**STIPULATED SETTLEMENT AND  
DISCIPLINARY ORDER**

22 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
23 entitled proceedings that the following matters are true:

24 **PARTIES**

25 1. Virginia Herold (Complainant) is the Executive Officer of the Board of Pharmacy.  
26 She brought this action solely in her official capacity and is represented in this matter by Kamala  
27 D. Harris, Attorney General of the State of California, by Nicole R. Trama, Deputy Attorney  
28 General.

1 production of documents; the right to reconsideration and court review of an adverse decision;  
2 and all other rights accorded by the California Administrative Procedure Act and other applicable  
3 laws.

4 8. Respondents voluntarily, knowingly, and intelligently waive and give up each and  
5 every right set forth above.

#### 6 CULPABILITY

7 9. Respondents understand that the charges and allegations in First Amended  
8 Accusation No. 5224, if proven at a hearing, constitute cause for imposing discipline upon  
9 Pharmacy Permit No. PHY 47339 and Pharmacist License No. RPH 45091.

10 10. For the purpose of resolving the First Amended Accusation without the expense and  
11 uncertainty of further proceedings, Respondents agree that, at a hearing, Complainant could  
12 establish a factual basis for the charges in First Amended Accusation No. 5224 and that those  
13 charges constitute cause for discipline. Respondents hereby give up their right to contest that  
14 cause for discipline exists based on those charges.

15 11. Respondent Daniel's Pharmacy understands that by signing this stipulation it enables  
16 the Board to issue an order accepting the surrender of Pharmacy Permit No. PHY 47339 without  
17 further process.

18 12. Respondent Gerges agrees that his Pharmacist License No. RPH 45091 is subject to  
19 discipline and he agrees to be bound by the Board's probationary terms as set forth in the  
20 Disciplinary Order below.

#### 21 CONTINGENCY

22 13. This stipulation shall be subject to approval by the Board of Pharmacy. Respondents  
23 understand and agree that counsel for Complainant and the staff of the Board of Pharmacy may  
24 communicate directly with the Board regarding this stipulation, without notice to or participation  
25 by Respondents or their counsel. By signing the stipulation, Respondents understand and agree  
26 that they may not withdraw their agreement or seek to rescind the stipulation prior to the time the  
27 Board considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and  
28 Order, the Stipulated Settlement and Disciplinary Order shall be of no force or effect, except for

1 this paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall  
2 not be disqualified from further action by having considered this matter.

3 14. The parties understand and agree that Portable Document Format (PDF) and facsimile  
4 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile  
5 signatures thereto, shall have the same force and effect as the originals.

6 15. This Stipulated Settlement and Disciplinary Order is intended by the parties to be an  
7 integrated writing representing the complete, final, and exclusive embodiment of their agreement.  
8 It supersedes any and all prior or contemporaneous agreements, understandings, discussions,  
9 negotiations, and commitments (written or oral). This Stipulated Settlement and Disciplinary  
10 Order may not be altered, amended, modified, supplemented, or otherwise changed except by a  
11 writing executed by an authorized representative of each of the parties.

12 16. In consideration of the foregoing admissions and stipulations, the parties agree that  
13 the Board may, without further notice or formal proceeding, issue and enter the following Order:

14 **ORDER**

15 **IT IS HEREBY ORDERED** that Pharmacy Permit No. PHY 47339, issued to Respondent  
16 Raafat G. Gerges doing business as Daniel's Pharmacy (Respondent Daniel's Pharmacy), is  
17 surrendered and accepted by the Board of Pharmacy.

18 1. Respondent Daniel's Pharmacy surrenders Pharmacy Permit No. PHY 47339 as of  
19 the effective date of this Decision. Respondent Daniel's Pharmacy shall relinquish the premises  
20 wall license and renewal license to the Board within ten (10) days of the effective date of this  
21 Decision.

22 2. The surrender of Respondent Daniel's Pharmacy's license and the acceptance of the  
23 surrendered license by the Board shall constitute the imposition of discipline against Respondent  
24 Daniel's Pharmacy. This Decision constitutes a record of discipline and shall become a part of  
25 Respondent Daniel's Pharmacy license history with the Board.

