7        **3. Report to the Board**

8        Respondent shall report to the board quarterly, on a schedule as directed by the board or its

10        requirements, respondent shall state in each report under penalty of perjury whether there has  
11        been compliance with all the terms and conditions of probation. Failure to submit timely reports  
12        in a form as directed shall be considered a violation of probation. Any period(s) of delinquency  
13        in submission of reports as directed may be added to the total period of probation. Moreover, if  
14        the final probation report is not made as directed, probation shall be automatically extended until  
15        such time as the final report is made and accepted by the board.

16        **4. Interview with the Board**

17        Upon receipt of reasonable prior notice, respondent shall appear in person for interviews

28        decision in case number 4715 and the terms, conditions and restrictions imposed, as follows:

1           Within thirty (30) days of the effective date of this decision, and within fifteen (15) days of  
2 respondent undertaking any new employment, respondent shall cause his direct supervisor,  
3 pharmacist-in-charge (including each new pharmacist-in-charge employed during respondent's  
4 tenure of employment) and owner to report to the board in writing acknowledging that the listed  
5 individual(s) has/have read the decision in case number 4715 and the terms and conditions  
6 imposed thereby. It shall be respondent's responsibility to ensure that his employer(s) and/or  
7 supervisor(s) submit timely acknowledgement(s) to the board.

8           If respondent works for or is employed by or through a pharmacy employment service,  
9 respondent must notify his direct supervisor, pharmacist-in-charge and owner at every pharmacy  
10 of the terms and conditions of the decision in case number 4715 in advance of commencing work  
11 at each pharmacy. A record of this notification must be provided to the board upon request.

12           Furthermore, within thirty (30) days of the effective date of this decision, and within fifteen  
13 (15) days of respondent undertaking any new employment by or through a pharmacy employment  
14 service, respondent shall cause his direct supervisor with the pharmacy employment service to  
15 report to the board in writing acknowledging that he or she has read the decision in case number  
16 4715 and the terms and conditions imposed thereby. It shall be respondent's responsibility to  
17 ensure that his employer(s) and/or supervisor(s) submit timely acknowledgment(s) to the board.

18           Failure to timely notify present or prospective employer(s) or to cause employer(s) to  
19 submit timely acknowledgements to the board shall be considered a violation of probation.

20           "Employment" within the meaning of this provision shall include any full-time,  
21 part-time, temporary or relief service or pharmacy management service as a pharmacy  
22 technician or in any position for which a pharmacy technician license is a requirement  
23 or criterion for employment, whether the respondent is considered an employee,  
24 independent contractor or volunteer.

25           **7. Status of License**

26           Respondent shall, at all times while on probation, maintain an active, current pharmacy  
27 technician license with the board, including any period during which suspension or probation is  
28 tolled. Failure to maintain an active, current license shall be considered a violation of probation.

1 If respondent's pharmacy technician license expires or is cancelled by operation of law or  
2 otherwise at any time during the period of probation, including any extensions thereof due to  
3 tolling or otherwise, upon renewal or reapplication respondent's license shall be subject to all  
4 terms and conditions of this probation not previously satisfied.

5 **8. Notification of a Change in Employment, Name, Address, or Phone**

6 Respondent shall notify the board in writing within ten (10) days of any change of  
7 employment. Said notification shall include the reasons for leaving, the address of the new  
8 employer, the name of the supervisor and owner, and the work schedule if known. Respondent  
9 shall further notify the board in writing within ten (10) days of a change in name, residence  
10 address, mailing address, or phone number. Failure to timely notify the board of any change in  
11 employer, name, address, or phone number shall be considered a violation of probation.

12 **9. No Ownership of Licensed Premises**

13 Respondent shall not own, have any legal or beneficial interest in, or serve as a manager,  
14 administrator, member, officer, director, trustee, associate, or partner of any business, firm,  
15 partnership, or corporation currently or hereinafter licensed by the board. Respondent shall sell  
16 or transfer any legal or beneficial interest in any entity licensed by the board within ninety (90)  
17 days following the effective date of this decision and shall immediately thereafter provide written  
18 proof thereof to the board. Failure to timely divest any legal or beneficial interest(s) or provide  
19 documentation thereof shall be considered a violation of probation.

