A copy of the Petition to Revoke Probation attached as Exhibit A.

1 2. On or about May 18, 2012, the Board issued Original Pharmacy Technician
2 Registration No. TCH 110546 to Respondent. The Original Pharmacy Technician Registration
3 will expire on December 31, 2013, unless renewed.

4 3. On or about July 5, 2013, Respondent was served by Certified Mail and United States

1 Respondent by the decision, as follows:

2 Within thirty (30) days of the effective date of this decision, and within fifteen (15) days of
3 respondent undertaking any new employment, Respondent shall cause his direct supervisor,
4 pharmacist-in-charge (including each new pharmacist-in-charge employed during Respondent's
5 tenure of employment) and owner to report to the Board in writing acknowledging that the listed
6 individual(s) has/have read the decision in Case No. 4178 and the terms and conditions imposed
7 thereby. It shall be Respondent's responsibility to ensure that his employer(s) and/or
8 supervisor(s) submit timely acknowledgement(s) to the Board.

9 If Respondent works for or is employed by or through a pharmacy employment service,
10 Respondent must notify his direct supervisor, pharmacist-in-charge and owner at every pharmacy
11 of the terms and conditions of the decision in Case No. 4178 in advance of the Respondent
12 commencing work at each pharmacy. A record of this notification must be provided to the Board
13 upon request.

14 Furthermore, within thirty (30) days of the effective date of this decision, and within fifteen
15 (15) days of Respondent undertaking any new employment by or through a pharmacy
16 employment service, Respondent shall cause his direct supervisor with the pharmacy employment
17 service to report to the Board in writing acknowledging that he has read the decision in Case No.

22 probation.

23 "Employment" within the meaning of this provision shall include any full-time,
24 part-time, temporary or relief service or pharmacy management service as a pharmacy
25 technician or in any position for which a pharmacy technician license is a requirement

27 independent contractor or volunteer.

28 ///

1 7. **Probation Monitoring Costs**

2 Respondent shall pay any costs associated with probation monitoring as determined by the
3 Board each and every year of probation. Such costs shall be payable to the Board on a schedule
4 as directed by the board or its designee. Failure to pay such costs by the deadline(s) as directed
5 shall be considered a violation of probation.

6 8. **Status of License**

7 Respondent shall, at all times while on probation, maintain an active, current pharmacy
8 technician license with the Board, including any period during which suspension of probation is
9 tolled. Failure to maintain an active, current license shall be considered a violation of probation.

10 If Respondent's pharmacy technician license expires or is cancelled by operation of law or
11 otherwise at any time during the period of probation, including any extensions thereof due to
12 tolling or otherwise, upon renewal or reapplication Respondent's license shall be subject to all
13 terms and conditions of this probation not previously satisfied.

14 9. **License Surrender While on Probation/Suspension**

15 Following the effective date of this decision, should Respondent cease work due to
16 retirement or health, or be otherwise unable to satisfy the terms and conditions of probation,
17 Respondent may tender his pharmacy technician license to the Board for surrender. The Board or
18 its designee shall have the discretion whether to grant the request for surrender or take any other
19 action it deems appropriate and reasonable. Upon formal acceptance of the surrender of the
20 license, Respondent will no longer be subject to the terms and conditions of probation. This
21 surrender constitutes a record of discipline and shall become a part of the Respondent's license
22 history with the Board.

23 Upon acceptance of the surrender, Respondent shall relinquish his pharmacy technician
24 license to the Board within ten (10) days of notification by the Board that the surrender is
25 accepted. Respondent may not reapply for any license, permit, or registration from the board for
26 three (3) years from the effective date of the surrender. Respondent shall meet all requirements
27 applicable to the license sought as of the date the application for that license is submitted to the
28 Board.

10. Notification of a Change in Name, Residence Address, Mailing Address or Employment

Respondent shall notify the Board in writing within ten (10) days of any change of employment. Said notification shall include the reasons for leaving, the address of the new employer, the name of the supervisor and owner, and the work schedule if known. Respondent shall further notify the Board in writing within ten (10) days of a change in name, residence address and mailing address, or phone number.

Failure to timely notify the Board of any change in employer(s), name(s), address(es), or phone number(s) shall be considered a violation of probation.

11. Tolling of Probation

Except during periods of suspension, Respondent shall, at all times while on probation, be employed as a pharmacy technician in California for a minimum of forty (40) hours per calendar month. Any month during which this minimum is not met shall toll the period of probation, i.e., the period of probation shall be extended by one month for each month during which this minimum is not met. During any such period of tolling of probation, Respondent must nonetheless comply with all terms and conditions of probation.

Should Respondent, regardless of residency, for any reason (including vacation) cease working as a pharmacy technician for a minimum of forty (40) hours per calendar month in California, Respondent must notify the Board in writing within ten (10) days of cessation of work and must further notify the Board in writing within ten (10) days of the resumption of the work. Any failure to provide such notification(s) shall be considered a violation of probation.

It is a violation of probation for Respondent's probation to remain tolled pursuant to the provisions of this condition for a total period, counting consecutive and non-consecutive months, exceeding thirty-six (36) months.

"Cessation of work" means calendar month during which respondent is not working for at least forty (40) hours as a pharmacy technician, as defined in Business and Professions Code section 4115. "Resumption of work" means any calendar month during which Respondent is working as a pharmacy technician for at least

1 forth (40) hours as a pharmacy technician as defined by Business and Professions
2 Code section 4115.

3 12. **Violation of Probation**

4 If Respondent has not complied with any term or condition of probation, the Board shall
5 have continuing jurisdiction over Respondent, and probation shall automatically be extended,
6 until all terms and conditions have been satisfied or the Board has taken other action as deemed
7 appropriate to treat the failure to comply as a violation of probation, to terminate probation, and
8 to impose the penalty that was stayed.