26 3. Respondent Daniel's Pharmacy shall, within ten (10) days of the effective date,  
27 arrange for the destruction of, the transfer to, sale of or storage in a facility licensed by the Board  
28 of all controlled substances and dangerous drugs and devices, as well as, the records of

1 acquisition and disposition for those dangerous drugs. Respondent Daniel's Pharmacy shall  
2 further provide written proof of such disposition and submit a completed Discontinuance of  
3 Business form according to Board guidelines.

4 4. Respondent Daniel's Pharmacy shall also, by the effective date of this Decision,  
5 arrange for the continuation of care for existing patients of the pharmacy by, at minimum,  
6 providing a written notice to existing patients that specifies the anticipated closing date of the  
7 pharmacy and that identifies one or more area pharmacies capable of taking up the patients' care,  
8 and by cooperating as may be necessary in the transfer of records or prescriptions for existing  
9 patients. Within five days of its notice to the pharmacy's existing patients, Respondent Daniel's  
10 Pharmacy shall provide a copy of the written notice to the Board. For the purposes of this  
11 provision, "ongoing patients" means those patients for whom the pharmacy has on file a  
12 prescription with one or more refills outstanding, or for whom the pharmacy has filled a  
13 prescription within the preceding sixty (60) days.

14 5. If Respondent Daniel's Pharmacy ever applies for an application for a licensed  
15 premises or a petition for reinstatement in the State of California, the Board shall treat it as a new  
16 application for licensure. Respondent Daniel's Pharmacy must comply with all the laws,  
17 regulations, and procedures for licensure in effect at the time the application or petition is filed,  
18 and all of the charges and allegations contained in First Amended Accusation No. 5224 shall be  
19 deemed to be true, correct and admitted by Respondent when the Board determines to grant or  
20 deny the application or petition.

21 **IT IS FURTHER HEREBY ORDERED** that Pharmacist License No. RPH 45091 issued  
22 to Raafat George Gerges (Respondent Gerges) is revoked. However, the revocation is stayed and  
23 Respondent Gerges is placed on probation for five (5) years on the following terms and  
24 conditions:

25 **1. Suspension**

26 As part of probation, Respondent Gerges is suspended from the practice of pharmacy until  
27 he provides proof of completion of six (6) hours of remedial education on the topic of  
28 corresponding responsibility.

1 During suspension, Respondent Gerges shall not enter any pharmacy area or any portion of  
2 the licensed premises of a wholesaler, veterinary food-animal drug retailer or any other distributor  
3 of drugs which is licensed by the Board, or any manufacturer, or where dangerous drugs and  
4 devices or controlled substances are maintained. Respondent Gerges shall not practice pharmacy  
5 nor do any act involving drug selection, selection of stock, manufacturing, compounding,  
6 dispensing or patient consultation; nor shall respondent manage, administer, or be a consultant to  
7 any licensee of the Board, or have access to or control the ordering, manufacturing or dispensing  
8 of dangerous drugs and devices or controlled substances.

9 Respondent Gerges shall not engage in any activity that requires the professional judgment  
10 of a pharmacist. Respondent Gerges shall not direct or control any aspect of the practice of  
11 pharmacy. Respondent Gerges shall not perform the duties of a pharmacy technician or a  
12 designated representative for any entity licensed by the Board.

13 Failure to comply with this suspension shall be considered a violation of probation.

14 **2. Obey All Laws**

15 Respondent Gerges shall obey all state and federal laws and regulations.

16 Respondent Gerges shall report any of the following occurrences to the Board, in writing,  
17 within seventy-two (72) hours of such occurrence:

- 18 • an arrest or issuance of a criminal complaint for violation of any provision of the  
19 Pharmacy Law, state and federal food and drug laws, or state and federal controlled  
20 substances laws

22 criminal complaint, information or indictment
- 23 • a conviction of any crime
- 24 • discipline, citation, or other administrative action filed by any state or federal agency  
25 which involves respondent's pharmacist license or which is related to the practice of  
26 pharmacy or the manufacturing, obtaining, handling, distributing, billing, or charging  
27 for any drug, device or controlled substance.

