STIPULATED SETTLEMENT AND
DISCIPLINARY ORDER

14 **Pharmacist License No. RPH 49590**

15 Respondent.

16 In the interest of a prompt and speedy settlement of this matter, consistent with the public
17 interest and the responsibility of the Board of Pharmacy of the Department of Consumer Affairs,
18 the parties hereby agree to the following Stipulated Settlement and Disciplinary Order which will
19 be submitted to the Board for approval and adoption as the final disposition of the Accusation.

20 PARTIES

21 1. Virginia Herold (Complainant), Executive Officer of the Board of Pharmacy, brought
22 this action solely in her official capacity and is represented in this matter by Edmund G. Brown
23 Jr., Attorney General of the State of California, by Joshua A. Room, Deputy Attorney General.

24 2. Ellen M. Oertli (Respondent) is representing herself in this proceeding and has
25 chosen not to exercise her right to be represented by counsel.

26 3. On or about August 26, 1997, the Board of Pharmacy issued Pharmacist License No.
27 RPH 49590 to Respondent. The License was in full force and effect at all times relevant to the
28 charges brought in Accusation No. 3344 and will expire on February 28, 2011, unless renewed.

1 CONTINGENCY

2 11. This stipulation shall be subject to approval by the Board of Pharmacy. Respondent
3 understands and agrees that counsel for Complainant and the staff of the Board may communicate
4 directly with the Board regarding this stipulation and settlement, without notice to or participation
5 by Respondent. By signing the stipulation, Respondent understands and agrees that she may not
6 withdraw her agreement or seek to rescind the stipulation prior to the time the Board considers
7 and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order, the
8 Stipulated Settlement and Disciplinary Order shall be of no force or effect, except for this
9 paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not
10 be disqualified from further action by having considered this matter.

11 12. The parties understand and agree that facsimile copies of this Stipulated Settlement
12 and Disciplinary Order, including facsimile signatures thereto, shall have the same force and
13 effect as the originals.

14 13. In consideration of the foregoing admissions and stipulations, the parties agree that
15 the Board may, without further notice or formal proceeding, issue and enter the following
16 Disciplinary Order:

17 DISCIPLINARY ORDER

18 IT IS HEREBY ORDERED that Pharmacist License No. RPH 49590, issued to Ellen M.
19 Oertli (Respondent), is revoked. However, the revocation is stayed and Respondent is placed on
20 probation for five (5) years on the following terms and conditions.

21 1. **Out of State Residence and Practice**

22 Due to financial hardship, respondent has reported her imminent intention to relocate to the
23 State of Washington, where she is also licensed as a pharmacist (License No. PH00009481).

24 Respondent shall notify the board in writing within ten (10) days of her move to the State of
25 Washington, and shall provide the board with her residence address, her mailing address (if
26 different), her phone number, and the name and address of her employer (if any). If respondent
27 has already moved as of the effective date of this decision, Respondent shall notify the board of
28 this information by no later than ten (10) days after the effective date of this decision.

1 If respondent has already moved as of the effective date of this decision, the probation shall
2 commence on the effective date but be immediately tolled. If respondent relocates subsequent to
3 the effective date of this decision, probation shall be tolled as of the date that respondent provides
4 the required written notice to the board. If respondent fails to provide the required written notice
5 of relocation in timely fashion or fails to timely provide her contact and employment information,
6 probation will not be tolled and either failure will be considered a violation of probation.

7 During any period of tolling pursuant to this provision, respondent is required to satisfy and
8 comply with terms and conditions 1 (Out of State Residence and Practice) through 9 (Abstain
9 from Drug and Alcohol Possession or Use), inclusive. During such period of tolling, respondent
10 shall not be required to comply with terms and conditions 10 (Supervised Practice) through 19
11 (Tolling of Probation), inclusive; such terms and conditions will be effective after tolling ends.
12 Terms and conditions 20, 21, 22, and 23 shall remain in effect regardless of tolling or suspension.

