COST RECOVERY

26. Section 125.3 of the Code states, in pertinent part, that the Board may request the administrative law judge to direct a licentiate found to have committed a violation or violations of the licensing act to pay a sum not to exceed the reasonable costs of the investigation and enforcement of the case.

CHARGES AND ALLEGATIONS

27. On March 16, 2009, the Board received a call from the Bureau of Narcotic
Enforcement (BNE) informing the Board that BNE had received a call from the Fort Worth Texas
Police Department (FWPD). The FWPD stated they had found a shipment of 21 pints of
Phenergan with Codeine, which was traced back to Respondent Pharmacy.

15 28. On or about October 28, 2009, a Board inspector conducted a routine inspection of
16 Respondent Pharmacy and collected records. Respondent Ha was interviewed during the
17 inspection and questioned where he stored the Phenergan with Codeine. Respondent Ha stated
18 that he did not carry any Phenergan with Codeine and the Drug Enforcement Administration
19 (DEA) accused him of some violations and he voluntarily surrendered his DEA registration and
20 controlled substances on or about March 26, 2009.

29. The Board inspector requested Respondent Ha provide him with a controlled
substance report from July 1, 2008, to present. Respondent Ha provided the Board inspector a
controlled substance report that did not list any disposition of Phenergan with Codeine at
Respondent Pharmacy, which Respondent Ha said was a mistake. Respondent Ha admitted that
he deleted the Phenergan with Codeine prescriptions on Respondent Pharmacy's computer and he
lost the prescriptions for Phenergan with Codeine. Respondent Ha admitted to the Board
inspector he shredded the prescription documents.