28 Failure to timely report such occurrence shall be considered a violation of probation.

1           **3. Report to the Board**

2           Respondent Gerges shall report to the Board quarterly, on a schedule as directed by the  
3 Board or its designee. The report shall be made either in person or in writing, as directed.  
4 Among other requirements, Respondent Gerges shall state in each report under penalty of perjury  
5 whether there has been compliance with all the terms and conditions of probation. Failure to  
6 submit timely reports in a form as directed shall be considered a violation of probation. Any  
7 period(s) of delinquency in submission of reports as directed may be added to the total period of  
8 probation. Moreover, if the final probation report is not made as directed, probation shall be  
9 automatically extended until such time as the final report is made and accepted by the Board.

10           **4. Interview with the Board**

11           Upon receipt of reasonable prior notice, Respondent Gerges shall appear in person for  
12 interviews with the Board or its designee, at such intervals and locations as are determined by the  
13 Board or its designee. Failure to appear for any scheduled interview without prior notification to  
14 Board staff, or failure to appear for two (2) or more scheduled interviews with the Board or its  
15 designee during the period of probation, shall be considered a violation of probation.

16           **5. Cooperate with Board Staff**

17           Respondent Gerges shall cooperate with the Board's inspection program and with the  
18 Board's monitoring and investigation of Respondent Gerges' compliance with the terms and  
19 conditions of his probation. Failure to cooperate shall be considered a violation of probation.

20           **6. Continuing Education**

21           Respondent Gerges shall provide evidence of efforts to maintain skill and knowledge as a  
22 pharmacist as directed by the Board or its designee.

23           **7. Notice to Employers**

24           During the period of probation, Respondent Gerges shall notify all present and prospective  
25 employers of the Decision in case number 5224 and the terms, conditions and restrictions  
26 imposed on Respondent Gerges by the Decision, as follows:

27           Within thirty (30) days of the effective date of this Decision, and within fifteen (15) days of  
28 Respondent Gerges undertaking any new employment, Respondent Gerges shall cause his direct

1 supervisor, pharmacist-in-charge (including each new pharmacist-in-charge employed during  
2 respondent's tenure of employment) and owner to report to the Board in writing acknowledging  
3 that the listed individual(s) has/have read the Decision in case number 5224, and terms and  
4 conditions imposed thereby. It shall be Respondent Gerges' responsibility to ensure that his  
5 employer(s) and/or supervisor(s) submit timely acknowledgment(s) to the Board.

6 If Respondent Gerges works for or is employed by or through a pharmacy employment  
7 service, Respondent Gerges must notify his direct supervisor, pharmacist-in-charge, and owner at  
8 every entity licensed by the Board of the terms and conditions of the Decision in case number  
9 5224 in advance of the Respondent commencing work at each licensed entity. A record of this  
10 notification must be provided to the Board upon request.

11 Furthermore, within thirty (30) days of the effective date of this Decision, and within fifteen  
12 (15) days of Respondent Gerges undertaking any new employment by or through a pharmacy  
13 employment service, Respondent shall cause his direct supervisor with the pharmacy employment  
14 service to report to the Board in writing acknowledging that he has read the Decision in case  
15 number 5224 and the terms and conditions imposed thereby. It shall be Respondent Gerges'  
16 responsibility to ensure that his employer(s) and/or supervisor(s) submit timely  
17 acknowledgment(s) to the Board.

18 Failure to timely notify present or prospective employer(s) or to cause that/those  
19 employer(s) to submit timely acknowledgments to the Board shall be considered a violation of  
20 probation.

21 "Employment" within the meaning of this provision shall include any full-time,  
22 part-time, temporary, relief or pharmacy management service as a pharmacist or any  
23 position for which a pharmacist license is a requirement or criterion for employment,  
24 whether the respondent is an employee, independent contractor or volunteer.

25 **8. No Supervision of Interns, Serving as Pharmacist-in-Charge (PIC), Serving as**  
26 **Designated Representative-in-Charge, or Serving as a Consultant**

27 During the period of probation, Respondent Gerges shall not supervise any intern  
28 pharmacist, be the pharmacist-in-charge or designated representative-in-charge of any entity

1 licensed by the Board nor serve as a consultant unless otherwise specified in this order.