13 Any period of tolling pursuant to this provision shall not count toward satisfaction of the
14 term of probation, i.e., the period of probation shall be extended for a period equal to any period
15 during which it is tolled pursuant to this provision. For instance, if respondent has already moved
16 as of the effective date of this decision, the period of probation shall remain a full five (5) years.

17 Should respondent at any time following her relocation to the State of Washington return to
18 the State of California and take up residency, she shall notify the board in writing within ten (10)
19 days, and provide the board with her residence address, mailing address (if different), phone
20 number, and the name and address of her employer (if any). Tolling shall cease and the probation
21 period shall re-commence as of the date that respondent provides the required written notice to
22 the board. If respondent fails to provide the required written notice of return in timely fashion or
23 fails to timely provide her contact and employment information, the probation period will not
24 begin running and either failure will be considered a violation of probation.

25 Respondent shall be permitted to toll the full effectiveness of probation pursuant to this
26 provision only until January 1, 2016. On or prior to that date, respondent shall return to the State
27 of California for residency and commence the full service of her probation, including compliance
28 with all terms and conditions. Failure to timely do so will be considered a violation of probation.

1 **2. Obey All Laws**

2 Respondent shall obey all state and federal laws and regulations.

3 Respondent shall report any of the following occurrences to the board, in writing, within
4 seventy-two (72) hours of such occurrence:

- 5 • an arrest or issuance of a criminal complaint for violation of any provision of the
6 Pharmacy Law, state and federal food and drug laws, or state and federal controlled
7 substances laws
- 8 • a plea of guilty or nolo contendere in any state or federal criminal proceeding to any
9 criminal complaint, information or indictment
- 10 • a conviction of any crime
- 11 • discipline, citation, or other administrative action filed by any state or federal agency
12 which involves respondent's Pharmacist License or which is related to the practice of
13 pharmacy or the manufacturing, obtaining, handling, distributing, billing, or charging
14 for any drug, device or controlled substance.

15 Failure to timely report such occurrence shall be considered a violation of probation.

16 **3. Report to the Board**

17 Respondent shall report to the board quarterly, on a schedule as directed by the board or its
18 designee. The report shall be made either in person or in writing, as directed. Among other
19 requirements, respondent shall state in each report under penalty of perjury whether there has
20 been compliance with all the terms and conditions of probation. Failure to submit timely reports
21 in a form as directed shall be considered a violation of probation. Any period(s) of delinquency
22 in submission of reports as directed may be added to the total period of probation. Moreover, if
23 the final probation report is not made as directed, probation shall be automatically extended until
24 such time as the final report is made and accepted by the board.

25 **4. Interview with the Board**

26 Upon receipt of reasonable prior notice, respondent shall appear in person for interviews
27 with the board or its designee, at such intervals and locations as are determined by the board or its
28 designee. Failure to appear for any scheduled interview without prior notification to board staff,
or failure to appear for two (2) or more scheduled interviews with the board or its designee during
the period of probation, shall be considered a violation of probation.

1 **5. Cooperate with Board Staff**

2 Respondent shall cooperate with the board's inspection program and with the board's
3 monitoring and investigation of respondent's compliance with the terms and conditions of her
4 probation. Failure to cooperate shall be considered a violation of probation.

5 **6. Continuing Education**

6 Respondent shall provide evidence of efforts to maintain skill and knowledge as a
7 pharmacist as directed by the board or its designee.

8 **7. Status of License**

9 Respondent shall, at all times while on probation, maintain an active, current license with
10 the board, including any period during which suspension or probation is tolled. Failure to
11 maintain an active, current license shall be considered a violation of probation.

12 If respondent's license expires or is cancelled by operation of law or otherwise at any time
13 during the period of probation, including any extensions thereof due to tolling or otherwise, upon
14 renewal or reapplication respondent's license shall be subject to all terms and conditions of this
15 probation not previously satisfied.

16 **8. Notification of a Change in Name, Residence Address, Mailing Address or**
17 **Employment**

18 Respondent shall notify the board in writing within ten (10) days of any change of
19 employment. Said notification shall include the reasons for leaving, the address of the new
20 employer, the name of the supervisor and owner, and the work schedule if known. Respondent
21 shall further notify the board in writing within ten (10) days of a change in name, residence
22 address, mailing address, or phone number.

