(Accusation attached as Exhibit A.)
2. On or about July 31, 2012, the Board of Pharmacy (Board) issued Pharmacy Technician Registration No. TCH 122763 to Respondent. The Pharmacy Technician Registration expired on July 31, 2014, and has not been renewed.

9 (c) The respondent shall be entitled to a hearing on the merits if the respondent  
10 files a notice of defense, and the notice shall be deemed a specific denial of all parts  
11 of the accusation not expressly admitted. Failure to file a notice of defense shall  
12 constitute a waiver of respondent's right to a hearing, but the agency in its discretion  
13 may nevertheless grant a hearing.

14 7. Respondent failed to file a Notice of Defense within 15 days after service upon her of  
15 the Accusation, and therefore waived her right to a hearing on the merits of Accusation No. 5340.

24 taking official notice of all the investigatory reports, exhibits and statements contained therein on  
25 file at the Board's offices regarding the allegations contained in Accusation No. 5340, finds that  
26 the charges and allegations in Accusation No. 5340, are separately and severally, found to be true  
27 and correct by clear and convincing evidence.

28 10. Taking official notice of its own internal records, pursuant to Business and

TCH 122763

15  
16 Respondent.

17 Complainant alleges:

18 **PARTIES**

19 1. Virginia Herold (Complainant) brings this Accusation solely in her official capacity  
20 as the Executive Officer of the Board of Pharmacy, Department of Consumer Affairs (Board).

21 2. On or about July 31, 2012, the Board issued Pharmacy Technician Registration No.  
22 TCH 122763 to Rene Michelle Franks (Respondent). The Pharmacy Technician Registration  
23 expired on July 31, 2014, and has not been renewed.

24 **JURISDICTION**

25 3. This Accusation is brought before the Board under the authority of the following  
26 laws. All section references are to the Business and Professions Code (Code) unless otherwise  
27 indicated.

28 4. Section 118, subdivision (b), of the Code provides that the suspension, expiration,

1 surrender, cancellation of a license shall not deprive the Board of jurisdiction to proceed with a  
2 disciplinary action during the period within which the license may be renewed, restored, reissued  
3 or reinstated.

4 5. Section 4011 of the Code provides that "[t]he board shall administer and enforce this  
5 chapter [Pharmacy Law, (Business and Professions Code, Sec 4000 et seq.)] and the Uniform  
6 Controlled Substances Act (Division 10 (commencing with Section 11000) of the Health and  
7 Safety Code). "

8 6. Section 4300, subdivision (a), of the Code states, in pertinent part, that "[e]very  
9 license issued may be suspended or revoked."

10 7. Section 4300.1 of the Code states, in pertinent part:

11 "The expiration, cancellation, forfeiture, or suspension of a board-issued license by  
12 operation of law or by order or decision of the board or a court of law, the placement of a license  
13 on a retired status, or the voluntary surrender of a license by a licensee shall not deprive the board  
14 of jurisdiction to commence or proceed with any investigation of, or action or disciplinary  
15 proceeding against, the licensee or to render a decision suspending or revoking the license."

16 **STATUTORY PROVISIONS**

17 8. Section 490 of the Code states, in pertinent part:

18 "(a) In addition to any other action that a board is permitted to take against a licensee, a  
19 board may suspend or revoke a license on the ground that the licensee has been convicted of a  
20 crime, if the crime is substantially related to the qualifications, functions, or duties of the business  
21 or profession for which the license was issued.

22 "(b) Notwithstanding any other provision of law, a board may exercise any authority to  
23 discipline a licensee for conviction of a crime that is independent of the authority granted under  
24 subdivision (a) only if the crime is substantially related to the qualifications, functions, or duties  
25 of the business or profession for which the licensee's license was issued.

26 "(c) A conviction within the meaning of this section means a plea or verdict of guilty or a  
27 conviction following a plea of nolo contendere. Any action that a board is permitted to take  
28 following the establishment of a conviction may be taken when the time for appeal has elapsed,

1 or the judgment of conviction has been affirmed on appeal, or when an order granting probation  
2 is made suspending the imposition of sentence, irrespective of a subsequent order under the  
3 provisions of Section 1203.4 of the Penal Code.

