

Board Actions at the October 23-24 Meeting

- The board recognized Executive Officer Virginia Herold for her years of service to the board and California consumers.
- The board updated its strategic plan goals for each of its committees.
- The board approved adoption of California Code of Regulations, title 16, sections 1735.1, 1735.2, 1735.6, 1751.1 and 1751.4 related to pharmacy compounding.
- The board directed the Licensing Committee to continue the discussion on inspections of sterile compounding pharmacies required as a result of remodeling of the facility.
- The board approved the modification of the data collection requirements included as part of UCSD's study regarding the use of Automated Drug Delivery Systems.
- The board took action to request that the DCA present information regarding the hiring of Board Counsel at the January 2019 Board Meeting.
- The board directed staff to coordinate with the DCA SOLID training unit to improve the board's CE course on pharmacy law to reduce the number of pharmacists who are not completing the entire course.
- The board approved language to align the advanced practice pharmacist renewal requirements with the renewal requirements for pharmacists.
- The board approved language to amend BPC 4400(o) to provide more clarity on the fee to update license records and reissue printed license certificates.
- The board approved language to modify the number of experiential hours required for pharmacy technician training programs to align them with the ASHP accreditation requirements.
- The board concurred with the Public Education's Committee's recommendation to establish a Twitter account to communicate with the public.
- The board approved the awarding of CE for pharmacists who read *The Script* and pass a quiz based on the articles.