2 Assumption of any such unauthorized supervision responsibilities shall be considered a violation  
3 of probation.

4 **9. Reimbursement of Board Costs**

5 As a condition precedent to successful completion of probation, Respondent Gerges shall  
6 pay to the Board its costs of investigation and prosecution in the amount of \$17,136. Respondent  
7 shall make said payments as follows: On the effective date of the Decision, and on the first of  
8 each month thereafter, Respondent Gerges shall pay to the Board \$300.00 per month until the  
9 total costs have been paid in full.

10 There shall be no deviation from this schedule absent prior written approval by the Board or  
11 its designee. Failure to pay costs by the deadline(s) as directed shall be considered a violation of  
12 probation.

13 The filing of bankruptcy by Respondent shall not relieve respondent of his responsibility to  
14 reimburse the Board its costs of investigation and prosecution.

15 **10. Probation Monitoring Costs**

16 Respondent Gerges shall pay any costs associated with probation monitoring as determined  
17 by the Board each and every year of probation. Such costs shall be payable to the Board on a  
18 schedule as directed by the Board or its designee. Failure to pay such costs by the deadline(s) as  
19 directed shall be considered a violation of probation.

20 **11. Status of License**

21 Respondent Gerges shall, at all times while on probation, maintain an active, current license  
22 with the Board, including any period during which suspension or probation is tolled. Failure to  
23 maintain an active, current license shall be considered a violation of probation.

24 If Respondent Gerges' license expires or is cancelled by operation of law or otherwise at  
25 any time during the period of probation, including any extensions thereof due to tolling or  
26 otherwise, upon renewal or reapplication Respondent's license shall be subject to all terms and  
27 conditions of this probation not previously satisfied.

28

1           **12. License Surrender While on Probation/Suspension**

2           Following the effective date of this Decision, should Respondent Gerges cease practice due  
3 to retirement or health, or be otherwise unable to satisfy the terms and conditions of probation,  
4 respondent may tender his license to the Board for surrender. The Board or its designee shall  
5 have the discretion whether to grant the request for surrender or take any other action it deems  
6 appropriate and reasonable. Upon formal acceptance of the surrender of the license, Respondent  
7 Gerges will no longer be subject to the terms and conditions of probation. This surrender  
8 constitutes a record of discipline and shall become a part of the respondent's license history with  
9 the Board.

10           Upon acceptance of the surrender, respondent shall relinquish his pocket and wall license to  
11 the Board within ten (10) days of notification by the Board that the surrender is accepted.  
12 Respondent Gerges may not reapply for any license from the Board for three (3) years from the  
13 effective date of the surrender. Respondent Gerges shall meet all requirements applicable to the  
14 license sought as of the date the application for that license is submitted to the Board, including  
15 any outstanding costs.

16           **13. Notification of a Change in Name, Residence Address, Mailing Address or**  
17 **Employment**

18           Respondent Gerges shall notify the Board in writing within ten (10) days of any change of  
19 employment. Said notification shall include the reasons for leaving, the address of the new  
20 employer, the name of the supervisor and owner, and the work schedule if known. Respondent  
21 Gerges shall further notify the Board in writing within ten (10) days of a change in name,  
22 residence address, mailing address, or phone number.

23           Failure to timely notify the Board of any change in employer(s), name(s), address(es), or  
24 phone number(s) shall be considered a violation of probation.

25           **14. Tolling of Probation**

26           Except during periods of suspension, Respondent Gerges shall, at all times while on  
27 probation, be employed as a pharmacist in California for a minimum of forty (40) hours per  
28 calendar month. Any month during which this minimum is not met shall toll the period of

1 probation, i.e., the period of probation shall be extended by one month for each month during  
2 which this minimum is not met. During any such period of tolling of probation, Respondent  
3 Gerges must nonetheless comply with all terms and conditions of probation.

4       Should Respondent Gerges, regardless of residency, for any reason (including vacation)  
5 cease practicing as a pharmacist for a minimum of forty (40) hours per calendar month in  
6 California, Respondent Gerges must notify the Board in writing within ten (10) days of the  
7 cessation of practice, and must further notify the Board in writing within ten (10) days of the  
8 resumption of practice. Any failure to provide such notification(s) shall be considered a violation  
9 of probation.