23 Failure to timely notify the board of any change in employer(s), name(s), address(es), or
24 phone number(s) shall be considered a violation of probation.

25 **9. Abstain from Drug and Alcohol Possession or Use**

26 Respondent shall completely abstain from the possession or use of alcohol, controlled
27 substances, dangerous drugs and their associated paraphernalia except when the drugs are
28 lawfully prescribed by a licensed practitioner as part of a documented medical treatment.

1 Upon request of the board or its designee, respondent shall provide documentation from the
2 licensed practitioner that the prescription for the drug was legitimately issued and is a necessary
3 part of the treatment of the respondent. Failure to timely provide such documentation shall be
4 considered a violation of probation. Respondent shall ensure that she is not in the same physical
5 location as individuals who are using illicit substances even if respondent is not personally
6 ingesting the drugs. Any possession or use of alcohol, controlled substances, or their associated
7 paraphernalia not supported by the documentation timely provided, and/or any physical proximity
8 to persons using illicit substances, shall be considered a violation of probation.

9 **10. Supervised Practice**

10 Except during any period of tolling due to out-of-state residence, during the period of
11 probation respondent shall practice only under the supervision of a licensed pharmacist not on
12 probation with the board. Except during any period of tolling due to out-of-state residence, upon
13 and after the effective date of this decision, respondent shall not practice pharmacy and her
14 license shall be automatically suspended, until a supervisor is approved by the board or its
15 designee. The supervision shall be, as required by the board or its designee, either:

16 Continuous – At least 75% of a work week

17 Substantial - At least 50% of a work week

18 Partial - At least 25% of a work week

19 Daily Review - Supervisor's review of probationer's daily activities within 24 hours

20 Except during any period of tolling due to out-of-state residence, within thirty (30) days of
21 the effective date of this decision, respondent shall have her supervisor submit notification to the
22 board in writing stating that the supervisor has read the decision in case number 3344 and is
23 familiar with the required level of supervision required by the board or its designee. It is
24 respondent's responsibility to ensure that her employer(s), pharmacist-in-charge and/or
25 supervisor(s) submit timely acknowledgment(s) to the board. Failure to cause the direct
26 supervisor and pharmacist-in-charge to submit timely acknowledgments to the board shall be
27 considered a violation of probation.

28 ///

1 Except during any period of tolling due to out-of-state residence, if respondent changes
2 employment, it shall be the respondent's responsibility to ensure that her employer(s),
3 pharmacist-in-charge and/or supervisor(s) submit timely acknowledgement(s) to the board.
4 Respondent shall have her new supervisor, within fifteen (15) days after employment
5 commences, submit notification to the board in writing stating the direct supervisor and
6 pharmacist-in-charge have read the decision in case number 3243 and is/are familiar with the
7 level of supervision as determined by the board. Respondent shall not practice pharmacy and her
8 license shall be automatically suspended until the board or its designee approves a new
9 supervisor. Failure to cause the direct supervisor and the pharmacist-in-charge to submit timely
10 acknowledgements to the board shall be considered a violation of probation.

11 Within ten (10) days of leaving employment, respondent shall notify the board in writing.

12 During any suspension, respondent shall not enter any pharmacy area or any portion of the
13 licensed premises of a wholesaler, veterinary food-animal drug retailer or any other distributor of
14 drugs which is licensed by the board, or any manufacturer, or where dangerous drugs and devices
15 or controlled substances are maintained. Respondent shall not practice pharmacy nor do any act
16 involving drug selection, selection of stock, manufacturing, compounding, dispensing or patient
17 consultation; nor shall respondent manage, administer, or be a consultant to any licensee of the
18 board, or have access to or control the ordering, manufacturing or dispensing of dangerous drugs
19 and controlled substances. Respondent shall not resume practice until notified by the board.

