However, prior disciplinary action by a licensing board within the preceding seven years shall not be the basis for denial of a license if the basis for that disciplinary action was a conviction that has been dismissed pursuant to Section 1203.4, 1203.4a, 1203.41, 1203.42, or 1203.425 of the Penal Code or a comparable dismissal or expungement.

(e) A board may deny a license regulated by this code on the ground that the applicant knowingly made a false statement of fact that is required to be revealed in the application for the license. A board shall not deny a license based solely on an applicant’s failure to disclose a fact that would not have been cause for denial of the license had it been disclosed.

(f) A board shall follow the following procedures in requesting or acting on an applicant’s criminal history information:

(1) A board issuing a license pursuant to Chapter 3 (commencing with Section 5500), Chapter 3.5 (commencing with Section 5615), Chapter 10 (commencing with Section 7301), Chapter 20 (commencing with Section 9800), or Chapter 20.3 (commencing with Section 9880), of Division 3, or Chapter 3 (commencing with Section 19000) or Chapter 3.1 (commencing with Section 19225) of Division 8 may require applicants for licensure under those chapters to disclose criminal conviction history on an application for licensure.

(A) The denial or disqualification of licensure.

(5) Relief granted pursuant to this section does not affect any prohibition from holding public office that would otherwise apply under law as a result of the arrest.

(6) Relief granted pursuant to this section does not affect the authority to receive, or take adverse action based on, criminal history information, including the authority to receive certified court records received or evaluated pursuant to Section 1522, 1568.09, 1569.17, or 1596.871 of the Health and Safety Code, or pursuant to any statutory or regulatory provisions that incorporate the criteria of those sections.

(A) Declarations or evidence regarding the offense for which a grant of relief is being contested.

(B) The defendant’s record of arrests and convictions.

(5) If the court finds that the prosecutor or probation department has satisfied the burden of proof, the burden shifts to the defendant to show that the hardship of not obtaining relief outweighs the threat to the public safety of providing such relief. In determining whether the defendant’s hardship outweighs the threat to the public safety, the court may consider any relevant factors including, but not limited to, either of the following:

(A) The hardship to the defendant that has been caused by the conviction and that would be caused if relief is not granted.

(B) Declarations or evidence regarding the defendant’s good character.

(6) If the court grants a petition pursuant to this subdivision, the court shall furnish a disposition report to the Department of Justice pursuant to Section 13151, stating that relief pursuant to this section was denied, and the department shall not grant relief pursuant to this section.