10       It is a violation of probation for Respondent Gerges' probation to remain tolled pursuant to  
11 the provisions of this condition for a total period, counting consecutive and non-consecutive  
12 months, exceeding thirty-six (36) months.

13       "Cessation of practice" means any calendar month during which respondent is  
14 not practicing as a pharmacist for at least forty (40) hours, as defined by Business and  
15 Professions Code section 4000 et seq. "Resumption of practice" means any calendar  
16 month during which respondent is practicing as a pharmacist for at least forty (40)  
17 hours as a pharmacist as defined by Business and Professions Code section 4000 et  
18 seq.

19       **15. Violation of Probation**

20       If Respondent Gerges has not complied with any term or condition of probation, the Board  
21 shall have continuing jurisdiction over Respondent Gerges, and probation shall automatically be  
22 extended, until all terms and conditions have been satisfied or the Board has taken other action as  
23 deemed appropriate to treat the failure to comply as a violation of probation, to terminate  
24 probation, and to impose the penalty that was stayed.

25       If Respondent Gerges violates probation in any respect, the Board, after giving Respondent  
26 Gerges notice and an opportunity to be heard, may revoke probation and carry out the disciplinary  
27 order that was stayed. Notice and opportunity to be heard are not required for those provisions  
28 stating that a violation thereof may lead to automatic termination of the stay and/or revocation of

1 the license. If a petition to revoke probation or an accusation is filed against Respondent Gerges  
2 during probation, the Board shall have continuing jurisdiction and the period of probation shall be  
3 automatically extended until the petition to revoke probation or accusation is heard and decided.

4 **16. Completion of Probation**

5 Upon written notice by the Board or its designee indicating successful completion of  
6 probation, Respondent Gerges' license will be fully restored.

7 **17. Community Services Program**

8 Within sixty (60) days of the effective date of this Decision, Respondent Gerges shall  
9 submit to the Board or its designee, for prior approval, a community service program in which  
10 Respondent Gerges shall provide free health-care related services on a regular basis to a  
11 community or charitable facility or agency for at least twenty-five (25) hours per year of  
12 probation. Within thirty (30) days of Board approval thereof, Respondent Gerges shall submit  
13 documentation to the Board demonstrating commencement of the community service program. A  
14 record of this notification must be provided to the Board upon request. Respondent Gerges shall  
15 report on progress with the community service program in the quarterly reports. Failure to timely  
16 submit, commence, or comply with the program shall be considered a violation of probation.

17 **18. Remedial Education**

18 Within sixty (60) days of the effective date of this Decision, Respondent Gerges shall  
19 submit to the Board or its designee, for prior approval, an appropriate program of remedial  
20 education related to dispensing controlled substances, and corresponding responsibility  
21 therapeutics of controlled substances, particularly in opioid therapy. The program of remedial  
22 education shall consist of at least twenty-five (25) hours, which shall be completed within the first  
23 year of probation at Respondent's own expense. All remedial education shall be in addition to,  
24 and shall not be credited toward, continuing education (CE) courses used for license renewal  
25 purposes.

26 Failure to timely submit or complete the approved remedial education shall be considered a  
27 violation of probation. The period of probation will be automatically extended until such  
28 remedial education is successfully completed and written proof, in a form acceptable to the

1 Board, is provided to the Board or its designee.

2 Following the completion of each course, the Board or its designee may require the  
3 Respondent, at his own expense, to take an approved examination to test the Respondent's  
4 knowledge of the course. If the Respondent does not achieve a passing score on the examination,  
5 this failure shall be considered a violation of probation. Any such examination failure shall  
6 require respondent to take another course approved by the Board in the same subject area.

7 **19. Supervised Practice**

8 During the period of probation, Respondent Gerges shall practice only under the  
9 supervision of a licensed pharmacist not on probation with the Board. Upon and after the  
10 effective date of this Decision, Respondent Gerges shall not practice pharmacy and his license  
11 shall be automatically suspended until a supervisor is approved by the Board or its designee. The  
12 supervision shall be as follows:

13 • Daily Review- Supervisor's review of probationer's daily activities within  
14 24 hours.