20 During any suspension, respondent shall not engage in any activity that requires the
21 professional judgment of a pharmacist. Respondent shall not direct or control any aspect of the
22 practice of pharmacy. Respondent shall not perform the duties of a pharmacy technician or a
23 designated representative for any entity licensed by the board.

24 Failure to comply with any such suspension shall be considered a violation of probation.

25 11. **Notice to Employers**

26 Except during any period of tolling due to out-of-state residence, during the period of
27 probation respondent shall notify all present and prospective employers of the decision in case
28 number 3344 and the terms, conditions and restrictions imposed by the decision, as follows:

1 Except during any period of tolling due to out-of-state residence, within thirty (30) days of
2 the effective date of this decision, and within fifteen (15) days of respondent undertaking any new
3 employment, respondent shall cause her direct supervisor, pharmacist-in-charge (including each
4 new pharmacist-in-charge employed during respondent's tenure of employment) and owner to
5 report to the board in writing acknowledging that the listed individual(s) has/have read the
6 decision in case number 3243, and terms and conditions imposed thereby. It shall be
7 respondent's responsibility to ensure that her employer(s) and/or supervisor(s) submit timely
8 acknowledgment(s) to the board.

9 Except during any period of tolling due to out-of-state residence, if respondent works for or
10 is employed by or through a pharmacy employment service, respondent must notify her direct
11 supervisor, pharmacist-in-charge, and owner at every entity licensed by the board of the terms
12 and conditions of the decision in case number 3344 in advance of commencing work at each
13 licensed entity. A record of this notification must be provided to the board upon request.

14 Furthermore, except during any period of tolling due to out-of-state residence, within thirty
15 (30) days of the effective date of this decision, and within fifteen (15) days of respondent
16 undertaking any new employment by or through a pharmacy employment service, respondent
17 shall cause her direct supervisor with the pharmacy employment service to report to the board in
18 writing acknowledging that he has read the decision in case number 3344 and the terms and
19 conditions imposed thereby. It shall be respondent's responsibility to ensure that her employer(s)
20 and/or supervisor(s) submit timely acknowledgment(s) to the board.

21 Failure to timely notify present or prospective employer(s) or to cause such employer(s) to
22 submit timely acknowledgment(s) to the board shall be considered a violation of probation.

23 "Employment" within the meaning of this provision shall include any full-time,
24 part-time, temporary, relief or pharmacy management service as a pharmacist or any
25 position for which a pharmacist license is a requirement or criterion for employment,
whether the respondent is an employee, independent contractor or volunteer.

26 **12. No Supervision of Interns, Serving as Pharmacist-in-Charge (PIC), Serving as
Designated Representative-in-Charge, or Serving as a Consultant**

27 Except during any period of tolling due to out-of-state residence, during the period of
28 probation respondent shall not supervise any intern pharmacist, be the pharmacist-in-charge or

1 designated representative-in-charge of any entity licensed by the board nor serve as a consultant.
2 Assumption of any such unauthorized responsibilities shall be considered a violation of probation.

3 **13. Suspension**

4 As part of probation, respondent is suspended from the practice of pharmacy for ninety (90)
5 days beginning the effective date of this decision, or beginning on the date of re-commencement
6 of probation, if probation is tolled pursuant to respondent's out-of-state residence. Upon
7 provision of documentation showing to the satisfaction of the board or its designee that at any
8 time since January 1, 2009 Respondent has been suspended or otherwise prohibited from working
9 as a pharmacist at the direction of the Pharmacists Recovery Program or other treatment program,
10 Respondent may receive credit against this suspension period for such documented period(s).

11 During suspension, Respondent shall not enter any pharmacy area or any portion of the
12 licensed premises of a wholesaler, veterinary food-animal drug retailer or any other distributor of
13 drugs which is licensed by the board, or any manufacturer, or where dangerous drugs and devices
14 or controlled substances are maintained. Respondent shall not practice pharmacy nor do any act
15 involving drug selection, selection of stock, manufacturing, compounding, dispensing or patient
16 consultation; nor shall Respondent manage, administer, or be a consultant to any licensee of the
17 board, or have access to or control the ordering, manufacturing or dispensing of dangerous drugs
18 and devices or controlled substances.