20 **10. Reimbursement of Board Costs**

21 As a condition precedent to successful completion of probation, Respondent shall pay to the  
22 board its costs of investigation and prosecution in the amount of \$1,710.00. Respondent shall be  
23 permitted to pay these costs in a payment plan approved by the Board or its designee, so long as  
24 full payment is made within fifty-four (54) months of the effective date of this decision. There is  
25 to be no deviation from this schedule absent prior written approval by the Board or its designee.  
26 Failure to pay costs by the deadline(s) as directed shall be considered a violation of probation.

27 The filing of bankruptcy by Respondent shall not relieve Respondent of his responsibility to  
28 reimburse the board its costs of investigation and prosecution.

1           **11. Probation Monitoring Costs**

2           Respondent shall pay any costs associated with probation monitoring as determined by the  
3 board each and every year of probation. Such costs shall be payable to the board on a schedule as  
4 directed by the board or its designee. Failure to pay such costs by the deadline(s) as directed shall  
5 be considered a violation of probation.

6           **12. Work Site Monitor**

7           Within ten (10) days of the effective date of this decision, respondent shall identify a work  
8 site monitor, for prior approval by the board, who shall be responsible for supervising respondent  
9 during working hours. Respondent shall be responsible for ensuring that the work site monitor  
10 reports in writing to the board quarterly. Should the designated work site monitor determine at  
11 any time during the probationary period that respondent has not maintained sobriety, he shall  
12 notify the board immediately, either orally or in writing as directed. Should respondent change  
13 employment, a new work site monitor must be designated, for prior approval by the board, within  
14 ten (10) days of commencing new employment. Failure to identify an acceptable initial or  
15 replacement work site monitor, or to ensure quarterly reports are submitted to the board, shall be  
16 considered a violation of probation.

17           **13. Notification of Departure**

18           Prior to leaving the probationary geographic area designated by the board or its designee for  
19 a period greater than twenty-four (24) hours, respondent shall notify the board verbally and in  
20 writing of the dates of departure and return. Failure to comply with this provision shall be  
21 considered a violation of probation.

22           **14. Employment Requirement: Tolling of Probation**

23           Except during periods of suspension, respondent shall, at all times while on probation, be  
24 employed as a pharmacy technician in California for a minimum of ten (10) hours per calendar  
25 month. Any month during which this minimum is not met shall toll the period of probation, i.e.,  
26 the period of probation shall be extended by one month for each month during which this  
27 minimum is not met. During any such period of tolling of probation, respondent must  
28 nonetheless comply with all terms and conditions of probation.

1           Should respondent, regardless of residency, for any reason (including vacation) cease  
2 working as a pharmacy technician for a minimum of ten (10) hours per calendar month in  
3 California, respondent must notify the board in writing within ten (10) days of cessation of work  
4 and must further notify the board in writing within ten (10) days of the resumption of the work.  
5 Any failure to provide such notification(s) shall be considered a violation of probation.

6           It is a violation of probation for respondent's probation to remain tolled pursuant to the  
7 provisions of this condition for a total period, counting consecutive and non-consecutive months,  
8 exceeding thirty-six (36) months.

9           "Cessation of work" means a calendar month during which respondent is not  
10 working for at least ten (10) hours as a pharmacy technician, as defined in Business  
11 and Professions Code section 4115. "Resumption of work" means any calendar  
12 month during which respondent is working for at least ten (10) hours as a pharmacy  
13 technician as defined by Business and Professions Code section 4115.

14           **15. Attend Substance Abuse Recovery Relapse Prevention and Support Groups**

15           Within thirty (30) days of the effective date of this decision, respondent shall begin regular  
16 attendance at a recognized and established substance abuse recovery support group in California,  
17 (e.g., Alcoholics Anonymous, Narcotics Anonymous, etc.) that has been approved by the board or  
18 its designee, attending at least one group meeting per week unless otherwise directed by the board  
19 or its designee. Respondent shall continue regular attendance and submit signed and dated  
20 documentation confirming attendance with each quarterly report for the duration of probation.

