DISCIPLINARY ORDER

IT IS HEREBY ORDERED that Pharmacist License No. RPH 59702, issued to Darek Terrell Jones (Respondent), is revoked. However, the revocation is stayed and Respondent is placed on probation for five (5) years on the following terms and conditions.

1. Suspension

As part of probation, Respondent is suspended from the practice of pharmacy for ninety (90) days beginning on the effective date of this decision.

During suspension, Respondent shall not enter any pharmacy area or any portion of the licensed premises of a wholesaler, veterinary food-animal drug retailer or any other distributor of drugs licensed by the board, or any manufacturer, or where dangerous drugs and devices or controlled substances are maintained. Respondent shall not practice pharmacy nor do any act involving drug selection, selection of stock, manufacturing, compounding, dispensing or patient consultation; nor shall Respondent manage, administer, or be a consultant to any licensee of the board, or have access to or control the ordering, manufacturing or dispensing of dangerous drugs and controlled substances. Respondent shall not resume practice until notified by the board.

During suspension, Respondent shall not engage in any activity that requires the professional judgment of a pharmacist. Respondent shall not direct or control any aspect of the practice of pharmacy. Respondent shall not perform the duties of a pharmacy technician or a designated representative for any entity licensed by the board.

Failure to comply with this suspension shall be considered a violation of probation.

2. Tolling of Suspension

During the period of suspension, Respondent shall not leave California for any period exceeding ten (10) days, regardless of purpose (including vacation). Any such absence in excess of ten (10) days during suspension shall be considered a violation of probation.

Moreover, any absence from California during the period of suspension exceeding ten (10) days shall toll the suspension, i.e., the suspension shall be extended by one day for each day over ten (10) days Respondent is absent from California. During any such period of tolling of suspension, Respondent must nonetheless comply with all terms and conditions of probation.

Respondent must notify the board in writing within ten (10) days of departure, and must further notify the board in writing within ten (10) days of return. The failure to provide such notification(s) shall constitute a violation of probation. Upon such departure and return, Respondent shall not resume the practice of pharmacy until notified by the board that the period of suspension has been satisfactorily completed.

3. Obey All Laws

Respondent shall obey all state and federal laws and regulations.

Respondent shall report any of the following occurrences to the board, in writing, within seventy-two (72) hours of such occurrence:

Failure to timely report such occurrence shall be considered a violation of probation.

4. Interview with the Board

Upon receipt of reasonable prior notice, Respondent shall appear in person for interviews with the board or its designee, at such intervals and locations as are determined by the board or its designee. Failure to appear for any scheduled interview without prior notification to board staff, or failure to appear for two (2) or more scheduled interviews with the board or its designee during the period of probation, shall be considered a violation of probation.

5. Cooperate with Board Staff

Respondent shall cooperate with the board's inspection program and with the board's monitoring and investigation of Respondent's compliance with the terms and conditions of his probation. Failure to cooperate shall be considered a violation of probation.

///

6. Report to the Board

Respondent shall report to the board quarterly, on a schedule as directed by the board or its designee. The report shall be made either in person or in writing, as directed. Among other requirements, Respondent shall state in each report under penalty of perjury whether there has been compliance with all the terms and conditions of probation. Failure to submit timely reports in a form as directed shall be considered a violation of probation. Any period(s) of delinquency in submission of reports as directed may be added to the total period of probation. Moreover, if the final probation report is not made as directed, probation shall be automatically extended until such time as the final report is made and accepted by the board.

7. Continuing Education

Respondent shall provide evidence of efforts to maintain skill and knowledge as a pharmacist as directed by the board or its designee.

8. Status of License

Respondent shall, at all times while on probation, maintain an active, current license with the board, including any period during which suspension or probation is tolled. Failure to maintain an active, current license shall be considered a violation of probation.

If Respondent's license expires or is cancelled by operation of law or otherwise at any time during the period of probation, including any extensions thereof due to tolling or otherwise, upon renewal or reapplication Respondent's license shall be subject to all terms and conditions of this probation not previously satisfied.

9. Notification of Change in Employment, Name, Address(es), or Phone(s)

Respondent shall notify the board in writing within ten (10) days of any change of employment. Said notification shall include the reasons for leaving, the address of the new employer, the name of the supervisor and owner, and the work schedule if known. Respondent shall further notify the board in writing within ten (10) days of a change in name, residence address, mailing address, or phone number.