4 "(d) The Legislature hereby finds and declares that the application of this section has been  
5 made unclear by the holding in *Petropoulos v. Department of Real Estate* (2006) 142 Cal.App.4th  
6 554, and that the holding in that case has placed a significant number of statutes and regulations  
7 in question, resulting in potential harm to the consumers of California from licensees who have  
8 been convicted of crimes. Therefore, the Legislature finds and declares that this section  
9 establishes an independent basis for a board to impose discipline upon a licensee, and that the  
10 amendments to this section made by Senate Bill 797 of the 2007 -08 Regular Session do not  
11 constitute a change to, but rather are declaratory of, existing law."

12 9. Section 492 of the Code states, in pertinent part:

13 "Notwithstanding any other provision of law, successful completion of any diversion  
14 program under the Penal Code, or successful completion of an alcohol and drug problem  
15 assessment program under Article 5 (commencing with Section 23249.50) of Chapter 12 of  
16 Division 11 of the Vehicle Code, shall not prohibit any agency established under Division 2  
17 (commencing with Section 500) of this code, or any initiative act referred to in that division, from  
18 taking disciplinary action against a licensee or from denying a license for professional  
19 misconduct, notwithstanding that evidence of that misconduct may be recorded in a record  
20 pertaining to an arrest."

21 "This section shall not be construed to apply to any drug diversion program operated by  
22 any agency established under Division 2 (commencing with Section 500) of this code, or any  
23 initiative act referred to in that division."

24 10. Section 4060 of the Code states, in pertinent part:

25 "No person shall possess any controlled substance, except that furnished to a person upon  
26 the prescription of a physician, dentist, podiatrist, optometrist, veterinarian, or naturopathic  
27 doctor pursuant to Section 3640.7, or furnished pursuant to a drug order issued by a certified  
28 nurse-midwife pursuant to Section 2746.51, a nurse practitioner pursuant to Section 2836.1, or a

1 physician assistant pursuant to Section 3502.1, or naturopathic doctor pursuant to Section 3640.5,  
2 or a pharmacist pursuant to either subparagraph (D) of paragraph (4) of, or clause (iv) of  
3 subparagraph (A) of paragraph (5) of, subdivision (a) of Section 4052. This section shall not  
4 apply to the possession of any controlled substance by a manufacturer, wholesaler, pharmacy,  
5 pharmacist, physician, podiatrist, dentist, optometrist, veterinarian, naturopathic doctor, certified  
6 nurse-midwife, nurse practitioner, or physician assistant, when in stock in containers correctly  
7 labeled with the name and address of the supplier or producer.”

8 11. Section 4301 of the Code states, in pertinent part:

9 "The board shall take action against any holder of a license who is guilty of unprofessional  
10 conduct or whose license has been procured by fraud or misrepresentation or issued by mistake.  
11 Unprofessional conduct shall include, but is not limited to, any of the following:

14 corruption, whether the act is committed in the course of relations as a licensee or otherwise, and  
15 whether the act is a felony or misdemeanor or not.

16 . . . .

17 "(h) The administering to oneself, of any controlled substance, or the use of any dangerous  
18 drug or of alcoholic beverages to the extent or in a manner as to be dangerous or injurious to  
19 oneself, to a person holding a license under this chapter, or to any other person or to the public, or  
20 to the extent that the use impairs the ability of the person to conduct with safety to the public the  
21 practice authorized by the license.

22 . . . .

23 "(j) The violation of any of the statutes of this state, or any other state, or of the United  
24 States regulating controlled substances and dangerous drugs.

25 "(k) The conviction of more than one misdemeanor or any felony involving the use,  
26 consumption, or self-administration of any dangerous drug or alcoholic beverage, or any  
27 combination of those substances.

1 licensee or registrant if to a substantial degree it evidences present or potential unfitness of a  
2 licensee or registrant to perform the functions authorized by his license or registration in a  
3 manner consistent with the public health, safety, or welfare."

4 **COST RECOVERY**

5 13. Section 125.3 of the Code states, in pertinent part, that the Board may request the  
6 administrative law judge to direct a licentiate found to have committed a violation or violations of

8 enforcement of the case.
