PETITION TO REVOKE PROBATION

3. In a disciplinary action entitled "In the Matter of Accusation Against Angel E. Orellana, also known as Angel Ernesto Orellana," Case No. 4500, the Board of Pharmacy issued a Decision, effective April 14, 2014, in which Respondent's Pharmacy Technician Registration was revoked. However, the revocation was stayed and Respondent's Pharmacy Technician Registration was placed on probation for a period of three (3) years with certain terms and conditions. A copy of that decision is attached as Exhibit A and is incorporated by reference.

JURISDICTION

4. This Petition to Revoke Probation is brought before the Board of Pharmacy ("Board"), Department of Consumer Affairs, under the authority of the following laws. All section references are to the Business and Professions Code unless otherwise indicated.

STATUTORY PROVISIONS

- 5. Section 4300 of the Code states:
- "(a) Every license issued may be suspended or revoked.

"(d) The board may initiate disciplinary proceedings to revoke or suspend any probationary certificate of licensure for any violation of the terms and conditions of probation. Upon satisfactory completion of probation, the board shall convert the probationary certificate to a regular certificate, free of conditions."

FIRST CAUSE TO REVOKE PROBATION

(Failure to Submit Quarterly Reports)

6. At all times after the effective date of Respondent's probation, Condition 3 stated:

Respondent shall report to the board quarterly, on a schedule as directed by the board or its designee. The report shall be made either in person or in writing, as directed. Among other requirements, respondent shall state in each report under penalty of perjury whether there has been compliance with all the terms and conditions of probation. Failure to submit timely reports in a form as directed shall be considered a violation of probation. Any period(s) of delinquency in submission of reports as directed may be added to the total period of probation. Moreover, if the final probation report is not made as directed, probation shall be automatically extended until such time as the final report is made and accepted by the board.

22

23

24

2728

7. Respondent's probation is subject to revocation because he failed to comply with Probation Condition 3, referenced above. The facts and circumstances regarding this violation are that Respondent failed to submit his July quarterly report, which was due on July 10, 2014.

SECOND CAUSE TO REVOKE PROBATION

(Failure to Participate in Random Drug Testing)

8. At all times after the effective date of Respondent's probation, Condition 8 stated:

Respondent, at his or her own expense, shall participate in random testing, including but not limited to biological fluid testing (urine, blood), breathalyzer, hair follicle testing, or other drug screening program as directed by the board or its designee, Respondent may be required to participate in testing for the entire probation period and the frequency of testing will be determined by the board or its designee. At all times respondent shall fully cooperate with the board or its designee, and shall, when directed, submit to such tests and samples for the detection of alcohol, narcotics, hypnotics, dangerous drugs or other controlled substances as the board or its designee may direct. Failure to timely submit to testing as directed shall be considered a violation of probation. Upon request of the board or its designee, respondent shall provide documentation from a licensed practitioner that the prescription for a detected drug was legitimately issued and is a necessary part of the treatment of the respondent. Failure to timely provide such documentation shall be considered a violation of probation. Any confirmed positive test for alcohol or for any drug not lawfully prescribed by a licensed practitioner as part of a documented medical treatment shall be considered a violation of probation and shall result in the automatic suspension of work by respondent. Respondent may not resume work as a pharmacy technician until notified by the board in writing.

During suspension, respondent shall not enter any pharmacy area or any portion of or any other board licensed premises (wholesaler, veterinary food-animal drug retailer or any other distributor of drugs) any drug manufacturer, or any other location where dangerous drugs and devices or controlled substances are maintained. Respondent shall not do any act involving drug selection, selection of stock, manufacturing, compounding or dispensing; nor shall respondent manage, administer, or assist any licensee of the board. Respondent shall not have access to or controlled substances. Respondent shall not resume work until notified by the board.

Respondent shall not direct, control or perform any aspect of the practice of pharmacy. Subject to the above restrictions, respondent may continue to own or hold an interest in any licensed premises in which he or she holds an interest at the time this decision becomes effective unless otherwise specified in this order.

Failure to comply with this suspension shall be considered a violation of probation.

9. Respondent's probation is subject to revocation because he failed to comply with Probation Condition 8, referenced above. The facts and circumstances regarding this violation are that as of September 15, 2014, Respondent missed 13 scheduled drug screenings and failed to check in with FirstLab 85 times.

THIRD CAUSE TO REVOKE PROBATION

(Failure to Pay Cost Recovery)

10. At all times after the effective date of Respondent's probation, Condition 9 stated:

As a condition precedent to successful completion of probation, respondent shall pay to the board its costs of investigation and prosecution in the amount of \$3,215. Respondent shall make said payments on a schedule directed by the board or its designee.