19 During suspension, Respondent shall not engage in any activity requiring the professional
20 judgment of a pharmacist. Respondent shall not direct or control any aspect of the practice of
21 pharmacy. Respondent shall not perform the duties of a pharmacy technician or an exemptee for
22 any entity licensed by the board. Subject to the above restrictions, Respondent may continue to
23 own or hold an interest in any pharmacy in which she holds an interest at the time this decision
24 becomes effective unless otherwise specified in this order.

25 **14. Tolling of Suspension**

26 During the period of suspension, respondent shall not leave California for any period
27 exceeding ten (10) days, regardless of purpose (including vacation). Any such absence in excess
28 of the (10) days during suspension shall be considered a violation of probation. Moreover, any

1 absence from California during the period of suspension exceeding ten (10) days shall toll the
2 suspension, i.e., the suspension shall be extended by one day for each day over ten (10) days
3 respondent is absent from California. During any such period of tolling of suspension,
4 respondent must nonetheless comply with all terms and conditions of probation.

5 Respondent must notify the board in writing within ten (10) days of departure, and must
6 further notify the board in writing within ten (10) days of return. The failure to provide such
7 notification(s) shall constitute a violation of probation. Upon such departure and return,
8 respondent shall not resume the practice of pharmacy until notified by the board that the period of
9 suspension has been satisfactorily completed.

10 **15. Pharmacists Recovery Program (PRP)**

11 Within thirty (30) days of the effective date of this decision or of the date tolling due to out-
12 of-state residence ends, respondent shall contact the Pharmacists Recovery Program (PRP) for
13 evaluation, and shall immediately thereafter enroll, successfully participate in, and complete the
14 treatment contract and any subsequent addendums as recommended and provided by the PRP and
15 as approved by the board or its designee. Costs of PRP participation shall be paid by respondent.

16 If respondent is currently enrolled in the PRP, said participation is now mandatory and as of
17 the effective date of this decision is no longer considered a self-referral under Business and
18 Professions Code section 4362(c)(2). Respondent shall successfully participate in and complete
19 her current contract and any subsequent addendums with the PRP.

20 Failure to timely contact or enroll in the PRP, or successfully participate in and complete
21 the treatment contract and/or any addendums, shall be considered a violation of probation.

22 Probation shall be automatically extended until respondent successfully completes the PRP.
23 Any person terminated from the PRP program shall be automatically suspended by the board.
24 Respondent may not resume the practice of pharmacy until notified by the board in writing.

25 Any confirmed positive test for alcohol or for any drug not lawfully prescribed by a
26 licensed practitioner as part of a documented medical treatment shall result in the automatic
27 suspension of practice by respondent and shall be considered a violation of probation.

28 Respondent may not resume the practice of pharmacy until notified by the board in writing.

1 During any suspension, respondent shall not enter any pharmacy area or any portion of the
2 licensed premises of a wholesaler, veterinary food-animal drug retailer or any other distributor of
3 drugs which is licensed by the board, or any manufacturer, or where dangerous drugs and devices
4 or controlled substances are maintained. Respondent shall not practice pharmacy nor do any act
5 involving drug selection, selection of stock, manufacturing, compounding, dispensing or patient
6 consultation; nor shall respondent manage, administer, or be a consultant to any licensee of the
7 board, or have access to or control the ordering, manufacturing or dispensing of dangerous drugs
8 and controlled substances. Respondent shall not resume practice until notified by the board.

9 During any suspension, respondent shall not engage in any activity that requires the
10 professional judgment of a pharmacist. Respondent shall not direct or control any aspect of the
11 practice of pharmacy. Respondent shall not perform the duties of a pharmacy technician or a
12 designated representative for any entity licensed by the board.

13 Failure to comply with this suspension shall be considered a violation of probation.

14 Respondent shall pay administrative fees as invoiced by the PRP or its designee. Fees not
15 timely paid to the PRP shall constitute a violation of probation. The board will collect unpaid
16 administrative fees as part of the annual probation monitoring costs if not submitted to the PRP.

