 6 in that he failed to install an Interlock Ignition
28 Device on his vehicle(s); and, Respondent violated his probation term No. 7 in that he failed to

1 enroll in the Drinking Driver Program. A new bench warrant was issued for Respondent's arrest,
2 and bail on the warrant was increased from \$9,999.00 to \$15,000.00.

3 f. On or about June 27, 2008, Respondent admitted violating his probation
4 terms as alleged. Respondent's sentence was modified to require that he re-enrol in the Drinking
5 Driver Program and report to financial services within two (2) business days. All other terms of
6 probation were reinstated and it is scheduled for completion on or about January 23, 2011.

7 20. On or about July 22, 2004, in a criminal proceeding entitled *People v.*
8 *Adam David Pittman*, in Superior Court of Riverside County, Case No. SWM 026145,
9 Respondent was convicted, by his plea of guilty, of violating Vehicle Code section 23152,
10 subdivision (b) (driving under the influence of alcohol with a blood alcohol content greater
11 than 0.08). Respondent was sentenced to the following: three (3) years summary probation;
12 twenty five (25) days in the custody of the Riverside County Jail to be served on consecutive
13 weekends; complete First Time Offender DUI program; submit to random fluid tests; and, fines
14 in the amount of approximately \$1,400.00 (one thousand four hundred dollars).

15 a. On or about June 7, 2007, Respondent failed to appear for his hearing regarding
16 his violation of probation terms four (4) and five (5), failure to pay ordered fines and restitution.
17 Respondent's probation was revoked and a bench warrant was issued for his arrest, with bail set
18 at \$5,000.00 (five thousand dollars).

19 b. On or about June 27, 2007, Respondent admitted the alleged probation
20 violation. Respondent's probation was reinstated and his sentence was modified to require that
21 he report to financial services within two (2) business days. All other terms of Respondent's
22 probation were reinstated and were scheduled to expire on August 11, 2008.