Failure to timely notify the board of any change in employer(s), name(s), address(es), or phone number(s) shall be considered a violation of probation.

10. Employment Requirement: Tolling of Probation

Except during periods of suspension, Respondent shall, at all times while on probation, be employed as a pharmacist in California for a minimum of forty (40) hours per calendar month. Any month during which this minimum is not met shall toll the period of probation, i.e., the period of probation shall be extended by one month for each month during which this minimum is not met. During any such period of tolling of probation, Respondent must nonetheless comply with all terms and conditions of probation.

Should Respondent, regardless of residency, for any reason (including vacation) cease practicing as a pharmacist for a minimum of forty (40) hours per calendar month in California, Respondent must notify the board in writing within ten (10) days of the cessation of practice, and must further notify the board in writing within ten (10) days of the resumption of practice. Any failure to provide such notification(s) shall be considered a violation of probation.

Upon and after the effective date of this decision, Respondent shall not practice pharmacy and his license shall be automatically suspended until a supervisor is approved by the board or its designee. The supervision shall be, as required by the board or its designee, either:

It shall be the Respondent's responsibility to ensure that his employer(s), pharmacist-in-charge and/or supervisor(s) submit timely acknowledgement(s) to the board. Failure to cause the direct supervisor and the pharmacist-in-charge to submit timely acknowledgements to the board shall be considered a violation of probation.

If Respondent changes employment, it shall be the Respondent's responsibility to ensure that his employer(s), pharmacist-in-charge and/or supervisor(s) submit timely acknowledgement(s) to the board. Respondent shall have his new supervisor, within fifteen (15) days after employment commences, submit notification to the board in writing stating the direct supervisor and pharmacist-in-charge have read the decision in case number 3813 and is/are familiar with the level of supervision as determined by the board. Respondent shall not practice pharmacy and his license shall be automatically suspended until the board or its designee approves a new supervisor. Failure to cause the direct supervisor and the pharmacist-in-charge to submit timely acknowledgements to the board shall be considered a violation of probation.

During any such suspension, respondent shall not enter any pharmacy area or any portion of the licensed premises of a wholesaler, veterinary food-animal drug retailer or any other distributor of drugs licensed by the board, or any manufacturer, or where dangerous drugs and devices or controlled substances are maintained. Respondent shall not practice pharmacy nor do any act involving drug selection, selection of stock, manufacturing, compounding, dispensing or patient consultation; nor shall respondent manage, administer, or be a consultant to any licensee of the board, or have access to or control the ordering, manufacturing or dispensing of dangerous drugs and controlled substances. Respondent shall not resume practice until notified by the board.

During any such suspension, respondent shall not engage in any activity that requires the professional judgment of a pharmacist. Respondent shall not direct or control any aspect of the practice of pharmacy. Respondent shall not perform the duties of a pharmacy technician or a designated representative for any entity licensed by the board.

Failure to comply with any such suspension shall be considered a violation of probation.

12. Notice to Employers

During the period of probation, Respondent shall notify all present and prospective employers of the decision in case number 3813 and the terms, conditions and restrictions imposed on Respondent by the decision, as follows:

Within thirty (30) days of the effective date of this decision, and within fifteen (15) days of Respondent undertaking any new employment, Respondent shall cause his direct supervisor, pharmacist-in-charge (including each new pharmacist-in-charge employed during Respondent's tenure of employment) and owner to report to the board in writing acknowledging that the listed individual(s) has/have read the decision in case number 3813, and terms and conditions imposed thereby. It shall be Respondent's responsibility to ensure that his employer(s) and/or supervisor(s) submit timely acknowledgment(s) to the board.

If Respondent works for or is employed by or through a pharmacy employment service, Respondent must notify his direct supervisor, pharmacist-in-charge, and owner at every entity licensed by the board of the terms and conditions of the decision in case number 3813 in advance of the Respondent commencing work at each licensed entity. A record of this notification must be provided to the board upon request.

