Each board shall take into account all competent evidence of rehabilitation furnished by the applicant or licensee.

Notwithstanding any other provision of law, in a proceeding conducted by a board within the department pursuant to law to deny an application for a license or to suspend or revoke a license or otherwise take disciplinary action against a person who holds a license, upon the ground that the applicant or the licensee has been convicted of a crime substantially related to the qualifications, functions, and duties of the licensee in question, the record of conviction of the crime shall be conclusive evidence of the fact that the conviction occurred, but only of that fact, and the board may inquire into the circumstances surrounding the commission of the crime in order

FIRST CAUSE FOR DISCIPLINE

(April 27, 2016 Criminal Convictions for Taking Vehicle Without Owner's Consent and for Embezzlement on March 8, 2016)

28. Respondent has subjected his registration to discipline under sections 490 and 4301, subdivision (l) of the Code in that he was convicted of crimes that are substantially related to the qualifications, duties, and functions of a pharmacy technician. The circumstances are as follows:

a. On or about April 27, 2016, in a criminal proceeding entitled *People of the State of California v. Owen Edward Richards*, in the Riverside County Superior Court, case number RIF1601147, Respondent was convicted on his plea of guilty to violating Vehicle Code section 10851(a) (taking vehicle without owner's consent), and Penal Code section 503 (embezzlement)¹, both felonies. As a result of a plea bargain, counts for violating Penal Code section 488 (petty theft) and Business and Professions Code section 4060 (possession of a controlled substance without a prescription), both misdemeanors, were dismissed, and a count for violating Penal Code section 12022.1 (commission of a crime while on bail or own recognizance), was stricken.

b. As a result of the convictions, on May 17, 2016, Respondent was granted formal probation for 36 months, and was committed to the custody of the sheriff for 60 days. Respondent was ordered to pay fees and fines, and restitution to the victim, submit to a Fourth Amendment waiver, abstain from the use or possession of illegal controlled substances, submit to random drug tests, and additional conditions of felony probation.

c. The facts that led to the convictions are that on or about January 26, 2016, Corona Police Department officers responded to a report of embezzlement at CVS Pharmacy. Upon arrival, the officers made contact with a loss prevention (LP) staff who informed the officers that on January 7, 2016, LP staff began an investigation potential loss of

¹ Violation of Penal Code section 503 (embezzlement) was originally charged under Riverside Superior Court Case Number RIF1601670. On April 27, 2016, by oral motion, this count was dismissed from Case No. RIF1601670 and added as count 4 to Riverside Superior Court Case No. RIF1601147.

1 Alprazolam 2 mg and Alprazolam 0.5 mg at the pharmacy. The investigation began when LP
2 staff learned that one of their pharmacy technicians (not Respondent) had been arrested for DUI
3 and possession of narcotics for sale, which included Alprazolam. An inventory reconciliation that
4 covered the period May 1, 2015 to December 31, 2015 was completed and showed a loss of 265
5 tablets of Alprazolam 0.5 mg and 473 tablets of Alprazolam 1 mg. On January 22, 2016, an
6 additional inventory reconciliation was completed for Alprazolam 0.5 mg and Alprazolam 1 mg
7 which covered the period May 1, 2015 through January 20, 2016, which showed a loss of 267
8 Alprazolam 1 mg. At this point, LP staff decided to review video of pharmacy areas to determine
9 the source of the loss, and Respondent was identified on the video selecting a bottle of
10 Alprazolam 2 mg on January 18, 2016. The dispensing history confirmed that no Alprazolam 2
11 mg was dispensed on this date. On January 26, 2016, Respondent was questioned by LP staff
12 regarding the January 18, 2016 video and Respondent admitted to stealing medication from the
13 pharmacy beginning in November of 2015, and also admitted to stealing approximately \$64.92 in
14 merchandise from the store and approximately \$900 in cash from the lockers of other pharmacy
15 employees. Respondent admitted to stealing approximately 920 tablets of controlled substances
16 ranging from Tylenol with Codeine, Alprazolam 1 mg and 2 mg, Butab-Acetaminophen-Caff-
17 Codeine, and ASA-Butab-Caff codeine #3, and approximately 45 non-controlled substances that
18 required a prescription, Tizanidine and Cyclobenzaprine. The value of the stolen medication was
19 placed at approximately \$2,023.70. Respondent was arrested and charged with embezzlement
20 under Riverside Superior Court Case No. RIF1601670 and released on bail.

21 d. On March 8, 2016, at approximately 12:00 p.m., Corona Police Department
22 officers responded to Albertson's store regarding a man who possibly had a gun and who was
23 being held down by several people. Upon arrival, the officers made contact with the male being
24 held down (Respondent). The officers made contact with the victim and learned that while the
25 victim was working inside the store stocking and taking inventory, she had her personal work bag
26 inside a shopping cart which contained her wallet, cell phone and car keys, that she walked away
27 from the cart and when she returned to the aisle, the cart was gone. The victim then ran to the
28 parking lot and observed Respondent driving her vehicle and the victim began to scream that her

1 car was being stolen and began to chase the vehicle. Respondent was trying to speed through the
2 parking lot in an attempt to get away. A male that was driving in the parking lot realized what
3 was happening and blocked Respondent's path and another male pulled behind the vehicle to trap
4 it between two vehicles. One of the males pulled Respondent out of the victim's car and held him
5 down on the ground until police arrived. A black wallet belonging to the victim fell out of
6 Respondent's pocket as he was being held down. When the officers made contact with
7 Respondent, he made a spontaneous statement telling the officers that Respondent was sorry for
8 stealing the car, that he had been stressed out and had addiction issues and a problem with
9 prescription drugs. Respondent told the officers that his own personal car was in the parking lot
10 and asked the officers to retrieve his cell phone. Inside Respondent's car, the officers located a
11 bag of prescription pills for which Respondent had no prescriptions. Respondent complained that
12 he got hurt when he was held down by the witness and was transported to Corona Regional
13 Hospital where he was cleared for booking. Respondent was transported to the Corona Police
14 Department for booking.

15 **SECOND CAUSE FOR DISCIPLINE**

16 **(Commission of Acts Involving Dishonesty, Fraud, Deceit & Corruption)**

17 29. Respondent has subjected his registration to discipline under section 4301,
18 subdivision (f) of the Code for unprofessional conduct in that he stole controlled substances and
19 dangerous drugs, store merchandise, and cash, from his employer/pharmacy and co-workers by
20 using fraud, deceit, and dishonesty, as described in paragraph 28, above.

21 **THIRD CAUSE FOR DISCIPLINE**

22 **(Violation of California Statutes Regulating Controlled Substances)**

23 30. Respondent has subjected his registration to discipline under section 4301,
24 subdivision (j) of the Code for unprofessional conduct in that he knowingly violated Business and
25 Professions Code sections 4022, 4059, and 4060; and Health and Safety Code section 11379, as
26 described in paragraph 28, above.

27 ///

6 16, Section 1700, et seq.), and the California Uniform Controlled Substances Act (Health and
7 Safety Code 11000, et seq.), when he obtained controlled substances using fraud and deceit, as
8 described in paragraph 28, above.

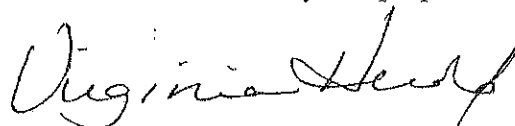

9 **PRAYER**

10 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,
11 and that following the hearing, the Board of Pharmacy issue a decision:

- 12 1. Revoking or suspending Pharmacy Technician Registration Number TCH 132370
13 issued to Owen Edward Richards