21 Failure to attend or submit documentation thereof shall be considered a violation of probation.

22           **16. Prescription Coordination and Monitoring of Prescription Use**

23           Within thirty (30) days of the effective date of this decision, respondent shall submit to the  
24 board, for its prior approval, the name and qualifications of a single physician, nurse practitioner,  
25 physician assistant, or psychiatrist of respondent's choice, who shall be aware of the respondent's  
26 history with the use of methamphetamine and who will coordinate and monitor any prescriptions  
27 for respondent for dangerous drugs, controlled substances or mood-altering drugs. The approved  
28 practitioner shall be provided with a copy of the board's Accusation and decision.

1 A record of this notification must be provided to the board upon request. Respondent shall  
2 sign a release authorizing the practitioner to communicate with the board about respondent's  
3 treatment(s). The coordinating physician, nurse practitioner, physician assistant, or psychiatrist  
4 shall report to the board on a quarterly basis for the duration of probation regarding respondent's  
5 compliance with this condition. If any substances considered addictive have been prescribed, the  
6 report shall identify a program for the time limited use of any such substances.

7 The board may require that the single coordinating physician, nurse practitioner, physician  
8 assistant or psychiatrist be a specialist in addictive medicine, or consult a specialist in addictive  
9 medicine. Should respondent, for any reason, cease supervision by the approved practitioner,  
10 respondent shall notify the board immediately and, within thirty (30) days of ceasing, submit the  
11 name of a replacement physician, nurse practitioner, physician assistant, or psychiatrist of  
12 respondent's choice to the board or its designee for its prior approval. Failure to timely submit  
13 the selected practitioner or replacement practitioner to the board for approval, or to ensure the  
14 required reporting thereby on the quarterly reports, shall be considered a violation of probation.

15 If at any time an approved practitioner determines that respondent is unable to practice  
16 safely or independently as a pharmacy technician, the practitioner shall notify the board  
17 immediately by telephone and follow up by written letter within three (3) working days. Upon  
18 notification by the board or its designee of this determination, respondent shall be automatically  
19 suspended and shall not resume practice until notified by the board that practice may be resumed.

20 During any such suspension, respondent shall not enter any pharmacy area or any portion of  
21 or any other board licensed premises (wholesaler, veterinary food-animal drug retailer or any  
22 other distributor of drugs) any drug manufacturer, or any other location where dangerous drugs  
23 and devices or controlled substances are maintained. Respondent shall not do any act involving  
24 drug selection, selection of stock, manufacturing, compounding or dispensing; nor shall  
25 respondent manage, administer, or assist any licensee of the board. Respondent shall not direct,  
26 control or perform any aspect of the practice of pharmacy. Respondent shall not have access to or  
27 control the ordering, manufacturing or dispensing of dangerous drugs and devices or controlled  
28 substances. Respondent shall not resume work until notified by the board.

1 Failure to comply with any such suspension shall be considered a violation of probation.

2 **17. Abstain from Drugs and Alcohol Use**

3 Respondent shall completely abstain from the possession or use of alcohol, controlled  
4 substances, dangerous drugs and their associated paraphernalia except when the drugs are  
5 lawfully prescribed by a licensed practitioner as part of a documented medical treatment. Upon  
6 request of the board or its designee, respondent shall provide documentation from the licensed  
7 practitioner that the prescription for the drug was legitimately issued and is a necessary part of the  
8 treatment of the respondent. Failure to timely provide such documentation shall be considered a  
9 violation of probation. Respondent shall ensure that he is not in the same physical location as  
10 individuals who are using illicit substances even if respondent is not personally ingesting the  
11 drugs. Any possession or use of alcohol, controlled substances, or their associated paraphernalia  
12 not supported by the documentation timely provided, and/or any physical proximity to persons  
13 using illicit substances, shall be considered a violation of probation.

