**Level of Service:** This has already been preselected for you. You are required to have both DOJ and FBI level of service complete. Please ensure at the time of Live Scan transmission that the Live Scan operator selects both the DOJ and FBI levels of service in their computer system. If FBI is not selected at the time of original transmission, you will be required to have your Live Scan redone at another time and repay for the DOJ and FBI levels of services again. The board has been notified by the DOJ that effective 9/1/07, if the FBI level of service is not requested at the time of original transmission both DOJ and FBI levels of service will have to be redone. Any issue of cost for resubmission should be handled at the Live Scan Site level.

**Employer:** This information is not required.

**Take the completed form** to your nearest Live Scan site for fingerprint scanning. There are more than 130 Live Scan sites throughout the state. An up-to-date Live Scan site list is on the Department of Justice's (DOJ) Internet web page at <https://oag.ca.gov/fingerprints/locations> or call your local police or sheriff's department.

Contact the live scan service for hours of operation, an appointment (if necessary), acceptable forms of payment and identification requirements. Be prepared to pay **ALL applicable fees** (DOJ processing fee of \$32, FBI processing fee of \$17, and fingerprint scanning service fee) at the time your prints are taken. The live scan fingerprinting service fee varies from about \$5 to \$20. The cost to electronically submit your fingerprints is determined by the local Live Scan agency and the agency can charge a fee sufficient to recover its costs. The lower portion of the Request for Live Scan Service form must be completed by the live scan operator. The original of the form is retained by the scanning service; the second copy is to be attached to your application and submitted to the board; and the third copy is for your records.

#### **FINGERPRINTING AUTHORITY**

Section 144(b) of the Business and Professions Code authorizes the Board of Pharmacy to require an applicant for licensure to furnish a full set of fingerprints for purposes of conducting criminal history record checks. Fingerprints are required for the DOJ/FBI to conduct background checks for criminal convictions.
