[Gov. Code, §11520]

FINDINGS OF FACT

1. On or about September 6, 2013, Complainant Virginia Herold, in her official capacity as the Executive Officer of the Board of Pharmacy, Department of Consumer Affairs, filed Accusation No. 4783 against Nick Karpachinski (Respondent) before the Board of Pharmacy. (The Accusation is attached as Exhibit A.)
2. On or about August 16, 1979, the Board of Pharmacy (Board) issued Pharmacist License No. RPH 33217 to Respondent. The Pharmacist License was in full force and effect at all times relevant to the charges brought in Accusation No. 4783 and will expire on July 31, 2015, unless renewed.
3. On or about September 19, 2013, Respondent was served by Certified and First Class Mail copies of the Accusation No. 4783, Statement to Respondent, Notice of Defense, Request for Discovery, and Discovery Statutes (Government Code sections 11507.5, 11507.6, and

1 11507.7) at Respondent's address of record which, pursuant to Business and Professions Code
2 section 4100 and California Code of Regulations, title 16, section 1704, is required to be reported
3 and maintained with the Board. Respondent's address of record was and is:

4 1340 Pinnacle Peak
5 Chula Vista, CA 91915

6 4. Service of the Accusation was effective as a matter of law under the provisions of
7 Government Code section 11505, subdivision (c) and/or Business & Professions Code section
8 124.

9 5. On or about September 21, 2013, Respondent signed the Domestic Return Receipt for
10 the aforementioned documents served by Certified Mail acknowledging receipt.

11 6. Government Code section 11506 states, in pertinent part:

12 (c) The respondent shall be entitled to a hearing on the merits if the respondent
13 files a notice of defense, and the notice shall be deemed a specific denial of all parts
14 of the accusation not expressly admitted. Failure to file a notice of defense shall
15 constitute a waiver of respondent's right to a hearing, but the agency in its discretion
16 may nevertheless grant a hearing.

17 7. Respondent failed to file a Notice of Defense within 15 days after service upon him
18 of the Accusation, and therefore waived his right to a hearing on the merits of Accusation No.
19 4783.

20 8. California Government Code section 11520 states, in pertinent part:

21 (a) If the respondent either fails to file a notice of defense or to appear at the
22 hearing, the agency may take action based upon the respondent's express admissions
23 or upon other evidence and affidavits may be used as evidence without any notice to
24 respondent.

25 9. Pursuant to its authority under Government Code section 11520, the Board finds
26 Respondent is in default. The Board will take action without further hearing and, based on the
27 relevant evidence contained in the Default Decision Evidence Packet in this matter, as well as
28 taking official notice of all the investigatory reports, exhibits and statements contained therein on
file at the Board's offices regarding the allegations contained in Accusation No. 4783, finds that
the charges and allegations in Accusation No. 4783 are separately and severally, found to be true
and correct by clear and convincing evidence.

to fix the degree of discipline or to determine if the conviction is substantially related to the qualifications, functions, and duties of the licensee in question.

As used in this section, "license" includes "certificate," "permit," "authority," and "registration."

9. Section 4301 of the Code states:

The board shall take action against any holder of a license who is guilty of unprofessional conduct or whose license has been procured by fraud or misrepresentation or issued by mistake. Unprofessional conduct shall include, but is not limited to, any of the following:

....

(h) The administering to oneself, of any controlled substance, or the use of any dangerous drug or of alcoholic beverages to the extent or in a manner as to be dangerous or injurious to oneself, to a person holding a license under this chapter, or to any other person or to the public, or to the extent that the use impairs the ability of the person to conduct with safety to the public the practice authorized by the license.

....

(l) The conviction of a crime substantially related to the qualifications, functions, and duties of a licensee under this chapter. The record of conviction of a violation of Chapter 13 (commencing with Section 801) of Title 21 of the United States Code regulating controlled substances or of a violation of the statutes of this state regulating controlled substances or dangerous drugs shall be conclusive evidence of unprofessional conduct. In all other cases, the record of conviction shall be conclusive evidence only of the fact that the conviction occurred. The board may inquire into the circumstances surrounding the commission of the crime, in order to fix the degree of discipline or, in the case of a conviction not involving controlled substances or dangerous drugs, to determine if the conviction is of an offense substantially related to the qualifications, functions, and duties of a licensee under this chapter. A plea or verdict of guilty or a conviction following a plea of nolo contendere is deemed to be a conviction within the meaning of this provision. The board may take action when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under Section 1203.4 of the Penal Code allowing the person to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information, or indictment.

1 **FIRST CAUSE FOR DISCIPLINE**

2 **(July 30, 2012 Criminal Conviction for DUI on May 8, 2012)**

3 13. Respondent has subjected his license to discipline under sections 490 and 4301,
4 subdivision (l) of the Code in that he was convicted of a crime that is substantially related to the
5 qualifications, duties, and functions of a pharmacist. The circumstances are as follows:

6 a. On or about July 30, 2012, in a criminal proceeding entitled *People of the State*
7 *of California v. Nick Karpachinski*, in San Diego County Superior Court, case number S257814,
8 Respondent was convicted on his plea of guilty to violating Vehicle Code section 23152,
9 subdivision (b), driving with a blood alcohol concentration (BAC) of .08 percent or higher, a
10 misdemeanor. Respondent admitted and the court found true the special allegation that his BAC
11 was .15 percent or more, within the meaning of Vehicle Code section 23578. Pursuant to the plea
12 agreement, the court dismissed an additional count of violating Vehicle Code section 23152,
13 subdivision (a), driving under the influence of alcohol/drugs.

14 b. As a result of the conviction, on or about July 30, 2012, Respondent was
15 granted five years summary probation, and ordered to complete 10 days in the Public Service
16 Program, with credit for one day, complete a three-month First Conviction Program and a MADD
17 Victim Impact Panel, pay fees, fines and restitution, and comply with DUI probation terms. The
18 court certified Respondent's BAC as .22 percent.

19 c. The facts that led to the conviction are that on or about the afternoon of May 8,
20 2012, a patrol officer with the Chula Vista Police Department was dispatched to a report of a non-
21 injury collision involving Respondent and another driver. Upon arrival, the officer motioned for
22 Respondent to come to the officer's location; Respondent staggered across the road. The officer
23 observed that Respondent's speech was slurred, he seemed confused, and there was a strong odor
24 of an alcoholic beverage on his breath. The officer had Respondent sit on the curb to avoid
25 falling down and injuring himself. Respondent admitted that he had consumed beer prior to
26 driving, and various prescription medications within the previous 24 hours. Respondent was
27 unable to safely perform the field sobriety tests, so they were discontinued by the officer.
28 Respondent was arrested for driving under the influence of alcohol or drugs.