14 **18. Random Drug Screening**

15 Respondent, at his own expense, shall participate in random testing, including but not  
16 limited to biological fluid testing (urine, blood), breathalyzer, hair follicle testing, or other drug  
17 screening program as directed by the board or its designee. Respondent may be required to  
18 participate in testing for the entire probation period and the frequency of testing will be  
19 determined by the board or its designee. At all times respondent shall fully cooperate with the  
20 board or its designee, and shall, when directed, submit to such tests and samples for the detection  
21 of alcohol, narcotics, hypnotics, dangerous drugs or other controlled substances as the board or its  
22 designee may direct. Failure to timely submit to testing as directed shall be considered a violation  
23 of probation. Upon request of the board or its designee, respondent shall provide documentation  
24 from a licensed practitioner that the prescription for a detected drug was legitimately issued and is  
25 a necessary part of the treatment of the respondent. Failure to timely provide such documentation  
26 shall be considered a violation of probation. Any confirmed positive test for alcohol or for any  
27 drug not lawfully prescribed by a licensed practitioner as part of a documented medical treatment  
28 shall be considered a violation of probation and shall result in respondent's automatic suspension.

1 Respondent may not resume work as a pharmacy technician until notified by the board in writing.

2 During any such suspension, respondent shall not enter any pharmacy area or any portion of  
3 or any other board licensed premises (wholesaler, veterinary food-animal drug retailer or any  
4 other distributor of drugs) any drug manufacturer, or any other location where dangerous drugs  
5 and devices or controlled substances are maintained. Respondent shall not do any act involving  
6 drug selection, selection of stock, manufacturing, compounding or dispensing; nor shall

7 respondent manage, administer, or assist any licensee of the board. Respondent shall not direct,  
8 control or perform any aspect of the practice of pharmacy. Respondent shall not have access to or  
9 control the ordering, manufacturing or dispensing of dangerous drugs and devices or controlled  
10 substances. Respondent shall not resume work until notified by the board.

11 Failure to comply with any such suspension shall be considered a violation of probation.

12 **19. License Surrender While on Probation/Suspension**

13 Following the effective date of this decision, should respondent cease work due to  
14 retirement or health, or be otherwise unable to satisfy the terms and conditions of probation,  
15 respondent may tender his pharmacy technician license to the board for surrender. The board or  
16 its designee shall have the discretion whether to grant the request for surrender or take any other  
17 action it deems appropriate. Upon formal acceptance of the surrender of the license, respondent  
18 will no longer be subject to the terms and conditions of probation. This surrender constitutes a  
19 record of discipline and shall become a part of the respondent's license history with the board.

20 Upon acceptance of the surrender, respondent shall relinquish his pharmacy technician  
21 license to the board within ten (10) days of notification by the board the surrender is accepted.

22 Respondent may not reapply for any license, permit, or registration from the board for three (3)  
23 years from the effective date of the surrender. Respondent shall meet all requirements applicable  
24 to the license sought as of the date the application for that license is submitted to the board.

25 **20. Violation of Probation**

26 If respondent has not complied with any term or condition of probation, the board shall  
27 have continuing jurisdiction over respondent, and probation shall automatically be extended, until  
28 all terms and conditions have been satisfied or the board has taken other action as deemed

1 appropriate to treat the failure to comply as a violation of probation, to terminate probation, and  
2 to impose the penalty that was stayed. If respondent violates probation in any respect, the board,  
3 after giving respondent notice and an opportunity to be heard, may revoke probation and carry out  
4 the disciplinary order that was stayed.

5 If a petition to revoke probation or an accusation is filed against respondent during  
6 probation, the board shall have continuing jurisdiction, and the period of probation shall be  
7 automatically extended until the petition to revoke probation or accusation is heard and decided.

8 **21. Completion of Probation**

9 Upon written notice by the board indicating successful completion of probation,  
10 respondent's pharmacy technician license will be fully restored.

7 suspension of a Board-issued license, the placement of a license on a retired status, or the  
8 voluntary surrender of a license by a licensee, shall not deprive the Board of jurisdiction to  
9 commence or proceed with any investigation of, or action or disciplinary proceeding against, the  
10 licensee or to render a decision suspending or revoking the license.