15 "Daily review" as this term is used herein shall not require that the supervising pharmacist  
16 be engaged in physical supervision of Respondent's activities in real time, but shall require that  
17 the supervising pharmacist, by no later than close of business on each day following, review all  
18 transactions performed by Respondent and records associated with those transactions to ensure  
19 compliance with state and federal statutes and regulations and with the requirements of this  
20 Decision.

21 The Board, or its designee, retains the discretion to increase the level of supervision during  
22 Respondent's probation, if warranted by circumstances, or by violations or omissions discovered  
23 during Daily Review, to any of the following:

- 24 • Continuous- At least 75% of a work week  
25 • Substantial- At least 50% of a work week  
26 • Partial- At least 25% of a work week

27 Within thirty (30) days of the effective date of this Decision, Respondent Gerges shall have  
28 his supervisor submit notification to the Board in writing stating that the supervisor has read the

1 Decision in case number 5224 and is familiar with the required level of supervision as determined  
2 by the Board. It shall be the Respondent's responsibility to ensure that his employer(s),  
3 pharmacist-in-charge and/or supervisor(s) submit timely acknowledgement(s) to the Board.  
4 Failure to cause the direct supervisor and the pharmacist-in-charge to submit timely  
5 acknowledgements to the Board shall be considered a violation of probation.

6 If Respondent Gerges changes employment, it shall be the Respondent's responsibility to  
7 ensure that his employer(s), pharmacist-in-charge and/or supervisor(s) submit timely  
8 acknowledgement(s) to the Board. Respondent Gerges shall have his new supervisor, within  
9 fifteen (15) days after employment commences, submit notification to the Board in writing stating  
10 the direct supervisor and pharmacist-in-charge have read the Decision in case number 5224 and is  
11 familiar with the level of supervision as determined by the Board. Respondent Gerges shall not  
12 practice pharmacy and his license shall be automatically suspended until the Board or its designee  
13 approves a new supervisor. Failure to cause the direct supervisor and the pharmacist-in-charge to  
14 submit timely acknowledgements to the Board shall be considered a violation of probation.

15 Within ten (10) days of leaving employment, Respondent Gerges shall notify the Board in  
16 writing.

17 During suspension, Respondent Gerges shall not enter any pharmacy area or any portion of  
18 the licensed premises of a wholesaler, veterinary food-animal drug retailer or any other distributor  
19 of drugs which is licensed by the Board, or any manufacturer, or where dangerous drugs and  
20 devices or controlled substances are maintained. Respondent Gerges shall not practice pharmacy  
21 nor do any act involving drug selection, selection of stock, manufacturing, compounding,  
22 dispensing or patient consultation; nor shall respondent manage, administer, or be a consultant to  
23 any licensee of the Board, or have access to or control the ordering, manufacturing or dispensing  
24 of dangerous drugs and controlled substances. Respondent Gerges shall not resume practice until  
25 notified by the Board.

26 During suspension, Respondent Gerges shall not engage in any activity that requires the  
27 professional judgment of a pharmacist. Respondent Gerges shall not direct or control any aspect

### 13 **FACTUAL ALLEGATIONS**

14 23. At all times mentioned herein and from October 3, 2005 to February 18, 2014, Raafat  
15 G. Gerges was the Pharmacist-in-Charge (Respondent PIC) of Daniel's Pharmacy (Respondent  
16 Pharmacy) located in Moreno Valley, California.

17 24. In or around January 2013, the Board of Pharmacy initiated an investigation of  
18 Respondents following notification from Cardinal Health that they suspended all sales of  
19 controlled substances to Respondent Pharmacy due to a risk for potential diversion. The Board  
20 inspector discovered that Respondents filled numerous prescriptions for patients and doctors  
21 outside of Moreno Valley, that different patients had filled sequential prescriptions from the same  
22 doctors at Respondent Pharmacy, and that Respondent filled prescriptions early.

23 25. Patient J.M., who resided in Los Angeles, lived approximately 67 miles from  
24 Respondent Pharmacy. On January 6, 2011, Respondents filled RX No. 143202 for Dilaudid 4  
25 mg and RX No. 143203 for Promethazine with Codeine 6.25-10 syp for patient J.M., who was  
26 prescribed these drugs by P.A. S.W. located in Riverside, California. Patient J.M. paid cash for  
27 the drugs.

