8. No Supervision of Interns, Serving as Pharmacist-in-Charge (PIC), Serving as Designated Representative-in-Charge, or Serving as a Consultant

During the period of probation, respondent shall not supervise any intern pharmacist, be the pharmacist-in-charge or designated representative-in-charge of any entity licensed by the board nor serve as a consultant unless otherwise specified in this order. Assumption of any such unauthorized supervision responsibilities shall be considered a violation of probation.

9

9. Reimbursement of Board Costs

As a condition precedent to successful completion of probation, respondent shall pay to the
board its costs of investigation and prosecution in the amount of sixteen thousand two hundred
sixty two dollars (\$16,262.00). Respondent shall coordinate a payment schedule with the Board.
Failure to pay costs by the deadline(s) as directed shall be considered a violation of probation.

The filing of bankruptcy by respondent shall not relieve respondent of his responsibility to
reimburse the board its costs of investigation and prosecution.

16

10. Probation Monitoring Costs

17 Respondent shall pay any costs associated with probation monitoring as determined by the
18 board each and every year of probation. Such costs shall be payable to the board on a schedule as

during the period of probation, including any extensions thereof due to tolling or otherwise, upon
renewal or reapplication respondent's license shall be subject to all terms and conditions of this

12. License Surrender While on Probation/Suspension

Following the effective date of this decision, should respondent cease practice due to retirement or health, or be otherwise unable to satisfy the terms and conditions of probation, respondent may tender his license to the board for surrender. The board or its designee shall have the discretion whether to grant the request for surrender or take any other action it deems appropriate and reasonable. Upon formal acceptance of the surrender of the license, respondent will no longer be subject to the terms and conditions of probation. This surrender constitutes a record of discipline and shall become a part of the respondent's license history with the board.

Upon acceptance of the surrender, respondent shall relinquish his pocket and wall license to the board within ten (10) days of notification by the board that the surrender is accepted. Respondent may not reapply for any license from the board for three (3) years from the effective date of the surrender. Respondent shall meet all requirements applicable to the license sought as of the date the application for that license is submitted to the board, including any outstanding costs.

13. Notification of a Change in Name, Residence Address, Mailing Address or Employment

Respondent shall notify the board in writing within ten (10) days of any change of employment. Said notification shall include the reasons for leaving, the address of the new employer, the name of the supervisor and owner, and the work schedule if known. Respondent shall further notify the board in writing within ten (10) days of a change in name, residence address, mailing address, or phone number.

Failure to timely notify the board of any change in employer(s), name(s), address(es), or phone number(s) shall be considered a violation of probation.

23

14. Tolling of Probation

Except during periods of suspension, respondent shall, at all times while on probation, be employed as a pharmacist in California for a minimum of forty (40) hours per calendar month. Any month during which this minimum is not met shall toll the period of probation, i.e., the period of probation shall be extended by one month for each month during which this minimum is

not met. During any such period of tolling of probation, respondent must nonetheless comply with all terms and conditions of probation.

Should Respondent, regardless of residency, for any reason (including vacation) cease practicing as a pharmacist for a minimum of forty (40) hours per calendar month in California, respondent must notify the board in writing within ten (10) days of the cessation of practice, and must further notify the board in writing within ten (10) days of the resumption of practice. Any failure to provide such notification(s) shall be considered a violation of probation.

It is a violation of probation for respondent's probation to remain tolled pursuant to the provisions of this condition for a total period, counting consecutive and non-consecutive months, exceeding thirty-six (36) months.

"Cessation of practice" means any calendar month during which respondent is not 11 12 practicing as a pharmacist for at least forty (40) hours, as defined by Business and Professions Code section 4000 et seq. "Resumption of practice" means any calendar month during which 13 respondent is practicing as a pharmacist for at least forty (40) hours as a pharmacist as defined by 14 Business and Professions Code section 4000 et seq.

Respondent is required to practice as a pharmacist in a licensed pharmacy setting that 16 dispenses medication for a minimum of one year prior to the completion of probation. If 17 respondent fails to comply with this requirement, such failure shall be considered a violation of 18 probation. 19

15. **Violation of Probation**

If a respondent has not complied with any term or condition of probation, the board shall have continuing jurisdiction over respondent, and probation shall automatically be extended, until all terms and conditions have been satisfied or the board has taken other action as deemed appropriate to treat the failure to comply as a violation of probation, to terminate probation, and to impose the penalty that was stayed.

If respondent violates probation in any respect, the board, after giving respondent notice 26and an opportunity to be heard, may revoke probation and carry out the disciplinary order that 27was stayed. Notice and opportunity to be heard are not required for those provisions stating that a 28

violation thereof may lead to automatic termination of the stay and/or revocation of the license. If a petition to revoke probation or an accusation is filed against respondent during probation, the board shall have continuing jurisdiction and the period of probation shall be automatically extended until the petition to revoke probation or accusation is heard and decided.

16. Completion of Probation

Upon written notice by the board or its designee indicating successful completion of probation, respondent's license will be fully restored.