9 If Respondent violates probation in any respect, the Board, after giving Respondent notice
10 and an opportunity to be heard, may revoke probation and carry out the disciplinary order that
11 was stayed. Notice and opportunity to be heard are not required for those provisions stating that a
12 violation thereof may lead to automatic termination of the stay and/or revocation of the license. If
13 a petition to revoke probation or an accusation is filed against Respondent during probation, the
14 Board shall have continuing jurisdiction, and the period of probation shall be automatically
15 extended until the petition to revoke probation or accusation is heard and decided.

16 13. **Completion of Probation**

17 Upon written notice by the Board indicating successful completion of probation,
18 respondent's pharmacy technician license will be fully restored.

19 14. **No Ownership of Licensed Premises**

20 Respondent shall not own, have any legal or beneficial interest in, or serve as a manager,
21 administrator, member, officer, director, trustee, associate, or partner of any business, firm,
22 partnership, or corporation currently or hereinafter licensed by the Board. Respondent shall sell
23 or transfer any legal or beneficial interest in any entity licensed by the Board within ninety (90)
24 days following the effective date of this decision and shall immediately thereafter provide written
25 proof thereof to the Board. Failure to timely divest any legal or beneficial interest(s) or provide
26 documentation thereof shall be considered a violation of probation.

27 15. **Attend Substance Abuse Recovery Relapse Prevention and Support Groups**

28 This term of probation shall apply if Respondent receives a confirmed positive during the

1 random drug screening provided by Condition No. 17 hereof. In that event, and immediately upon
2 receipt of notice from the Board or its designee, Respondent shall begin regular attendance at a
3 recognized and established substance abuse recovery support group in California, (e.g.,
4 Alcoholics Anonymous, Narcotics Anonymous, etc.) which has been approved by the board or its
5 designee. Respondent must attend at least one group meeting per week unless otherwise directed
6 by the board or its designee. Respondent shall continue regular attendance and submit signed and
7 dated documentation confirming attendance with each quarterly report for the duration of
8 probation. Failure to attend or submit documentation thereof shall be considered a violation of
9 probation.

10 16. Random Drug Screening

11 Respondent, at his own expense, shall participate in random testing, including but not
12 limited to biological fluid testing (urine, blood), breathalyzer, hair follicle testing, or other drug
13 screening program as directed by the Board or its designee. Respondent may be required to
14 participate in testing for the entire probation period and the frequency of testing will be
15 determined by the Board or its designee. At all times Respondent shall fully cooperate with the
16 Board or its designee, and shall, when directed, submit to such tests and samples for the detection
17 of alcohol, narcotics, hypnotics, dangerous drugs or other controlled substances as the board or its
18 designee may direct. Failure to timely submit to testing as directed shall be considered a violation
19 of probation. Upon request of the Board or its designee, Respondent shall provide documentation
20 from a licensed practitioner that the prescription for a detected drug was legitimately issued and is
21 a necessary part of the treatment of the Respondent. Failure to timely provide such
22 documentation shall be considered a violation of probation. Any confirmed positive test for
23 alcohol or for any drug not lawfully prescribed by a licensed practitioner as part of a documented
24 medical treatment shall be considered a violation of probation and shall result in the automatic
25 suspension of work by Respondent. Respondent may not resume work as a pharmacy technician
26 until notified by the Board in writing.

27 During suspension, Respondent shall not enter any pharmacy area or any portion of or any
28 other board licensed premises (wholesaler, veterinary food-animal drug retailer or any other

1 distributor of drugs) any drug manufacturer, or any other location where dangerous drugs and
2 devices or controlled substances are maintained. Respondent shall not do any act involving drug
3 selection, selection of stock, manufacturing, compounding or dispensing; nor shall respondent
4 manage, administer, or assist any licensee of the Board. Respondent shall not have access to or
5 control the ordering, manufacturing or dispensing of dangerous drugs and devices or controlled
6 substances. Respondent shall not resume work until notified by the Board.

7 Respondent shall not direct, control or perform any aspect of the practice of pharmacy.
8 Subject to the above restrictions, Respondent may continue to own or hold an interest in any
9 licensed premises in which he holds an interest at the time this decision becomes effective unless
10 otherwise specified in this order.

11 Failure to comply with this suspension shall be considered a violation of probation.

12 17. Abstain from Drugs and Alcohol Use

13 Respondent shall completely abstain from the possession or use of alcohol, controlled
14 substances, dangerous drugs and their associated paraphernalia except when the drugs are
15 lawfully prescribed by a licensed practitioner as part of a documented medical treatment. Upon
16 request of the Board or its designee, Respondent shall provide documentation from the licensed
17 practitioner that the prescription for the drug was legitimately issued and is a necessary part of the
18 treatment of the respondent. Failure to timely provide such documentation shall be considered a
19 violation of probation. Respondent shall ensure that he is not in the same physical location as
20 individuals who are using illicit substances even if Respondent is not personally ingesting the
21 drugs. Any possession or use of alcohol, controlled substances, or their associated paraphernalia
22 not supported by the documentation timely provided, and/or any physical proximity to persons
23 using illicit substances, shall be considered a violation of probation.

24 18. Criminal Probation/Parole Reports

25 Respondent shall provide a copy of the conditions of any criminal probation/parole to the
26 Board, in writing, within ten (10) days of the issuance or the modification of those conditions.
27 Respondent shall provide the name of his probation/parole officer to the Board, in writing, within
28 ten (10) days after that officer is designated or a replacement for that officer is designated.

1 Respondent shall provide a copy of all criminal probation/parole reports to the Board within ten
2 (10) days after Respondent receives a copy of such a report.