11  
12 STATUTORY AND REGULATORY PROVISIONS

13 7. Section 4301 of the Code provides, in pertinent part, that the Board shall take action

21 (l) The conviction of a crime substantially related to the qualifications, functions, and duties  
22 of a licensee under this chapter.

7 10. Section 125.3 of the Code provides, in pertinent part, that the Board may request the  
8 administrative law judge to direct a licentiate found to have committed a violation of the licensing  
9 act to pay a sum not to exceed its reasonable costs of investigation and enforcement.

10  
11 FIRST CAUSE FOR DISCIPLINE

12 (Conviction of Substantially Related Crime(s))

13 11. Respondent is subject to discipline under section 4301(1) and/or section 490 of the  
14 Code, by reference to California Code of Regulations, title 16, section 1770, for the conviction of  
15 substantially related crime(s), in that on or about August 1, 2012, in the criminal case *People v.*  
16 *Robert W. Mann*, Case No. SCR-620165 in Sonoma County Superior Court, Respondent was  
17 convicted of violating Vehicle Code section 23152(b) (Driving with Blood Alcohol of 0.08% or  
18 Higher), a misdemeanor. The conviction was entered as follows:

19 a. On or about June 16, 2012, California Highway Patrol officer(s) in the Santa  
20 Rosa, CA area observed a white Mazda pick-up truck traveling with a current registration sticker  
21 (expiring November 2012), for which registration records showed that the vehicle registration  
22 was actually expired as of November 2011. The officer(s) stopped the vehicle, and contacted the  
23 driver (Respondent). The officer(s) detected the smell of alcohol coming from the vehicle, and  
24 observed other symptoms of Respondent's speech and demeanor that raised the suspicion of his  
25 having been drinking. The officer(s) administered Field Sobriety Tests (FSTs) to Respondent,  
26 which he was not able to perform correctly, and a Preliminary Alcohol Screening (PAS) device  
27 measured his blood alcohol level at 0.129% and 0.131% BAC. Respondent was placed under  
28 arrest, and provided two breath samples that registered at 0.13% and 0.12% BAC.

1           b. After Respondent was transported to the Sonoma County Jail, and while he was  
2 going through the booking process, a small plastic bag containing a white powdery substance fell  
3 out of Respondent's right sock, which was subsequently identified as **cocaine** (3.8 grams gross).

4           c. On or about June 20, 2012, in *People v. Robert Wiley Mann*, Case No. SCR-  
5 620165 in Sonoma County Superior Court, Respondent was charged by Felony Complaint with  
6 violating (1) Health and Safety Code section 11350, subdivision (a) (Possession of Controlled  
7 Substance – **cocaine**), a felony; (2) Penal Code section 4573 (Bringing or Sending Controlled  
8 Substance into Detention Facility), a felony; (3) Vehicle Code section 23152, subdivision (a)  
9 (Driving Under the Influence of Alcohol/Drug), a misdemeanor; and (4) Vehicle Code section  
10 23152, subdivision (b) (Driving With Blood Alcohol of 0.08% or Higher), a misdemeanor.

11           d. On or about August 1, 2012, Respondent entered a guilty plea as to Count 1  
12 (violation of Health and Safety Code section 11350, subdivision (a)), and a no contest plea as to  
13 Count 4 (violation of Vehicle Code section 23152, subdivision (b)). The remaining counts were  
14 dismissed pursuant to the plea. As to Count 1, Respondent was granted a Deferred Entry of  
15 Judgment (DEJ) pursuant to Penal Code section 1000 et seq. As to Count 4, Respondent was  
16 found guilty, imposition of sentence was suspended, and he was given a conditional sentence of  
17 thirty-six (36) months (probation), on terms and conditions including two (2) days in jail (1 day  
18 CTS), completion of a First Offender Drinking Driver Program, fines and fees.

19  
20   SECOND CAUSE FOR DISCIPLINE

21   (Dangerous or Injurious Use of Alcohol)

22           12. Respondent is subject to discipline under section 4301(h) of the Code, in that as