There shall be no deviation from this schedule absent prior written approval by the board or its designee. Failure to pay costs by the deadline(s) as directed shall be considered a violation of probation.

The filing of bankruptcy by respondent shall not relieve respondent of his or her responsibility to reimburse the board its costs of investigation and prosecution.

11. Respondent's probation is subject to revocation because he failed to comply with Probation Condition 9, referenced above. The facts and circumstances regarding this violation are that Respondent failed to make his required cost recovery payments to the Board in July 2014, August 2014, and September 2014.

FOURTH CAUSE TO REVOKE PROBATION

(Failure to Notify Board of Change of Employment)

12. At all times after the effective date of Respondent's probation, Condition 13 stated:

Respondent shall notify the board in writing within 10 days of any change of employment. Said notification shall include the reasons for leaving, the address of the new employer, the name of the supervisor and owner, and the work schedule if known. Respondent shall further notify the board in writing within 10 days of a change in name, residence address and mailing address, or phone number.

Failure to timely notify the board of any change in employer(s), name(s), address(es), or phone number(s), shall be considered a violation of probation.

13. Respondent's probation is subject to revocation because he failed to comply with Probation Condition 13, referenced above. The facts and circumstances regarding this violation are that on or about July 25, 2014, a Board inspector went to Respondent's employer to perform a

quarterly inspection. During the inspector's visit, Respondent's employer advised that 1 Respondent had been terminated from his employment on July 1, 2014. Respondent failed to 2 notify the Board of his termination. 3 **PRAYER** 4 WHEREFORE, Complainant requests that a hearing be held on the matters alleged in this 5 Petition to Revoke Probation, and that following the hearing, the Board of Pharmacy issue a 6 decision: 7 1. STAN C. WEISSER Board President

BEFORE THE BOARD OF PHARMACY DEPARTMENT OF CONSUMER AFFAIRS STATE OF CALIFORNIA

In the Matter of the Accusation Against:

ANGEL E. ORELLANA, also known as ANGEL ERNESTO ORELLANA

Pharmacy Technician Registration No. TCH 59395,

Respondent.

Case No. 4500

OAH No. 2013041143

PROPOSED DECISION

Administrative Law Judge Melissa G. Crowell, State of California, Office of Administrative Hearings, heard this matter on July 15, 2013, in Oakland, California.

Deputy Attorney General Susana A. Gonzales represented complainant Virginia Herold, Executive Officer of the Board of Pharmacy, Department of Consumer Affairs.

Respondent Angel Ernesto Orellana was present and was self-represented.

The record closed and the matter was submitted for decision on July 15, 2013.

FACTUAL FINDINGS

1. On October 22, 2004, the Board of Pharmacy issued Pharmacy Technician Registration No. TCH 59395 to respondent Angel E. Orellana, who is also known as Angel Ernesto Orellana. The registration was in full force and effect during all times relevant to this proceeding. It will expire, if not renewed, on May 31, 2014.

Criminal Conviction

2. On May 22, 2012, respondent was convicted in the Superior Court of California, County of San Francisco, on his plea of nolo contendere to a violation of Vehicle Code section 23103, reckless driving, a misdemeanor. Respondent was placed on informal probation for 18 months, on terms and conditions that included completion of a First Offender's Program, and payment of fines, fees and assessments.

cocaine, he was carrying it for someone else, but he had considered using it later that evening. Respondent has never actually used cocaine.

9. Through his diversion program, respondent attended weekly group therapy sessions one-a-week for 25 weeks, and he was subject to random drug testing. Respondent successfully completed the diversion program February 13, 2013.

As part of his criminal sentence, respondent was required to attend a three-month First Offender Program for driving under the influence, which he completed December 1, 2012.

Through attendance at these court-ordered programs and classes, respondent addressed the stress he was feeling from his personal situation and "got it off [his] chest." He observed people who had it worse that he, and saw people relapse, which he did not do.

- 10. Respondent independently attended four sessions of one-on-one therapy in which he also worked on his personal issues and dealing with stress.
- 11. Respondent has a much more stable and nonconfrontational relationship with the mother of his children. He was awarded joint custody of his two children in December 2012.
- 12. Respondent's arrest and conviction helped to "wake [him] up" and realize that by his conduct he was jeopardizing a career that he had worked hard to obtain. He also realized that his conduct made his stress worse, rather than better. The conviction and diversion were expensive lessons for him. He knows that he has to "step it up" and not make matters worse.
- 13. Respondent has been licensed as pharmacy technician since 2004. He started his career at Crescent Home Care Infusion, after which he worked for a Walgreens pharmacy in San Francisco (located at 18th and Mission) for about two and one-half years. Respondent has been employed by Abbotts' Compounding Pharmacy, Inc., since March 2007. Pharmacist John Garcia is president of the company. In a letter dated June 12, 2013, Garcia attests to respondent's good character, and to his professionalism and good judgment at work. Garcia considers respondent a "very important and valued" employee.
 - 14. This is respondent's first disciplinary action with the Board.