28

1           26. Immediately after filling patient J.M.'s drugs, Respondents filled RX No. 143204 for  
2 Dilaudid 4 mg and RX No. 143205 for Promethazine with Codeine 6.25-10 syp for patient R.C.,  
3 who also resides in Los Angeles (approximately 68 miles from Respondent pharmacy) and who  
4 was also prescribed the same drugs in the same dosages as patient J.M. by the same P.A. (P.A.  
5 S.W.). Patient R.C. paid cash for the drugs.

6           27. Respondents also filled prescriptions for controlled substances to patients who were  
7 doctor shopping.<sup>1</sup> Respondents did not review information from CURES or their own patient  
8 profiles to determine that patients were doctor shopping, filling controlled substances early or  
9 filling controlled substance prescriptions at multiple pharmacies.

11           28. Patient C.A., who resided in Moreno Valley, saw physicians in Northridge, Perris,

14 doctors to obtain prescriptions for hydrocodone/APAP 7.5/750 and used at least sixteen different  
15 pharmacies to fill those prescriptions. Patient C.A. primarily paid cash for the controlled  
16 substances that were filled by Respondents.

17           a. On March 18, 2009, Respondents filled RX No. 71561 for 60 tablets of  
18 hydrocodone/APAP 7.5/750 for patient C.A., even though patient C.A. received 90 tablets of  
19 hydrocodone/APAP 7.5/750 (30 day supply) just nine days prior on March 9, 2009 from another  
20 pharmacy. On March 31, 2009, Respondents filled RX No. 72928 for 120 tablets of  
21 hydrocodone/APAP 7.5/750 for patient C.A., which was seven days too early from their last fill.  
22 Therefore, patient C.A. received a 74 day supply of hydrocodone/APAP 7.5/750 within 22 days.

23           b. On April 20, 2009, Respondents filled RX No. 75015 for 120 tablets of  
24 hydrocodone/APAP 7.5/750 for patient C.A., even though patient C.A. received 90 tablets of

25           <sup>1</sup> "Doctor Shopping" is a term used when a patient uses multiple providers and pharmacies  
26 to obtain multiple prescriptions for controlled substances, often without the providers and  
27 pharmacies knowing about the other prescriptions. Doctor shopping is against the law.  
28 California's primary doctor shopping law is Health and Safety Code section 11173(a) which  
prohibits a person from obtaining a prescription by fraud or concealing a material fact.

13 Respondent filled RX No. 87959 for 60 tablets of hydrocodone/APAP 7.5/750 (30 day supply)  
14 for patient C.A. Twelve days later, on September 8, 2009, Respondents filled RX No. 88956 for  
15 120 tablets of hydrocodone/APAP 7.5/750 written by another doctor for patient C.A.

16 **PATIENT RA**

18 Respondent pharmacy. R.A.'s treating physicians were located in Whittier and Downey,  
19 approximately 60 and 50 miles from Respondent pharmacy, respectively. R.A. only paid cash for  
20 the controlled substances filled by Respondent.

21 a. On August 7, 2009, Respondents filled RX No. 85992 for 100 tablets of Diazepam 10  
22 mg (33 day supply). On September 4, 2009 (and seven days too early), Respondents filled RX  
23 No. 88778 for 100 tablets of Diazepam 10 mg (33 day supply) for patient R.A. On October 1,  
24 2009, Respondents filled RX No. 91809 for 100 tablets of Diazepam (33 day supply) for patient  
25 R.A. On October 29, 2009, Respondents filled RX No. 95054 for 100 tablets of Diazepam for

2 Respondent pharmacy and saw physicians in Hemet, Perris, Los Angeles, Long Beach, Redlands,

15 different prescriber at a different pharmacy 12 days prior on April 1, 2009.

16           b. On June 5, 2009, Respondents refilled RX No. 74204 for 120 tablets of Vicodin ES

18 different pharmacy just 15 days prior.

19           c. On June 26, 2009, Respondents filled RX No. 74201 for 60 tablets of alprazolam .5