Furthermore, within thirty (30) days of the effective date of this decision, and within fifteen (15) days of Respondent undertaking any employment by or through a pharmacy employment service, Respondent shall cause his direct supervisor with the pharmacy employment service to report to the board in writing acknowledging that he has read the decision in case number 3813 and the terms and conditions imposed thereby. It shall be Respondent's responsibility to ensure that his employer(s) and/or supervisor(s) submit timely acknowledgment(s) to the board.

Failure to timely notify present or prospective employer(s) or to cause employer(s) to submit timely acknowledgments to the board shall be considered a violation of probation.

"Employment" within the meaning of this provision shall include any full-time, part-time, temporary, relief or pharmacy management service as a pharmacist or any position for which a pharmacist license is a requirement or criterion for employment, whether the Respondent is an employee, independent contractor or volunteer.

13. No Supervision of Interns, Serving as Pharmacist-in-Charge (PIC), Serving as Designated Representative-in-Charge, or Serving as a Consultant

During the period of probation, Respondent shall not supervise any intern pharmacist, be the pharmacist-in-charge or designated representative-in-charge of any entity licensed by the board nor serve as a consultant unless otherwise specified in this order. Assumption of any such unauthorized supervision responsibilities shall be considered a violation of probation.

14. No Ownership of Licensed Premises

Respondent shall not own, have any legal or beneficial interest in, or serve as a manager, administrator, member, officer, director, trustee, associate, or partner of any business, firm, partnership, or corporation currently or hereinafter licensed by the board. Respondent shall sell or transfer any legal or beneficial interest in any entity licensed by the board within ninety (90) days following the effective date of this decision and shall immediately thereafter provide written proof thereof to the board. Failure to timely divest any legal or beneficial interest(s) or provide documentation thereof shall be considered a violation of probation.

15. Reimbursement of Board Costs

As a condition precedent to successful completion of probation, Respondent shall pay to the board its costs of investigation and prosecution in the amount of \$5,500.00. There is to be no deviation from this schedule absent prior written approval by the Board or its designee. Within thirty (30) days of notification by the board that a recommendation for psychotherapy has been accepted, Respondent shall submit to the board or its designee, for prior approval, the name and qualification of a licensed mental health practitioner of Respondent's choice. Within thirty (30) days of approval thereof by the board or its designee, Respondent shall submit documentation to the board demonstrating the commencement of psychotherapy with the approved licensed mental health practitioner. Within thirty (30) days of approval thereof, Respondent shall submit documentation to the board or its designee demonstrating the commencement of psychotherapy with the approved replacement. Failure to comply with any requirement or deadline stated by this paragraph shall be considered a violation of probation.

Upon approval of the initial or any subsequent licensed mental health practitioner,
Respondent shall undergo and continue treatment with that therapist, at Respondent's own
expense, until the therapist recommends in writing to the board, and the board or its designee
agrees by way of a written notification to Respondent, that no further psychotherapy is necessary.

///

Upon receipt of such recommendation from the therapist, and before determining whether to accept or reject the recommendation, the board or its designee may require Respondent to undergo, at Respondent's expense, a mental health evaluation by a separate board-appointed or board-approved evaluator. If the approved evaluator recommends that Respondent continue psychotherapy, the board or its designee may require Respondent to continue psychotherapy.

Psychotherapy shall be at least once a week unless otherwise approved by the board or its designee. Respondent shall provide the therapist with a copy of the board's Accusation and decision no later than the first therapy session. Respondent shall take all necessary steps to ensure that the treating therapist submits written quarterly reports to the board concerning Respondent's fitness to practice, progress in treatment, and other such information as may be required or later specified by the board or its designee.

The costs for PRP participation shall be borne by the Respondent.

If Respondent is currently enrolled in the PRP, said participation is now mandatory and as of the effective date of this decision is no longer considered a self-referral under Business and Professions Code section 4362(a)(2). Respondent shall successfully participate in and complete his current contract and any subsequent addendums with the PRP.

Failure to timely contact or enroll in the PRP, or successfully participate in and complete the treatment contract and/or any addendums, shall be considered a violation of probation.