17 **16. Random Drug Screening**

18 Except during any period of tolling due to out-of-state residence, respondent shall, at her
19 own expense, participate in random testing, including but not limited to biological fluid testing
20 (urine, blood), breathalyzer, hair follicle testing, or other drug screening program as directed by
21 the board or its designee. Respondent may be required to participate in testing for the entire
22 probation period and frequency of testing will be determined by the board or its designee. At all
23 times, respondent shall fully cooperate with the board or its designee, and shall, when directed,
24 submit to such tests and samples for the detection of alcohol, narcotics, hypnotics, dangerous
25 drugs or other controlled substances as the board or its designee may direct. Failure to timely
26 submit to testing as directed shall be considered a violation of probation. Upon request of the
27 board or its designee, respondent shall provide documentation from a licensed practitioner that
28 the prescription for a detected drug was legitimately issued and is a necessary part of the

1 treatment of the respondent. Failure to timely provide such documentation shall be considered a
2 violation of probation. Any confirmed positive test for alcohol or for any drug not lawfully
3 prescribed by a licensed practitioner as part of a documented medical treatment shall be
4 considered a violation of probation and shall result in automatic suspension of practice by
5 respondent. Respondent may not resume practice until notified by the board in writing.

6 During any suspension, respondent shall not enter any pharmacy area or any portion of the
7 licensed premises of a wholesaler, veterinary food-animal drug retailer or any other distributor of
8 drugs which is licensed by the board, or any manufacturer, or where dangerous drugs and devices
9 or controlled substances are maintained. Respondent shall not practice pharmacy nor do any act
10 involving drug selection, selection of stock, manufacturing, compounding, dispensing or patient
11 consultation; nor shall respondent manage, administer, or be a consultant to any licensee of the
12 board, or have access to or control the ordering, manufacturing or dispensing of dangerous drugs
13 and controlled substances. Respondent shall not resume practice until notified by the board.

14 During any suspension, respondent shall not engage in any activity requiring the
15 professional judgment of a pharmacist. Respondent shall not direct or control any aspect of the
16 practice of pharmacy. Respondent shall not perform the duties of a pharmacy technician or a
17 designated representative for any entity licensed by the board.

18 Failure to comply with this suspension shall be considered a violation of probation.

19 **17. Reimbursement of Board Costs**

20 As a condition precedent to successful completion of probation, respondent shall pay to the
21 board its costs of investigation and prosecution in the amount of \$4,725.00, payable in full within
22 the first three years of active probation (i.e., after any period of tolling due to out-of-state
23 residence) in equal quarterly installments of \$393.75. There shall be no deviation from this
24 schedule absent prior written approval by the board or its designee. Failure to pay costs by the
25 deadline(s) as directed shall be considered a violation of probation.

26 The filing of bankruptcy by respondent shall not relieve respondent of her responsibility to
27 reimburse the board its costs of investigation and prosecution.

28 ///

1 **18. Probation Monitoring Costs**

2 Except during any period of tolling due to out-of-state residence, respondent shall pay any
3 costs associated with probation monitoring as determined by the board each and every year of
4 probation. Such costs shall be payable on a schedule as directed by the board or its designee.
5 Failure to pay such costs by deadline(s) as directed shall be considered a violation of probation.

6 **19. Tolling of Probation**

7 Except during periods of suspension or during any period of tolling due to residence out of
8 state, respondent shall, at all times while on probation, be employed as a pharmacist in California
9 for a minimum of forty (40) hours per calendar month. Any month during which this minimum is
10 not met shall toll the period of probation, i.e., the period of probation shall be extended by one
11 month for each month during which this minimum is not met. During any such period of tolling
12 of probation, respondent must nonetheless comply with all terms and conditions of probation.