Costs

15. Complainant seeks to recover from respondent the costs of investigation and prosecution of this matter pursuant to Business and Profession Code section 125.3. The board has incurred \$3,215 in charges from the Department of Justice, representing 17.5 hours of attorney time, and two hours of paralegal time. Complainant submitted a declaration from the assigned deputy attorney general listing in general the tasks she performed and the time

personal growth, as a result of it. Respondent has worked in the industry for over eight years without incident. While there is no question that the conduct is substantially related to the licensed activity, the evidence also establishes that it is unlikely that he will engage in similar unprofessional conduct in the future. Placing respondent on probation to the board will be yet another reminder for him of the need to stay committed to his profession, his professionalism, and the need to continue to "step it up" and be mindful that his personal actions outside of his employment can jeopardize his licensure with the board. In consideration of the above, it is concluded that it would not be against the public interest to allow respondent to retain a pharmacy technician registration license on a probationary basis with standard terms and condition of probation.

5. Business and Professions Code section 125, subdivision (a), authorizes the administrative law judge to order a licentiate found to have violated a licensing act to pay a sum not to exceed the reasonable costs of investigation and enforcement of the case. By reason of the matters set forth in Factual Finding 15, it is determined that the costs of \$3,215 incurred by the agency in the investigation and enforcement of this matter are reasonable.

As instructed by the California Supreme Court in Zuckerman v. State Bd. of Chiropractic Examiners (2002) 29 Cal.4th 32, the board must exercise its discretion to reduce or eliminate cost awards to ensure that it does not deter licensees with potentially meritorious claims from exercising their right to an administrative hearing. Each of the factors set forth in Zuckerman has been considered. There is no basis for reduction of the costs in this matter.

ORDER

Pharmacy technician registration number TCH 59395 issued to respondent Angel E. Orellana is revoked; however, the revocation is stayed, and respondent is placed on probation for a period of three years upon the following terms and conditions:

1. Obey All Laws

Respondent shall obey all state and federal laws and regulations substantially related to or governing the practice of pharmacy.

Respondent shall report any of the following occurrences to the board within 72 hours of such occurrence:

 an arrest or issuance of a criminal complaint for violation of any provision of the Pharmacy Law, state and federal food and drug laws, or state and federal controlled substances laws terms and conditions of his probation. Failure to cooperate shall be considered a violation of probation.

5. Notice to Employers

During the period of probation, respondent shall notify all present and prospective employers of the decision in case number 4500 and the terms, conditions and restrictions imposed on respondent by the decision, as follows:

Within thirty (30) days of the effective date of this decision, and within fifteen (15) days of respondent undertaking any new employment, respondent shall cause his direct supervisor, pharmacist-in-charge (including each new pharmacist-in-charge employed during respondent's tenure of employment) and owner to report to the board in writing acknowledging that the listed individual(s) has/have read the decision in case number 4500, and terms and conditions imposed thereby. It shall be respondent's responsibility to ensure that his employer(s) and/or supervisor(s) submit timely acknowledgment(s) to the board.

If respondent works for or is employed by or through a pharmacy employment service, respondent must notify his direct supervisor, pharmacist-in-charge, and owner at every entity licensed by the board of the terms and conditions of the decision in case number 4500 in advance of respondent commencing work at each licensed entity. A record of this notification must be provided to the board upon request.

Furthermore, within thirty (30) days of the effective date of this decision, and within fifteen (15) days of respondent undertaking any new employment by or through a pharmacy employment service, respondent shall cause his direct supervisor with the pharmacy employment service to report to the board in writing acknowledging that he or she has read the decision in case number 4500 and the terms and conditions imposed thereby. It shall be respondent's responsibility to ensure that his employer(s) and/or supervisor(s) submit timely acknowledgment(s) to the board.

Failure to timely notify present or prospective employer(s) or to cause that/those employer(s) to submit timely acknowledgments to the board shall be considered a violation of probation.

"Employment" within the meaning of this provision shall

9. License Surrender While on Probation

Following the effective date of this decision, should respondent cease practice due to retirement or health, or be otherwise unable to satisfy the terms and conditions of probation, respondent may tender his license to the board for surrender. The board or its designee shall have the discretion whether to grant the request for surrender or take any other action it deems appropriate and reasonable. Upon formal acceptance of the surrender of the license, respondent will no longer be subject to the terms and conditions of probation. This surrender constitutes a record of discipline and shall become a part of the respondent's license history with the board.