19. Abstain from Drugs and Alcohol Use

Respondent shall completely abstain from the possession or use of alcohol, controlled substances, dangerous drugs and their associated paraphernalia except when the drugs are lawfully prescribed by a licensed practitioner as part of a documented medical treatment. Upon request of the board or its designee, Respondent shall provide documentation from the licensed practitioner that the prescription for the drug was legitimately issued and is a necessary part of the treatment of the Respondent. The coordinating practitioner shall report to the board on a quarterly basis for the duration of probation regarding Respondent's compliance with this condition. If any substances considered addictive have been prescribed, the report shall identify a program for the time limited use of any such substances. The board may require that the single coordinating physician, nurse practitioner, physician assistant or psychiatrist be a specialist in addictive medicine, or consult a specialist in addictive medicine. Should Respondent, for any reason, cease supervision by the approved practitioner, Respondent shall notify the board immediately and, within thirty (30) days of ceasing treatment, submit the name of a replacement physician, nurse practitioner, physician assistant, or psychiatrist of Respondent's choice to the board or its designee for prior approval. Failure to timely submit the selected practitioner or replacement practitioner to the board for approval, or to ensure the required reporting thereby on the quarterly reports, shall be considered a violation of probation.

If at any time an approved practitioner determines that Respondent is unable to practice safely or independently as a pharmacist, the practitioner shall notify the board immediately by telephone and follow up by written letter within three (3) working days. Upon notification from the board or its designee of this determination, Respondent shall be automatically suspended and shall not resume practice until notified by the board that practice may be resumed.

Failure to timely submit to testing as directed shall be considered a violation of probation. Within sixty (60) days of the effective date of this decision, Respondent shall submit to the board or its designee, for prior approval, a community service program in which Respondent shall provide free health-care related services on a regular basis to a community or charitable facility or agency for at least one hundred (100) hours per year for the first three (3) years of the probation (300 hours total). Within thirty (30) days of board approval thereof, Respondent shall submit documentation to the board demonstrating commencement of the community service program. A record of this notification must be provided to the board upon request. Respondent shall report on progress with the community service program in the quarterly reports. Failure to timely submit, commence, or comply with the program shall be considered a violation of probation.

24. License Surrender While on Probation/Suspension

Following the effective date of this decision, including during the period of suspension, should Respondent cease practice due to retirement or health, or be otherwise unable to satisfy the terms and conditions of probation, Respondent may tender his license to the board for surrender. The board or its designee shall have the discretion whether to grant the request for surrender or take any other action it deems appropriate and reasonable.

Upon formal acceptance of the surrender of the license, Respondent will no longer be subject to the terms and conditions of probation. This surrender constitutes a record of discipline and shall become a part of the Respondent's license history with the board.

Upon acceptance of the surrender, Respondent shall relinquish his pocket and wall license to the board within ten (10) days of notification by the board surrender is accepted. Respondent may not reapply for any license from the board for three (3) years from the effective date of the surrender. Respondent shall meet all requirements applicable to the license sought as of the date the application for that license is submitted to the board, including any outstanding costs.

25. Violation of Probation

If Respondent has not complied with any term or condition of probation, the board shall have continuing jurisdiction over Respondent, and probation shall automatically be extended, until all terms and conditions have been satisfied or the board has taken other action as deemed appropriate to treat the failure to comply as a violation of probation, to terminate probation, and to impose the penalty that was stayed.

If Respondent violates probation in any respect, the board, after giving Respondent notice and an opportunity to be heard, may revoke probation and carry out the disciplinary order that was stayed. Notice and opportunity to be heard are not required for those provisions stating that a violation thereof may lead to automatic termination of the stay and/or revocation of the license. If a petition to revoke probation or an accusation is filed against Respondent during probation, the board shall have continuing jurisdiction and the period of probation shall be automatically extended until the petition to revoke probation or accusation is heard and decided.

26. Completion of Probation

Upon written notice by the board or its designee indicating successful completion of probation, Respondent's license will be fully restored.

