STATUTORY PROVISIONS

6. Section 490 of the Code provides, in pertinent part, that a board may suspend or revoke a license on the ground that the licensee has been convicted of a crime substantially related to the qualifications, functions, or duties of the business or profession for which the license was issued.

7. Section 493 of the Code states:

Notwithstanding any other provision of law, in a proceeding conducted by a board within the department pursuant to law to deny an application for a license or to suspend or revoke a license or otherwise take disciplinary action against a person who holds a license, upon the ground that the applicant or the licensee has been convicted of a crime substantially related to the qualifications, functions, and duties of the licensee in question, the record of conviction of the crime shall be conclusive evidence of the fact that the conviction occurred, but only of that fact, and the board may inquire into the circumstances surrounding the commission of the crime in order to fix the degree of discipline or to determine if the conviction is substantially related to the qualifications, functions, and duties of the licensee in question.

As used in this section, 'license' includes 'certificate,' 'permit,' 'authority,' and 'registration.'

8. Section 4301 of the Code states:

The board shall take action against any holder of a license who is guilty of unprofessional conduct or whose license has been procured by fraud or misrepresentation or issued by mistake. Unprofessional conduct shall include, but is not limited to, any of the following:

...

(f) The commission of any act involving moral turpitude, dishonesty, fraud, deceit, or corruption, whether the act is committed in the course of relations as a licensee or otherwise, and whether the act is a felony or a misdemeanor or not.

...

(h) The administering to oneself, of any controlled substance, or the use of any dangerous drug or of alcoholic beverages to the extent or in a manner as to be dangerous or injurious to oneself, to a person holding a license under this chapter, or to any other person or to the public, or to the extent that the use impairs the ability of the person to conduct with safety to the public the practice authorized by the license.

...

1 (k) The conviction of more than one misdemeanor or any felony
2 involving the use, consumption, or self-administration of any dangerous
3 drug or alcoholic beverage, or any combination of those substances.

4 ...

5 (l) The conviction of a crime substantially related to the qualifications,
6 functions, and duties of a licensee under this chapter. The record of
7 conviction of a violation of Chapter 13 (commencing with Section 801) of
8 Title 21 of the United States Code regulating controlled substances or of a
9 violation of the statutes of this state regulating controlled substances or
10 dangerous drugs shall be conclusive evidence of unprofessional conduct. In
11 all other cases, the record of conviction shall be conclusive evidence only of
12 the fact that the conviction occurred. The board may inquire into the
13 circumstances surrounding the commission of the crime, in order to fix the
14 degree of discipline or, in the case of a conviction not involving controlled
15 substances or dangerous drugs, to determine if the conviction is of an
16 offense substantially related to the qualifications, functions, and duties of a
17 licensee under this chapter. A plea or verdict of guilty or a conviction
18 following a plea of nolo contendere is deemed to be a conviction within the
19 meaning of this provision. The board may take action when the time for
20 appeal has elapsed, or the judgment of conviction has been affirmed on
21 appeal or when an order granting probation is made suspending the
22 imposition of sentence, irrespective of a subsequent order under Section
23 1203.4 of the Penal Code allowing the person to withdraw his or her plea of
24 guilty and to enter a plea of not guilty, or setting aside the verdict of guilty,
25 or dismissing the accusation, information, or indictment.

26 ...

27 REGULATORY PROVISIONS

28 9. California Code of Regulations, title 16, section 1769, states:

6 registrant if to a substantial degree it evidences present or potential unfitness
7 of a licensee or registrant to perform the functions authorized by his license
8 or registration in a manner consistent with the public health, safety, or
9 welfare.

7 COSTS

8 11. Section 125.3 of the Code states, in pertinent part, that the Board may request the