Upon acceptance of the surrender, respondent shall relinquish his pocket and wall license to the board within ten (10) days of notification by the board that the surrender is accepted. Respondent may not reapply for any license from the board for three (3) years from the effective date of the surrender. Respondent shall meet all requirements applicable to the license sought as of the date the application for that license is submitted to the board, including any outstanding costs.

10. Notification of a Change in Name, Residence Address, Mailing Address or Employment

Respondent shall notify the board in writing within 10 days of any change of employment. Said notification shall include the reasons for leaving, the address of the new employer, supervisor or owner, and the work schedule, if known. Respondent shall further notify the board in writing within 10 days of a change in name, residence address, mailing address, or phone number.

Failure to timely notify the board of any change in employer(s), name(s), address(es), or phone number(s), shall be considered a violation of probation.

11. Tolling of Probation

Except during periods of suspension, respondent shall, at all times while on probation, be employed as a pharmacist technician in California for a minimum of 40 hours per calendar month. Any month during which this minimum is not met shall toll the period of probation, i.e., the period of probation shall be

13. Completion of Probation

Upon successful completion of probation, respondent's pharmacy technician registration will be fully restored.

JURISDICTION

- 3. This Accusation is brought before the Board of Pharmacy (Board), Department of Consumer Affairs, under the authority of the following laws. All section references are to the Business and Professions Code unless otherwise indicated.
- 4. Section 4011 of the Code provides that the Board shall administer and enforce both the Pharmacy Law [Bus. & Prof. Code, § 4000 et seq.] and the Uniform Controlled Substances Act [Health & Safety Code, § 11000 et seq.].
- 5. Section 4300, subdivision (a), of the Code provides that every license issued by the Board may be suspended or revoked.
- 6. Section 118, subdivision (b), of the Code provides, in pertinent part, that the suspension, expiration, surrender, or cancellation of a license shall not deprive the Board of jurisdiction to proceed with a disciplinary action during the period within which the license may be renewed, restored, reissued or reinstated.
- 7. Section 4402, subdivision (a), of the Code provides that any pharmacist license that is not renewed within three years following its expiration may not be renewed, restored, or reinstated and shall be canceled by operation of law at the end of the three-year period. Section 4402, subdivision (e), of the Code provides that any other license issued by the Board may be canceled by the Board if not renewed within 60 days after its expiration, and any license canceled in this fashion may not be reissued but will instead require a new application to seek reissuance.

STATUTORY AND REGULATORY PROVISIONS

Section 4301 of the Code states:

"The board shall take action against any holder of a license who is guilty of unprofessional conduct or whose license has been procured by fraud or misrepresentation or issued by mistake. Unprofessional conduct shall include, but is not limited to, any of the following:

(h) The administering to oneself, of any controlled substance, or the use of any dangerous drug or of alcoholic beverages to the extent or in a manner as to be dangerous or injurious to oneself, to a person holding a license under this chapter, or to any other person or to the public, or

to the extent that the use impairs the ability of the person to conduct with safety to the public the practice authorized by the license.

"(I) The conviction of a crime substantially related to the qualifications, functions, and duties of a licensee under this chapter. The record of conviction of a violation of Chapter 13 (commencing with Section 801) of Title 21 of the United States Code regulating controlled substances or of a violation of the statutes of this state regulating controlled substances or dangerous drugs shall be conclusive evidence of unprofessional conduct. In all other cases, the record of conviction shall be conclusive evidence only of the fact that the conviction occurred. The board may inquire into the circumstances surrounding the commission of the crime, in order to fix the degree of discipline or, in the case of a conviction not involving controlled substances or dangerous drugs, to determine if the conviction is of an offense substantially related to the qualifications, functions, and duties of a licensee under this chapter. A plea or verdict of guilty or a conviction following a plea of noto contendere is deemed to be a conviction within the meaning of this provision. The board may take action when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal or when an order granting probation is made suspending the imposition of sentence, irrespective of a subsequent order under Section 1203.4 of the Penal Code allowing the person to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information, or indictment."

- 9. Section 490 of the Code provides, in pertinent part, that the Board may suspend or revoke a license when it finds that the licensee has been convicted of a crime substantially related to the qualifications, functions or duties of the license.
 - 10. California Code of Regulations, title 16, section 1770, states:

"For the purpose of denial, suspension, or revocation of a personal or facility license pursuant to Division 1.5 (commencing with Section 475) of the Business and Professions Code, a crime or act shall be considered substantially related to the qualifications, functions or duties of a licensee or registrant if to a substantial degree it evidences present or potential unfitness of a

lane. Based upon these observations, the officers initiated an enforcement stop and instructed Respondent to exit the Fremont Street off-ramp and park on a side street near the exit.

- 16. Officer 1 approached the driver's side of Respondent's vehicle and noticed that the window was already rolled down.