FACTUAL BACKGROUND

- 24. From an unknown start date until on or about April 13, 2010, Respondent was employed by Costco pharmacies as a staff pharmacist in at least two pharmacies: Costco #472 in Salinas, CA (PHY 43162) and Costco # 131 in Sand City, CA (PHY 40373), where by virtue of his licensure and employment he had access to controlled substances and dangerous drugs.
- 25. During his Costco employment, Respondent used this access to divert/steal, and self-administer, controlled substances/dangerous drugs, including **Hydrocodone with APAP**.
- 26. The exact number of instances of diversion/theft by Respondent, and the full quantity of controlled substances or dangerous drugs diverted/stolen, are not known, but investigations by Costco Pharmacy, police, and Board Inspector(s) revealed/reported the following:
- a. On or about January 21. 2010, Respondent was stopped by California Highway Patrol Officer(s) after he was observed driving erratically, including crossing the double-yellow lane divider and nearly colliding with oncoming traffic. There was a smell of alcohol from his vehicle, and Respondent displayed objective signs or symptoms of being intoxicated or under the influence of alcohol or drugs, including red and watery eyes and slurred speech. Respondent had problems with his balance and could not perform Field Sobriety Tests (FSTs), but Respondent's measured blood alcohol (breathalyzer readings of 0.043 and 0.041) did not exceed the legal limit. A certified Drug Recognition Evaluator (DRE) officer conducted an examination and determined that Respondent was under the influence of a combination of alcohol, a CNS depressant, a CNS stimulant, and a narcotic analgesic. Respondent was placed under arrest for driving under the influence of alcohol and/or drugs (Vehicle Code section 23152(a)), and transported to the County Jail. Prior to entry, Respondent tried to conceal a sock down the back of his pants. A search of the sock revealed several (16 tablets) prescription pharmaceuticals, later identified as:

.27

- three (3) blue tablets of Hydrocodone with APAP 10/650mg;
- two (2) white tablets of Hydrocodone with APAP 10/660mg;
- two (2) blue tablets of **Hydrocodone with APAP 10/500mg**;
- six (6) white tablets of Carisoprodol 350mg; and
- three (3) blue tablets of Diazepam 10mg.
- b. On or about April 8, 2010, Respondent was working at Costco #472 (Salinas). A pharmacy technician also working that day saw Respondent pour Hydrocodone with APAP tablets from a stock bottle into his hand, and then place them in his pocket. When Respondent was confronted by a manager and a witness and asked to empty his pockets, one pocket contained approximately five (5) to eight (8) tablets of yellow Hydrocodone with APAP 10/325mg and approximately twenty (20) white tablets of Soma (Carisoprodol 350mg). When the manager sought to confiscate the drugs for investigation purposes, Respondent picked up all 5-8 of the Hydrocodone with APAP tablets, put them in his mouth, and swallowed them. Respondent later denied that there ever had been any Hydrocodone tablets, or that he had swallowed them.
- c. The pharmacy inventory for that day showed a loss/shortage of six (6) tablets of **Hydrocodone with APAP 10/325mg** and twenty (20) tablets of **Carisoprodol 350mg**.
- d. On or about April 9, 2010, Costco # 472 (Salinas) submitted a Report of Theft or Loss of Controlled Substances (DEA Form 106) to the DEA, and to the Board, listing a theft of six (6) tablets of **Hydrocodone with APAP 10/325mg**, attributed to Respondent's pilferage.
- e. On or about April 15, 2010, Costco # 131 (Sand City) submitted a Report of Theft or Loss of Controlled Substances (DEA Form 106) to the DEA, and to the Board, listing a theft of 141 tablets Diazepam 10mg (Valium), 33 tablets Hydrocodone with APAP 5/500mg, 21 tablets Hydrocodone with APAP 5/325mg, 19 tablets Hydrocodone with APAP 10/325mg, 64 tablets Lorazepam 1mg (Ativan), 11 tablets Hydrocodone with APAP 10/500mg, 14 tablets Hydrocodone with APAP 10/325mg, 10 tablets Hydrocodone with APAP 7.5/325mg, 16 tablets Phentermine 37.5mg (Fastin/Adipex), 17 tablets Zolpidem (Ambien), 21 tablets Hydrocodone with Ibuprofen, and 143 tablets Carisoprodol 350mg (Soma).

- f. On or about April 30, 2010, Costco Pharmacy reported to the Board that on or about April 13, 2010 Respondent had been terminated from Costco for theft of prescription drugs.
- g. On or about May 11, 2010, Respondent admitted to Board Inspector(s) that he had used "bad judgment" during the incident leading to his arrest. In response to a question about whether he had an addiction problem, Respondent admitted that "at one point" his drug use may have gotten "out of hand," though he felt that as of that date he was moving past that.