13 Except during any period of tolling due to out-of-state residence, should respondent,
14 regardless of residency, for any reason (including vacation) cease practicing as a pharmacist for a
15 minimum of forty (40) hours per calendar month in California, respondent must notify the board
16 in writing within ten (10) days of the cessation of practice, and must further notify the board in
17 writing within ten (10) days of the resumption of practice. Any failure to provide such
18 notification(s) shall be considered a violation of probation.

19 Except during any period of tolling due to out-of-state residence, it shall be a violation of
20 probation for respondent's probation to remain tolled pursuant to this provision for a total period,
21 counting consecutive and non-consecutive months, exceeding thirty-six (36) months.

22 "Cessation of practice" means any calendar month during which respondent is
23 not practicing as a pharmacist for at least forty (40) hours, as defined by Business and
24 Professions Code section 4000 et seq. "Resumption of practice" means any calendar
25 month during which respondent is practicing for at least forty (40) hours as a
26 pharmacist as defined by Business and Professions Code section 4000 et seq.

25 **20. No Ownership of Licensed Premises**

26 Respondent shall not own, have any legal or beneficial interest in, or serve as a manager,
27 administrator, member, officer, director, trustee, associate, or partner of any business, firm,
28 partnership, or corporation currently or hereinafter licensed by the board. Respondent shall sell

1 or transfer any legal or beneficial interest in any entity licensed by the board within ninety (90)
2 days following the effective date of this decision and shall immediately thereafter provide written
3 proof of sale or transfer to the board. Failure to timely divest any legal or beneficial interest(s) or
4 provide documentation thereof shall be considered a violation of probation.

5 **21. License Surrender While on Probation/Suspension**

6 Following the effective date of this decision, should respondent cease practice due to
7 retirement or health, or be otherwise unable to satisfy the terms and conditions of probation,
8 respondent may tender her license to the board for surrender. The board or its designee shall have
9 the discretion whether to grant the request for surrender or take any other action it deems
10 appropriate and reasonable. Upon formal acceptance of the surrender of the license, respondent
11 will no longer be subject to the terms and conditions of probation. This surrender constitutes a
12 record of discipline and shall become a part of the respondent's license history with the board.

13 Upon acceptance of surrender, respondent shall relinquish her pocket and wall license to the
14 board within ten (10) days of notification by the board that the surrender is accepted. Respondent
15 may not reapply for any license from the board for three (3) years from the effective date of the
16 surrender. Respondent shall meet all requirements applicable to the license sought as of the date
17 the application for that license is submitted to the board, including any outstanding costs.

18 **22. Violation of Probation**

19 If respondent has not complied with any term or condition of probation, the board shall
20 have continuing jurisdiction over respondent, and probation shall automatically be extended, until
21 all terms and conditions have been satisfied or the board has taken other action as deemed
22 appropriate to treat the failure to comply as a violation of probation, to terminate probation, and
23 to impose the penalty that was stayed.

24 If respondent violates probation in any respect, the board, after giving respondent notice
25 and an opportunity to be heard, may revoke probation and carry out the disciplinary order that
26 was stayed. Notice and opportunity to be heard are not required for those provisions stating that a
27 violation thereof may lead to automatic termination of the stay and/or revocation of the license. If
28 a petition to revoke probation or an accusation is filed against respondent during probation, the

1 board shall have continuing jurisdiction and the period of probation shall be automatically
2 extended until the petition to revoke probation or accusation is heard and decided.

3 **23. Completion of Probation**

4 Upon written notice by the board or its designee indicating successful completion of
5 probation, respondent's license will be fully restored.

17 Complainant alleges:

18 PARTIES

- 19 1. Virginia Herold (Complainant) brings this Accusation solely in her official
20 capacity as the Executive Officer of the Board of Pharmacy, Department of Consumer Affairs.
21 2. On or about August 26, 1997, the Board of Pharmacy issued Pharmacist
22 License Number RPH 49590 to Ellen M. Oertli (Respondent). The Pharmacist License was in
23 full force and effect at all times relevant to the charges brought herein and will expire on
24 February 28, 2011, unless renewed.