Within sixty (60) days of the effective date of this decision, respondent shall submit to the 9 board or its designee, for prior approval, a community service program in which respondent shall 10 provide free health-care related services on a regular basis to a community or charitable facility or 11 agency for at least 100 hours per year while on probation. During the first year, while on 12 suspension, respondent may perform any type of community service program. Within thirty (30) 13 days of board approval thereof, respondent shall submit documentation to the board 14 demonstrating commencement of the community service program. A record of this notification 15 must be provided to the board upon request. Respondent shall report on progress with the 16 community service program in the quarterly reports. Failure to timely submit, commence, or 17 comply with the program shall be considered a violation of probation. 18

18. Remedial Education

Within thirty (30) days of the effective date of this decision, respondent shall submit to the board or its designee, for prior approval, an appropriate program of remedial education related to [the grounds for discipline]. The program of remedial education shall consist of at least 10 hours, which shall be completed within the first three years of probation and within the renewal periods at respondent's own expense. All remedial education shall be in addition to, and shall not be credited toward, continuing education (CE) courses used for license renewal purposes.

Failure to timely submit or complete the approved remedial education shall be considered a violation of probation. The period of probation will be automatically extended until such remedial education is successfully completed and written proof, in a form acceptable to the board,

is provided to the board or its designee.

Following the completion of each course, the board or its designee may require the respondent, at his own expense, to take an approved examination to test the respondent's knowledge of the course. If the respondent does not achieve a passing score on the examination, this failure shall be considered a violation of probation. Any such examination failure shall require respondent to take another course approved by the board in the same subject area.

19. No Ownership of Licensed Premises

Respondent shall not own, have any legal or beneficial interest in, or serve as a manager,
administrator, member, officer, director, trustee, associate, or partner of any business, firm,
partnership, or corporation currently or hereinafter licensed by the board. Respondent shall sell
or transfer any legal or beneficial interest in any entity licensed by the board within ninety (90)
days following the effective date of this decision and shall immediately thereafter provide written
proof thereof to the board. Failure to timely divest any legal or beneficial interest(s) or provide
documentation thereof shall be considered a violation of probation.

20. Tolling of Suspension

During the period of suspension, respondent shall not leave California for any period exceeding ten (10) days, regardless of purpose (including vacation). Any such absence in excess of the (10) days during suspension shall be considered a violation of probation. Moreover, any absence from California during the period of suspension exceeding ten (10) days shall toll the suspension, i.e., the suspension shall be extended by one day for each day over ten (10) days respondent is absent from California. During any such period of tolling of suspension, respondent must nonetheless comply with all terms and conditions of probation.

23 24 25

Respondent must notify the board in writing within ten (10) days of departure, and must further notify the board in writing within ten (10) days of return. The failure to provide such notification(s) shall constitute a violation of probation. Upon such departure and return, respondent shall not resume the practice of pharmacy until notified by the board that the period of suspension has been satisfactorily completed.

COST RECOVERY

11. Section 125.3 provides that the Board may request the administrative law judge to direct a licentiate found to have committed a violation or violations of the licensing act to pay a sum not to exceed the reasonable costs of the investigation and enforcement of the case.

SUMMARY OF FACTS

12. The following facts are common to all charges of the Accusation:

a. The United States Attorney's Office reported L.A. Good Neighbor Pharmacy
(L.A. Good) had violated several provisions of the Controlled Substance Acts. Subsequently,
L.A. Good surrendered their Drug Enforcement Administration (DEA) registration and the
pharmacy closed.

b. On or about June 21, 2006, Assistant United States Attorney Shana Mintz sent
the Board of Pharmacy a letter regarding the DEA's findings at L.A. Good. In summary, the
letter indicated that an April 6, 2006 inspection by the DEA found that the pharmacy had failed to
maintain records of sales of "above threshold amounts" of Pseudoephedrine, failed to maintain
complete/proper controlled substance records and failed to accurately complete their DEA 222
ordering forms. The DEA also found L.A. Good's purchase pattern of Pseudoephedrine was
much greater (84%) than other pharmacies in the same zip code (90022).

c. On or about March 3, 2009, Respondent Fong as Pharmacist-in-Charge of L.A.
 Good Pharmacy entered into a Settlement Agreement with the DEA and U.S. Department of
 Justice for \$150,000 regarding the findings of the DEA investigation.

d. Further investigation revealed several uncertain erroneous prescriptions that
were filled by L.A. Good Pharmacy during late 2005 to early 2006.

e. After reviewing documents obtained by the Drug Enforcement Agency,
Pharmacy Board investigator D. White discovered numerous pharmacy law violations. These
included oral prescriptions that were not reduced to writing and failed to contain all the required
prescription information such as drug strength, quantity, directions for use before the prescription
can be filled. A pharmacist cannot fill any prescription which contains any errors, omissions, or

(. . <u>.</u> .

5

irregularity without contacting the prescriber to validate the prescription. Board investigator
 White found medications at L.A. Good Pharmacy to be dispensed without any written validation
 from the prescriber. Below is a sampling of 175 uncertain oral prescriptions filled by L.A. Good
 Pharmacy that did not meet the requirements of a prescription.