25 JURISDICTION

- 26 3. This Accusation is brought before the Board of Pharmacy (Board),
27 Department of Consumer Affairs, under the authority of the following laws. All section
28 references are to the Business and Professions Code (Code) unless otherwise indicated.

1 4. Section 4011 of the Code provides that the Board shall administer and

3 Substances Act [Health & Safety Code, § 11000 et seq.].

4 5. Section 4300(a) of the Code provides that every license issued by the
5 Board may be suspended or revoked.

6 6. Section 118(b) of the Code provides, in pertinent part, that the suspension,
7 expiration, surrender, or cancellation of a license shall not deprive the Board of jurisdiction to
8 proceed with a disciplinary action during the period within which the license may be renewed,
9 restored, reissued or reinstated. Section 4402(a) of the Code provides that any pharmacist license
10 that is not renewed within three years following its expiration may not be renewed, restored, or
11 reinstated and shall be canceled by operation of law at the end of the three-year period. Section
12 4402(e) of the Code provides that any other license issued by the Board may be canceled by the
13 Board if not renewed within 60 days after its expiration, and any license canceled in this fashion
14 may not be reissued but will instead require a new application to seek reissuance.

15 STATUTORY PROVISIONS

16 7. Section 4301 of the Code provides, in pertinent part, that the Board shall
17 take action against any holder of a license who is guilty of “unprofessional conduct,” defined to
18 include, but not be limited to, any of the following:

19 (f) The commission of any act involving moral turpitude, dishonesty, fraud,
20 deceit, or corruption, whether the act is committed in the course of relations as a licensee or
21 otherwise, and whether the act is a felony or misdemeanor or not.

22 (h) The administering to oneself, of any controlled substance, or the use of any
23 dangerous drug or of alcoholic beverages to the extent or in a manner as to be dangerous or
24 injurious to oneself; to a person holding a license under this chapter, or to any other person or to
25 the public, or to the extent that the use impairs the ability of the person to conduct with safety to
26 the public the practice authorized by the license.

27 (j) The violation of any of the statutes of this state, of any other state, or of the
28 United States regulating controlled substances and dangerous drugs.

1 (o) Violating or attempting to violate, directly or indirectly, or assisting in or
2 abetting the violation of or conspiring to violate any provision or term of this chapter or of the
3 applicable federal and state laws and regulations governing pharmacy . . .

4 8. Section 4059 of the Code, in pertinent part, prohibits furnishing of any
5 dangerous drug or dangerous device except upon the prescription of an authorized prescriber.

6 9. Section 4060 of the Code provides, in pertinent part, that no person shall
7 possess any controlled substance, except that furnished upon a valid prescription/drug order.

8 10. Section 4327 of the Code makes it unlawful for any person, while on duty,
9 to sell, dispense or compound any drug while under the influence of a dangerous drug or alcohol.

10 11. Health and Safety Code section 11170 provides that no person shall
11 prescribe, administer, or furnish a controlled substance for himself or herself.

12 12. Health and Safety Code section 11173, subdivision (a), provides that no
13 person shall obtain or attempt to obtain controlled substances, or procure or attempt to procure
14 the administration of or prescription for controlled substances, (1) by fraud, deceit,
15 misrepresentation, or subterfuge; or (2) by the concealment of a material fact.

16 13. Health and Safety Code section 11350, in pertinent part, makes it unlawful
17 to possess any controlled substance listed in Schedule II (Health and Safety Code section 11055),
18 subdivision (b) or (c), or any narcotic drug in Schedules III-V, absent a valid prescription.

19 14. Health and Safety Code section 11550, in pertinent part, makes it unlawful
20 for any person to use or be under the influence of any controlled substance in Schedule II (Health
21 and Safety Code section 11055), subdivision (b) or (c), or any narcotic drug in Schedules III-V,
22 except when administered by or under the direction of an authorized licensee.

23 COST RECOVERY

24 15. Section 125.3 of the Code provides, in pertinent part, that the Board may
25 request the administrative law judge to direct a licentiate found to have committed a violation of
26 the licensing act to pay a sum not to exceed its reasonable costs of investigation and enforcement.
